Over a 100-mile stretch death penalty. Then he yelled at between Laytonville and Scotia, the road had 16 different blocks. George T. McCov. state highway engineer, said 125 pieces of equipment were taking part in the "greatest concentration of men

> The million acre flood in 43 Northern California counties did damage estimated at 150 million dollars. At one time 50,000 persons were homeless. The Red Cross still is sheltering 4,563 and is feeding 19,226.

way in our history.

Red Cross figures also showed that in the California-Oregon areas 1.058 homes were destroyed and 18,633 damaged.

Appealing for flood relief funds were the Red Cross and the Salvation Army. Archbishop John J. Mitty asked all Catholic churches in the archdiocese of San Franciseo to take special collections for flood relief at all masses Sun

Chemical Firms Roll to Record For Sales in '56

NEW YORK -The dynamic chemical industry rolled on to new sales records in 1955 and invested another billion dollars in expand-

ing its plants.

Total sales for the year are estimated by the Manufacturing Chemists' Assn., representing 30
