BAN FRANCISCO - Liu Yung-Ming, 36-year-old Chinese student (right) who spent six years in a Missouri mental hospital, talks with a reporter just before boarding a passenger liner for the Far East Sunday. Lin, who the Communist Chinese charged was being held in this country against his will, is returning to Red China. U. S. officials maintained they had been trying to deport Liu since 1951, but had been unable to get a visa for him at Hong Kong, the transit point for entry to the Chinese mainland. (AP Wirephoto)

Bitter Controversy Boils Over Farmer, Retail Price Spread By OVID A. MARTIN By OVID A. J.7,8,9.10,11,12.

year controversy over farm prices and income.

Traditionally the least popular "More services are required to sumer farther apart," it said. 512 Loans Wanted 515 Investments of economic groups, processors and the gap between them. The and distributors are being criticized by farmers, some labor leaders, some political leaders and chain. Farmers cannot see why leaders, some political leaders and some government agencies for a widening spread between the prices fail to understand why farmers fail to understand to the constitution is driving the producer and the constitution fail to understand to a f ng spread between the prices to lay in the spring. Consumers sizes get and consumers pay fail to understand why farmers Demands have been made by me farm groups for a congress. ferred.

Pear to appropriate \$230,000 for "a revolution in the American special Agriculture Department kitchen"—that is, a growing demand for more fully prepared foods. It cited, for example, the kitchen work that used to be In recent weeks, results of some required in serving fish, as given in a popular cook book. The sublic by Secretary of Agriculture directions for cleaning and cooking

alt went on to give the directions on a modern package of fish sticks
-"heat and serve."

"The time was," the department said, "when the tired husband, 812 home from work, asked his wife, 'what's cooking?' Today, with frozen food, he is likely to inquire:

"what's thawing?"

The department said this "builtin maid service" costs money and
added that the food trade can
hardly be expected to provide this
added service with the same peradded service with the same percentage of the consumer's food and Heavy Equipment dollar that it got when the housewife did this work herself.

The agency said farmers son times resent these expanding services, which have the result of Benson has made no charges reducing the farm share of the food

"The truth is," the department enders claim. But the secretary said, "that these added services ng its wage increases have the farmers to sell more products often enlarge the market, permit dded greatly to food costs to the and increase farm returns. This detriment of both farmers and has been true for cut-up chicken and for concentrated orange
