Bean Stalk**
BRAND

DOLLAR Sale!

This week we are featuring the Jack and the Beanstalk label, U.S. fancy canned foods. It is a product that should and will have the support of every resident in the Salem area. Jack and the Beanstalk fruit and vegetables are grown on some 4752 acres of local farms requiring an investment from Salem area farmers of roughly \$2,851,200 in land yearly, to say nothing of the thousands of dollars invested in equipment. Then take the matter of Blue Lake Cannery's annual payroll which amounts to about \$1,483,000. These few facts should be reason enough for the Salem folks to want to support and promote this fine product... the bonus is that each and every item is U.S. FANCY... you can buy no finer foods at any price... and just look at the values!
