the AFL-CIO has prepared a list of Congress members, marked for labor union support or opposition, were "absolutely untrue."

The private report, it was learned, lists a dozen states in which it says Republican senators must be stopped in reelection efforts this fall if organized labor is to succeed in repealing or amending the Taft-Hartley Labor Relations Law and otherwise obtain union-supported legislation.

The states are listed as California, Colorado, Connecticut, Illinois, Indiana, Iowa, Kansas, Maryland, Ohio, Pennsylvania, Utah and Wisconsin.

School Closure

A board consideration of closure next year of Halls Ferry School brought a delegation from that community to protest and to offer alternatives. Spokesman Wilford Wilson said most of the complaints were from parents of smaller children who didn't like the idea of transporting them so far away from home.

Dr. Snyder, who had suggested

the closure in an economy move because of low attendance, in the two-room school, suggested a compromise possibility of keep-
