

# Cairo Air Crash Kills 52

**Just Tail Left** CAIRO, Egypt—Only the tail surface of this crashed French airliner retains any semblance of its original shape after the big Cloudmaster smashed into the desert and burned just outside of Cairo Monday. Fifty-two persons died (AP Wirephoto).

**Offers Plan** WASHINGTON—Sen. Richard Neuberger at a news conference Monday proposed legislation providing for federal financing of national election campaigns. (AP Wirephoto).

**Testifies** WASHINGTON—William M. Allen, president of Boeing Airplane Co., appeared Monday before a house armed services subcommittee investigating performance and profits of military aircraft manufacturers. (AP Wirephoto).

**Heavy Traffic** NEW YORK—Patrolman Samuel Sapan makes out a ticket for Opal, a six-year-old elephant, and her trainer, Mack MacDonald of Harlingen, Tex., as a passerby, center, looks on. Opal appeared on a TV show Sunday night and was being walked along sidewalk to a van when Sapan decided Opal was a two-ton violation of administrative code. (AP Wirephoto).

**Sixteen Tons** PASCO, Wash.—This late model car got into wrong automatic gear and backed at high speed into lube room of a Pasco service station Sunday. Driver and young woman companion were only slightly scratched. (AP Wirephoto).

**Grable Again** LAS VEGAS—Actress Betty Grable, making her first nightclub appearance here, goes all out before microphone. This costume is a diamond studded net affair weighing 10 pounds, valued at \$6,000. (AP Wirephoto).
