Labish Garden Members Hear About Fuchsias

HAZEL GREEN—Twenty-one members and friends of the Labish Meadows garden club enjoyed a talk on fuchsias Thursday afternoon when the group met at the home of Mrs. Jack Bartlett. That there are over 70 known species and more than 2000 named varieties and that the first plants were brought to the United States about 100 years ago were some of the surprising statistics offered by the speaker, Bob Lowery of the Lowery Gardens on Chemawa Road. During the business meeting further plans were made in regard to the district garden club meeting at Marquam on April 12 and an article on reappointment for legislative purposes was introduced for study. The March 22 meeting will be held at the home of Mrs. A. B. Wiesner, Middle Grove, when Maxine Buren of the Statesman staff will present pictures of her New England tour.

McFarlane Talks To South Salem Jr. Saddle Club

SOUTH SALEM—Twenty-two members attended the meeting of the South Salem Junior Saddle Club on Saturday afternoon at the home of Mr. and Mrs. Archie McKillip on Liberty Road. The group heard an invitation from the Monmouth Centennial to participate in their celebration. Don McFarlane, president of the Oregon Horseman's Association, was the guest speaker. He stated that there are 30,000 people actively interested in horses. He told how shows are rated and the point system used in approved shows. He told of the expected horse show to be held at the State Fair this year. Gerald Kurth was host to the group. Guests were Mrs. Holly Jackson, Mrs. Don McFarlane, Mrs. Wilbert Kurth and Mrs. Louis Kurth.

Springlike Weather Hasn't Reached Detroit

It may have been somewhat springlike in the Willamette Valley Monday, but residents of Detroit some 50 miles east of Salem were very aware of it still being winter. This was the scene in the mountain town from "Main Street" looking across snowbound autos and snowclad roofs to Dome Rock and French Creek Ridge above Detroit Reservoir. Snow has been piled many feet deep along Detroit streets by plows. (Statesman Photo.)

8 out of 10 of your neighbors COOK with Low Cost Electricity

Do You? Can you afford not to?

Electricity's magic has captured the Oregon homemaker's heart!

Electric Cooking is FASTER

"20% FASTER than any other method of cooking" ... that's what leading range manufacturer's tests have proved about the new electric ranges. Saves kitchen time ... assures cooler kitchens.

Electric Cooking is SAFER

There's no flame with an electric range ... no danger of unignited fuel. Also troublesome flues and vents are unnecessary. Family safety is an important reason for choosing electric cooking.

Electric Cooking is CHEAPER

Here in the PGE area the average customer enjoys electricity at a cost of less than half the national average. In fact, the cost to cook electrically is only about 5 cents a day!

WHY? ... because here in the PGE area modern electric cooking gives her the safest, most trouble-free, most economical cooking she can own. Today's new electric ranges have super-fast elements which heat up in as little as 5 seconds ... respond instantly to any turn of the switch so you don't have to remove utensils to prevent boil-overs. There's no worry, no flues to connect, no smoky film or smudge—and electric ranges are so easy to keep clean. Economy? Remember! PGE customers enjoy electric cooking at a cost of less than half the national average!

NO WONDER SO MANY OF YOUR NEIGHBORS COOK ELECTRICALLY. IT'S THE SMART THING TO DO.

It's the MODERN thing to do.
