### Fliers Okeh In Bail Out Over Narrows

McCHORD AIR FORCE BASE — Two officers who bailed out of a disabled Air Force cargo plane Tuesday over the Tacoma Narrows, northwest here, were pronounced physically fit by doctors at the base hospital here Tuesday afternoon.

The officers are First Lt. J. W. Leslie, 26, of Norfolk, Va., stationed with the 677th Aircraft Control and Warning Squadron at Otello, Wash., and Lt. (J.G.) T. P. O'Leary, 23, of Spokane, a naval officer en route to join his ship at Long Beach, Calif., following a leave at his home.

The pilot, First Lt. Joseph A. Loscalzo, 31, of Newburgh, N. Y., stationed at Geiger Air Force Spokane, landed the 3-engine plane safely at McChord on one engine.

The two passengers jettisoned some 300 pounds of cargo — airplane parts and maintenance equipment — about 10 miles north of Gig Harbor before bailing out. The plane was en route from Geiger to McChord. Authorities are investigating the cause of the engine failure.

### Only Ten Cases Of Communicable Diseases Noted

Only ten cases of communicable diseases were recorded in Marion County during the past week, according to the weekly report issued by the county health department.

Of the 69 health centers taking part in the survey, seven reported instances communicable diseases. Leading the list was chicken pox, with two cases recorded in Salem and three in other parts of the county. There were two instances of measles reported, and one each of tuberculosis, infectious hepatitis and infectious mononucleosis.

A phonograph needle travels half a mile in playing one side of a 12-inch phonograph record.

### "Wally says I'm a whiz!"

Wally thinks it's pure magic the way I keep our house spotless and still have so much time for the things I like to do. Of course, it's finding faster, easier ways to do my housework that really does the trick. Just take wood floors. How I hated that messy cleaning and waxing. And my arms and back would ache for days afterwards. Then I heard about Bruce Cleaning Wax. What a joy! There's no floor washing at all because Bruce cleans as it waxes. Takes only half the time. To top it off, my wood floors never looked better. Just try a can of Bruce Cleaning Wax. Everybody who uses it thinks it's wonderful.

Incidentally, I've found other Bruce floor products help me, too. There's Bruce Floor Cleaner for cleaning and lighter waxing, Bruce Paste Wax, Bruce Asphalt Tile Cleaner, Bruce Asphalt Tile Self-Polishing Wax and the new Bruce Self-Polishing Wax. Yes, for floors it's Bruce!

**PINWORMS MAY BE A FAMILY AFFAIR**

Pidgeting, nose-picking and a tormenting rectal itch are often tell-tale signs of Pin-Worms, a tiny parasite that medical experts say infect one out of every three persons examined. Suffering families may be victims and not know it.

To get rid of Pin-Worms, these pests must not only be killed, but killed in the large intestine where they live and multiply. That's exactly what Jayne's P-W tablets do... and here's how they do it:

First—pinetolene coating against the tablets into the bowels before they dissolve. Then—Jayne's modern, medically-approved ingredients goes right to work—kills Pin-Worms quickly and easily.

Don't take chances with this dangerous, highly contagious condition. At the first sign of Pin-Worms, ask your druggist for genuine Jayne's P-W Tablets... the small, easy-to-swallow tablets perfected by Dr. J. Jayne & Son, specialists in worm remedies for over 100 years.
