Couple Given Prison Term For Abandonment of Child

TUCUMCARI, N.M., (U-P) — Dist. Judge J. V. Gallegos Thursday sentenced a young Delaware couple to not more than five years in the state prison for abandoning their retarded 2-year-old son near here.

Carl Trout, 26, and his wife Sarah, 19, entered pleas of guilty to the abandonment charge and waived their right to counsel.

Mrs. Trout sobbed throughout the arraignment and broke into tears when the judge passed sentence.

George Says Johnson May Be Nominated

WASHINGTON (U-P) — Sen. George (D-Ga.) said Thursday Lyndon Johnson may well be chosen as the Democratic presidential nominee "in the event of a deadlock at the national convention."

George told a reporter he thought Texans would be "very wise" to send Johnson to the Chicago convention as their "favorite son" where he might develop into an "effective candidate" for the presidency.

"I think Sen. Johnson has been a most effective (Senate) majority leader of his party," George said. "If his name goes before the convention as a favorite son, he is very likely to become a major factor in the selection of a presidential candidate for the party."

"He has a reputation throughout the country as a man who could well become a great candidate for the presidency in the event of a deadlock between those seeking the nomination."

"If he can be persuaded to do so, he might well become the effective candidate for the party because of his strong support throughout the South, as well as in other sections of the country."

Johnson is locked in a political battle with Gov. Allan Shivers of Texas, which Johnson said today has as its basic issue the question of whether Texas delegates will walk out of the Democratic convention to support the GOP ticket.
