

Cancer Fund Collectors to Visit Stores

Salem businessmen will be asked to contribute to the 1936 Cancer Crusade Saturday as the downtown drive gets underway.

Richard H. Fidler, chairman of the downtown section, announced Wednesday that 30 to 40 volunteer collectors will visit local businesses Saturday and again April 21.

Firm employees will not be solicited individually, Fidler said; just the businesses. A similar campaign was held a year ago.

Letters are being made to businessmen explaining the work of the American Cancer Society, Fidler said. Marion County goal in the 1936 drive is \$10,000.

Workers in the downtown drive will include members of the Salem Business and Professional Women, Willamette University students and other volunteers.

"The Truth About Cancer," a book describing the disease, is currently on sale at Meier & Frank's, Fidler said; all proceeds will go to the American Cancer Society. Movies on cancer will be shown at 7:30 p.m. Friday and 2:30 p.m. Saturday at the Meier & Frank store. The films will be shown again at 7:30 p.m. April 20 and 2:30 p.m. April 21.

Salem Man to Head Oregon Broiler Unit

Cornelius Bateson, Salem, has been named president of the newly formed Oregon Broiler Growers Association. Other officers who will assist Bateson in managing the association are John Dixon, Newberg, vice president, and Delbert Stutzman, Aurora, treasurer.

The secretary's post was left unfilled until the first annual meeting being planned for June. Directors include Dave St. Johns, St. Paul; William Martin, Milwaukie; B. J. Rogers, Springfield; Melton Clark, Corvallis, and Kenneth Flanagan and Don Norton, Portland.

Industry sources indicated Thursday that formation of the broiler association deals a setback to plans for merging the Oregon Poultry Association and the Oregon Poultry Improvement Association into one group to represent the entire poultry industry. Broiler men believed that each segment now will have its own organization, then work on industry-wide matters through a strengthened Oregon Poultry council.

Girl Scout Delegates Call On Governor

Oregon's delegation to the 1935 Senior Girl Scout Roundup at Pontiac, Mich., received the official blessings of Gov. Elmo Smith Thursday when two representatives called to brief the chief executive on the first large-scale national camp ever held by the Girl Scouts.

Gov. Smith requested the Oregon Girl Scouts to carry with them plenty of material extolling Oregon's beauties and advantages along with the Oregon state flag which has been lent to them by Secretary of State Earl T. Newberry. The camp is scheduled for June 29 to July 11.

Representatives of the Oregon delegation who visited the governor were Beverly Klingler and Arlene Rybloom, both of Salem.

Pilots Sponsor Scholarships for Youths in CAP

Several youth scholarships to the Salem Civil Air Patrol will be sponsored by the Salem Pilots Association, it was announced this week.

At a recent meeting the Pilots group agreed to sponsor a scholarship immediately and several more, including a summer training encampment scholarship, later.

The CAP is an Air Force auxiliary for boys and girls interested in aviation.
