**Austria Reds Lose at Polls**

VIENNA, Austria (AP) — Ruling conservatives and socialists rolled up gains Sunday and the communists took a beating in Austria's first parliamentary election since the Russians went home.

Chancellor Julius Raab's conservative People's Party had a slight edge over Vice Chancellor Adolf Schauer's socialists with two-thirds of the votes counted. Their coalition has ruled Austria the past 11 years.

The conservatives had won 60 seats, the socialists 56. The conservatives had 74 seats in the old parliament, the socialists 73.

The communists lost only four seats they had held in the old parliament from the industrial Wiener Neustadt district. They averted a setback by picking up a lone seat in Vienna.

The communists were taking the worst beating in what was the Russian occupation zone. Austrians there appeared to take a delight in voting against the communists. Wiener Neustadt is in that zone.

**Michigan Man Named 'Lutheran of Year'**

INDIANAPOLIS (AP) — William F. Fenske, Detroit, Mich., who helped the church raise five million dollars while touring 46 states without pay over a 14-month period, has been named Lutheran of the year.

He was honored at the Federation of Lutheran Clubs closed its annual convention Saturday.

RANCHER KILLED TULELAKE, Calif. (AP) — Harry Cline, 45, who operated a ranch near here, was killed Saturday when his truck burst into flames after colliding with a freight train.
