### State-Wide Delegates

PORTLAND (P) - Final election of delegates to the national party conventions will await completion of the state-wide count Monday, or even the official count later if results remain close.

Count of the votes for delegates as well as electors was not started until Saturday in many instances, after the issue of candidates for major offices was determined. The same held true for national committee and committeewoman, although even in the early count it appeared Robert Mautz would defeat John Merrifield for that office in the Republican party.

On the basis of partial returns from most of Oregon's 36 counties, the vote for delegates was as follows (with Democrats to elect eight at large, the Republicans 10 at large and both parties two from each congressional district):

### Boys Flee British Soldiers; Girls Throw Stones

NICOSIA, Cyprus (P) - British troops used tear gas to disperse crowds of girls demonstrating in the main streets of Nicosia Sunday.

Police and troops were called out when 200 schoolboys and girls started marching through the streets carrying banners and Greek flags and chanting slogans in support of Eoka, the Cypriot organization backing union of Cyprus and Greece.

The boys fled, leaving the girls to insult the troops and throw stones and bottles at them. The soldiers fired tear gas and seized the banners. No arrests were made.
