

Five Hurt by Crashing Bottles

NEW YORK (AP)—A beverage delivery truck out a corner too fast in front of Macy's Department Store Tuesday and flung 40 to 50 cases of bottles into a sidewalk crowd. Four women and one man were injured.

The bottle cases were catapulted from racks on the truck as it whipped around the corner of Broadway and 25th Street, in front of the big department store.

Thronging people on the sidewalk scattered as the cases and bottles went crashing in all directions. Bottle after bottle, containing a carbonated beverage, smashed on the sidewalk and left a field of broken glass.

The five persons unable to flee the bombardment in time were taken to St. Clare's Hospital.

Harriman Okeh After Operation

NEW YORK (AP)—Gov. Averell Harriman was reported in "very good" condition Tuesday at Columbia Presbyterian Medical Center after a prostate gland operation.

The operation was performed yesterday by Dr. George F. Cahill.

Harriman, who describes himself as an "inactive" candidate for the Democratic presidential nomination, is expected to remain in the hospital 9 or 10 days. He entered the hospital Sunday.

2 Die as American Jets Collide

IPSWICH, England (AP)—Two U.S. Air Force F84 fighter bombers collided over Eastern England Tuesday, killing two men and injuring two others.

The flaming wreckage of one plane plunged into the backyard of a house in the village of Bawdsey, killing an 80-year-old man and injuring another. The other plane crashed in a field near Alderton, East Suffolk.

One of the two pilots was killed. The other bailed out and was picked up "in a serious condition" from the sea off Felixstowe by a Royal Air Force helicopter, Air Force officers said.

The planes belonged to the 77th Fighter Bomber Squadron stationed at Wethersfield, Essex. Names of the pilots were not disclosed.

Q... HAVE YOU VISITED Toyland AT 1161 UNION STREET?

A... If Not—You Have Missed Seeing Oregon's Biggest Selection of Toys Ever to Be Found Under One Roof! Here is an interesting memo from the Managers:

Hundreds—yes, we mean hundreds of people have made this statement to us: "Why, your prices are as low as five and dime and department stores." May we say, "Sure they are." We don't ask a premium price just because we're an exclusive toy store. And you'll find we have a better stock of toys right now than most stores have just before Christmas... (AND AT LOW PRICES!)

What are we getting at? Just this: it pays to support Toyland because we're here to supply your toy needs all year round. (Even in the money-losing months.) In this manner we think we are giving you a valuable service by having a large selection of toys for birthdays, unexpected sickness, and for the boy or girl that's been good and deserves a small present.

So—when you think of toys or hobbies, we ask you please think of TOYLAND, the store that has toys the year 'round...

Thank you, Norman and Betty Shaw Managers
