First Pentacle Play to Open

Mrs. Murco Ringnald, director of the Pentacle Theater's first play for the season, *Bell Book and Candle*, rehearses Barbara Rhule and Al Laue, who play leads in the performance opening June 4 for a five-day run. The theater is arena-type, which explains the transparent scenery necessary for action to be viewed from four ways.

Others in charge of the evening are: Mrs. Margaret White, Mrs. Fred Joehne, decorations, Mrs. James Gray Mrs. Robert Gordon, Mrs. Robert McLaughlin, Mrs. Norman Johnson, Mrs. Wallace R. Cowen, Mrs. Richard Allen and Mrs. William Hicks; programs, Mrs. Hal Merrill; place cards, Mrs. William Juza, Mrs. Vernon Kitchel and Mrs. Wendell Schwartz; and Mrs. William Schaumburg, reservations.

Pentacle Barn Refurnished For Opening Play on June 4

The Pentacle barn on the Dallas highway has been the scene of considerable activity lately with various members pitching in to help complete preparations for opening night June 4, when the Christopher Fry comedy "The Lady Is Not For Burning" will be presented in the first of live performances. Saws, hammers, paint, lawn equipment and a liberal dose of elbow grease have been applied to effect a number of changes to increase the enjoyment of this year's theatergoer.

A new white fence bordering the driveway and a flower bed designed by Bob Schucking of Eola Acres are the first changes to meet the eye. The flower bed depicts the emblem of the Pentacle Players—a five-pointed star. The barn has been whitewashed and sawdust spread over the dirt floor. A trap door has been constructed in the attic for the use of scene changes which will be effected by lowering sets through this door when the lights are dimmed between acts.

Intermission time this summer will be a delight under the stars. For this purpose the entire area in back of the barn has been cleared, a new lawn put in and lights strung for that coffee and cookies interlude that has become a trademark of Pentacle shows. For those who like the comforts of civilization a modern chemical toilet has been purchased and will be installed in a suitable place.

In appreciation of Salem theatergoers who have proven Pentacle successful, the group has taken their comfort into consideration and reinvested a portion of last

summer's profit in the Pentacle Playhouse by the purchase of 125 black upholstered folding chairs. The players themselves have not been forgotten. The partitioned dressing room has been finished on the outside, paneled on the inside and a linoleum floor laid. The old dressing room which adjoins the garage will now be used exclusively for a makeup room.

Tickets are on sale for the current production at Stevens & Sons Jewelers and Dell's Book Store.
