Eisenhower Spends Time Working on Papers; Approval Granted for Visit by Adenauer Today

WASHINGTON (AP) — President Eisenhower, reported a little thinner but "quite chipper," worked for a while on official papers Wednesday.

By ED CREAGH

WASHINGTON (AP) — President Eisenhower, reported a little thinner but "quite chipper,' worked for a while on official papers Wednesday.

His doctors said his progress toward recovery was "satisfactory" and gave their approval for West German Chancellor Konrad Adenauer to drop in on the President Thursday morning.

To the President's outspoken relief, doctors, however, removed for several periods the uncomfortable drainage tube which has been inserted through his nostrils to his stomach ever since his operation.

Eisenhower spent a half hour conferring with Chief Aide Sherman Adams and other staff members and giving a little dictation to his personal secretary. In the course of these talks he signed 27 bills and other official papers — including the nomination of Los Angeles Judge Victor R. Hansen to head the Justice Department's antitrust division.

Politics Not Discussed

One subject of conversation remained taboo: politics. White House Press Secretary James C. Hagerty, asked if anyone has talked with Eisenhower about his second term plans in the light of this second illness in nine months, replied:

"There has been no talk at all."

A 1:15 p.m., EDT, medical bulletin at Walter Reed Army Hospital, where the President underwent intestinal surgery early last Saturday, said:

"The President's progress continues to be satisfactory.

"His temperature, blood pressure, pulse and respiration are essentially normal.

Total of 30 Minutes

"The President has been out of bed twice this morning for an aggregate of 30 minutes.

"He indulged in his usual walking exercises at that time, supported slightly by an attendant (hospital aide J. W. Teaney.)

"The decompression tube is now being periodically removed. He is still on intravenous feeding.

"Permission was given by the physicians for the President to meet this morning with members of his staff on White House business for about one half hour."

Almost Upright

Hagerty said the President, in light tan pajamas, was sitting almost completely upright in bed when he met Adams and the other staff members — special counsel Gerald D. Morgan and Staff Secretary Andrew J. Goodpaster.

Across the President's lap was a hospital table and it was on this that he signed the legislation and other paper work, which ranged from a $424,664,100 appropriation for the Interior Department to a deeding of a land tract to the city of Grand Junction, Colo.

In all, Eisenhower signed eight bills, sent a ninth to Capitol Hill at the House's request, completed three agreements with other countries on civil use of atomic energy, put his signature to a flock of nominations and signed letters giving two diplomats the rank of minister.

Dictates Letters

In addition he approved the sending of six telegrams and dictated some personal correspondence including a thank you note to President Ruiz Cortines of Mexico, who telephoned good wishes soon after the Chief Executive's illness developed.

Hagerty said this was "a fairly routine" day of paper work for the President — who, of course, also would spend considerable time receiving visitors and conferring at greater length with staff members if he were in the White House.

CHICAGO (AP) — Grains ended higher on the Board of Trade Wednesday even though profit taking in the last hour cut back extreme gains rather sharply.

Wheat closed 1½-1¾ higher, corn ¾-⅞ higher, oats ¾-1½ higher and lard 3 cents lower to 7 cents a hundred pounds higher.

Wheat stood out prominently on the advance, a contrast with the two previous sessions. At one time wheat's gains ranged to around 3 cents. More than half the upturn was lost before the finish.

NEW YORK (AP) — The strong stock market rally from Friday's break continued Wednesday, but the tempo of recovery slowed.

PHILOSOPHER HONORED

HAIFA, Israel (AP) — A tombstone made of black basalt from Galilee is being sent to Holland for the grave of the philosopher Spinoza at The Hague. It bears the Hebrew word "Amcha" (your people) and is a gift of the Israeli Spinozeon Society. Thursday is the tercentary of Spinoza's excommunication from the Jewish community.

In 140 years, the American Bible Society has distributed nearly half a billion volumes of scripture.

U.S. Rejects Chinese Bid

WASHINGTON (AP) — The United States Tuesday rejected a Red Chinese proposal for a prompt meeting of foreign ministers of the two countries. It accused the Reds of refusing to make a "meaningful renunciation of force" in the long dispute over Formosa.

A State Department statement declared that the United States will "continue to seek" such a renunciation and also will go on pressing for release of 13 Americans still held in Red Chinese prisons despite an agreement last Sept. 10 to release all Americans.

State Department officials said that there is not the slightest chance of changing U.S.-Red China negotiations to a higher level so long as the Communists persist in refusing to renounce force with respect to Formosa and in holding Americans prisoners.

*Classified ads will be run in both papers to give advertisers the advantages of the tremendous pulling power of 37,074 combined circulations.

**When an ad is ordered three or six times and a Sunday issue is included (for example Friday, Saturday, Sunday) the lower Sunday rates apply because only The Statesman publishes Sundays.

Classified ads will start in the morning Oregon Statesman, conclude in the evening Capital Journal—but ads will be accepted for Sunday Statesman only.

The deadline for classified ads is 1:00 p.m. the day before publication except for Sunday when deadline is 5:30 p.m. Friday. Emergency ads and small line ads received after 1:00 p.m. weekdays and until 12 noon Saturday for Sunday may be placed in the "Too Late to Classify" column.

Ads for Monday papers must be in by 5 p.m. Saturday.

The Statesman-Journal Newspapers reserve the right to reject questionable advertising. It further reserves the right to place all advertising under the proper classification.

The Statesman-Journal Newspapers assume no financial responsibility for errors which may appear in advertisements published in its columns and in cases where this paper is at fault will reprint that part of an advertisement in which the typographical mistake occurs.

A "Blind" Ad—an ad containing a Statesman-Journal Newspapers box number for an address—is for the protection of the advertisers and must therefore be answered by letter. The Statesman-Journal Newspapers are not at liberty to divulge information as to the identity of an advertiser using a "Blind" ad.

Ads in other columns which require investment in stocks, samples, equipment or cash bond should be thoroughly investigated before paying out any money. Advertisers requiring a cash investment for samples or merchandise, sales aids, etc. must so specify in their ads.

THIS NEWSPAPER STRIVES to protect its readers against fraud deception or injuries. Readers are cautioned to make NO PAYMENTS to get a position advertised in the help wanted columns. All help wanted ads MUST SPECIFY THE NATURE OF THE WORK. Sales help wanted ads must state if the pay is in the form of salary, commissions, guarantee, or include firm name. Bona fide offers of employment with pay belong to the "Help Wanted" columns.

Kindly report any excepuon to this rule to the classified advertising manager.
