Senators Win Again, 4-1, Sweep Series With Tribe

Four Double Plays Big Helpers As King Goes Route for 2nd Win

By AL LIGHTNER Sports Editor, The Statesman

The rally-killing double play, a defensive weapon not too prominent in the Salem Senators' makeup this semester, got into the act with a flourish last night at Waters Field and greatly helped Uncle Hugh Luby's lads to their fourth straight victory over the Spokane Indians in Northwest League baseball play. The final score was 4-1 and the Solons matched their run production wits as many of the twin killings, every one of 'em assisting Ronnie King out of a jam.

In sweeping the four-game series the Salems ran their won-lost AAU Track record for the past 10 league games to a sharp 8-2, and have in the process moved from the loop Games Today dungeon into fifth place. Off to Wenatchee

The club now goes on the road, opening a four-game stand at Wenatchee tonight, and then on to Yakima for four more with the Bears. The Salems return to local warfare Friday, June 29, against Five 1952 Olympic Games chamheat Wenatchee 1-0 here last Sun- cast were assembled here Thurs-
