Fans of Late Writer Try Vegetable Diet

CHICAGO (AP) — Some 50 persons tried vegetarian luncheon Monday to determine whether it would be a fitting menu as part of Chicago's massive George Bernard Shaw Day July 26.

The menu followed recipes used by Mrs. Shaw and it contained such dishes as "quintessence of fresh asparagus spears with melted English cheddar cheese" and "Fabian log," an ice-cream-cake confection topped with "Mrs. Warren's raspberry sauce."

No vote was taken by the diners, who also heard a progress report on the planned observance of the playwright's 100th birthday. Shaw died in 1950.

The agenda for Shaw Day calls for a morning symposium at which speakers will explore various facets of Shaw — playboy, prophet, playwright, philosopher, politician, publicist.

Speakers will include playwright William Saroyan, author A.C. Spectorsky; Archibald Henderson, Shaw biographer, president of the Shaw Society of America and professor at the University of North Carolina; Socialist Norman Thomas; and Robert Chapman, Harvard University professor of drama.

SCIENTISTS READY

HONG KONG (AP) — Peiping radio says 200 scientists and 35 observatories in Red China will take part in work marking the international geophysical year beginning next July.

Agency to Probe New Water Bill

PORTLAND (AP) — The potential effectiveness of the new Oregon State Water Resources Board will be a prime discussion when the Columbia River Inter-Agency Committee meets here July 17.

The Water Board, created about a year ago, is empowered to deal with land and water resource development and conservation problems. The Inter-Agency Commission's announcement said it wants to learn how the board's powers and responsibilities "fit into the over-all planning program of the Columbia Basin in accomplishing its mission."

The meeting will be the last of the summer for the committee.

Russ Magazine Attacks Stalin

MOSCOW (AP) — Party Life, magazine of the central committee of the Communist Party, Monday charged Stalin with being an economic bungler.

The magazine said 26 years ago Stalin put forth the theory that under socialism "the growth of consumption (buying power) always outstrips growth of production."

"This proposition has no scientific foundation," Party Life declared. "It led to queues and irregular supply of certain commodities, inconveniencing the population, worsening quality of service in trade and rendering more difficult the struggle for higher quality goods."

*Classified ads will be run in both papers to give advertisers the advantages of the tremendous combined circulations.

**When an ad is ordered three or six times and a Sunday issue is included (for example Friday, Saturday, Sunday) the lower Sunday rates apply because only The Statesman publishes Sundays.

Classified ads will start in the morning Oregon Statesman, conclude in the evening Capital Journal — but ads will be accepted for Sunday Statesman only.

The deadline for classified ads is 1:00 p.m. the day before publication except for Sunday when deadline is 5:30 p.m. Friday. Emergency ads and small line ads received after 1:00 p.m. weekdays and until 12 noon Saturday for Sunday may be placed in the "Too Late to Classify" column.

The Statesman-Journal Newspapers reserve the right to reject questionable advertising; it further reserves the right to place all advertising under the proper classification.

The Statesman-Journal Newspapers assume no financial responsibility for errors which may appear in advertisements published in its columns and in cases where this paper is at fault will reprint that part of an advertisement in which the typographical mistake occurs.

A "Blind" Ad—an ad containing a Statesman-Journal Newspapers box number for an address — is for the protection of the advertisers and must therefore be answered by letter. The Statesman-Journal Newspapers are not at liberty to divulge information as to the identity of an advertiser using a "Blind" ad.

THIS NEWSPAPER STRIVES to protect its readers against fraud, deception, or injuries. Readers are cautioned to make NO PAYMENTS to get a position advertised in the help wanted columns. All help wanted ads MUST SPECIFY THE NATURE OF THE WORK. Sales help wanted ads must state if the pay is in the form of salary commissions, guarantee or include firm name. Bona fide offers of employment with pay belong to the "Help Wanted" columns.

Ads in other columns which require investment in stocks, samples, equipment or cash bond should be thoroughly investigated before paying out any money. Advertisers requiring a cash investment for samples or merchandise sales aids, etc., must so specify in their ads.
