East Oregon Battered By Hail, Flash Floods Properly. Related to Moody

A violent summer storm swept across Eastern Oregon Tuesday night, flattening crops with hail, unleashing flash floods that washed out three highways, and killing a man with a lightning bolt. The storm area extended from Klamath Falls northeast through Baker area to the Idaho line. Robert Tally, 28, an Oregon State College pharmacy student from

North Powder, was the man killed. He was working in the summer as a lineman for the California-Pacific Power Co. when a bolt felled him as he approached a pole to repair a power line break at Burns.
