Tony Schultz, south of town, started picking Moday, the first of the three large growers who now have pickers in the field.

The Doug Harris farm on the Pudding River, west of town, was second and Annen Brothers, the largest Mt. Angel grower started Friday. The Annens have 45 acres in beans on the Volna White farm.

Our Valley

By CHARLES IRELAND

Things have really been buzzing this summer at the Amity Church of Christ . . . The other day, the buzzing reached such proportions that hometown bee keeper John Gibbs was summoned . . . Investigating, he found a huge swarm of bees in the wall behind the choir loft . . . Gibbs removed more than Sheridan, who has worked in two buckets of bees, plus a section of honeycomb weighing 200 pounds . . . The church's preacher reportedly is preparing a sermon based on the Biblical passage "Thy words are sweeter than a honeycomb to my mouth."

> Walt Rissell, who farms west of Sublimity, is in the market for a new thermometer . . . Walt had a thermometer hanging on the side of his barn . . . He said it got so hot Thursday after-noon that the mercury hit 120 and then blew right out the top.

One of the many interesting persons at the Aurora Centennial celebration was Jenny Atkins, now 93 years old . . . Mrs. Farmers Telephone Exchange. A Atkins is one of the valley's few remaining pioneers who horse hitched to a light wagon was the means of transportation in making service calls back in the old when she made the tain West. Atkins was 16 years old when she made the tain West. crossed the plains in a covered wagon . . . But she has more than that to tell her grandchildren . . . Mrs. Atkins was 16 years old when she made the trip West . . . She rode in a wagon driv-Many changes have been made during the years he has been employed by the company, which has grown from about 300 phones to nearly 2,000.

en by her brother . . . Friendly Indians were encountered along the way, some of whom could even speak a little English . . . So her brother kidded them by suggesting he would trade his sister to them for some horses . . . The Indians proved to be great "kidders," too . . . Next day they were back with the horses, and it took all the white men in the 25-wagon train to persuade them that the deal was off.
