## **Salem School Board Uneasy Over Future Pupil Numbers**

**County Grand** 

Six persons were indicted Thurs

day by the Marion County Grand

(Story also on Page 1.) A third-week enrollment report and predictions of pupils yet to come gave Salem School Board members little comfort at their regular meeting Thursday night. But they were advised that di-vision between north and south was providing some almost un-believable balances. A report by discrete the source of the first grade enrollment just slightly balances. A report by first grade enrollment just slightly age program, and John Schukart, rien D. Schmidt showed below double the senior class upholstery as instructors in the junior high pupils north totals. But the big problems of adult education program.

the present were in between where new residences in the area south of the city continued to increase sibute Paid elementary enrollment. **Juggling** Seen Some juggling appeared certain before the school year advanced very far for Liberty School, Assist-and Supt. Arthur Myers told the board. One teacher has already been added there since school started and it won't take many more publis to require another he Six persons were indicted T Late Teacher **By** Officials
