DINGY YELLOWED LINGERIE?

Isn't it disheartening to see your silk and synthetic whites turn yellow after just a few washings? But there's a simple solution—White King Soap. No other type of washday product keeps these whites so store-white as White King Soap. So don't take costly chances with an ordinary washday product. Wash all your silk and synthetic things, from the time you buy them, only in White King Soap.
