Holmes Campaigns in Salem, Attacks Gov. Smith's Record Tax Forecast

Gov. Elmo Smith was accused of political immorality" here Thursday night by his Democratic op-

paign purposes. State Sen. Holmes, seeking to unseat Smith from his governor's Mystery Gun ship chair, cited the governor's record on education, civil rights and United Nations as specific examples of what he termed a lack

of political morality in politics. An example of these about face maneuvers, Holmes said, was As A-Artillery brought out in a talk by the governor this week at Eastern College of Education. He quoted Smith as of teacher supply and a need for Army displayed today a mystery candidacy for district attorney Portland Democrat, also a mem deploring the education problems better salaries for teachers,

'Who is this Elmo-come-lately," piece. asked Holmes. Smith's record in

'Smith voted for a four-year college at EOCE in his own part it, called it a "high accuracy" of the state," Holmes stated, but weapon and said it is completely voted against making Portland immune to any known method of Annual Voice State a four-year college where it diverting the missile from its flight was needed the most.
