WE RECOMMEND

THIS NEW BUILDER'S home to you. A little added finesse, a little imagination, a little more care is going into this $13,950 home. For example, there is a nice little curvy walk to the driveway, a wide overhang and smart roof line. It's a gable roof, with a family room with its own fireplace. We haven't seen his finished product, but knowing his background, we can tell you it will be THE BEST. Better see it now, it's a dandy location, and be ready when it's a little farther along.
