British Troops Called Into Action

HONG KONG, Thursday, Oct. 11 db - British troops were or-

dered into action today as mobs of screaming Chinese went on new rampages in the Kowloon mainland section of this British crown colony

Acting Gov. E. B. David called out the troops after police failed to end a wave of violence which began yesterday and continued intermittently through the night.

The resumption of violence came after a six-hour lull. For 22 hours yesterday and overnight roving Chinese mobs

staged the greatest outbreak here in a generation. Damage from mob burning and looting was being reckoned

in millions of dollars. The first long surges of violence by up to 50,000 Chinese ended in comparative calm about dawn. By noon the Sham Sui Po area of Kowloon was
