SILVERTON, Oct. 10 - Because of the rapid expansion of the Valley Telephone Company, Silverton stockholders have authorized capitalization sufficient to sell \$225,000 of stock for "growth purposes," Lowell Brown, president-manager of the company reported Wednesday.

"We were capitalized only for \$450,000 and have \$256,220 out-standing." Brown explained, as Abiqua area. he added that the new block of At present there are 2,000 pastock will be on the market in trons at Silverton, 200 at Turner another 60 to 90 days.

and 120 at Mill City, all in the Valley Telephone. Stockholders Expansion is planned primarily for Turner, where the Silverton number 152, Brown said.

### **Albany Cuts** School Cost \$17 Per Pupil

Statesman News Service

ganized Oct. 2 at the high school, ALBANY, Oct. 10-Albany Elementary School District reduced the cost of educating each of its evenings, the other on the Tuesday pupils by \$17 during the past year. it was announced loday by school authorities.

Schoolboard Chairman Platt Davis said the credit should ro to Supt. Arthur E. Palmer who strict economy within the district.' avoid the holiday period.

Cost per pupil during the last school year was reported as \$354 compared to \$371 in 1954-55.

announced today that it has reduced its deficit by more than \$95,000 during the past year. The deficit, which came to light several years ago, now has been cut to \$86,876, the district re-

"The way to get LOWER TAXES"

The only way to get lower taxes for the people of Oregon and the nation is to cut the cost of operation of evernment. This is being done now In 1954 under the Eisenhower administration taxes were cut \$7,400,-000,000-and 62% of that cut went to Individuals. Doug McKay cut over 15 million dollars in the Interior Department alone. DOUG McKAY will continue his
