# Gold Cache Found

**Lucky Find** PHILADELPHIA, Oct. 26—Junk Collector Julius Bracey, 35, looks over \$5,542.50 in gold pieces which he found when he broke open a section of pipe which he was collecting for sale as junk. The coins, in \$20, \$10, \$5 and \$2.50 gold coins, were stuffed inside of pipe in homemade tin-can buckets and wadded in place with a copy of New York Times dated March 25, 1939. Police said Bracey would be permitted to keep coins or sell them to coin collectors—no longer legal tender—if owner can not be determined. (AP Wirephoto.)

**In Trouble** NILES, Mich., Oct. 26—Peggy, a young beagle, takes inquiring sniff of groundhog it found in picnic grounds near Niles. The hapless woodchuck had jammed head into stray hash can and there he was—stuck. The dog's owner, James Shelton, a farmer, put on some gloves as a guard against woodchuck teeth and freed the animal. **Rain Forecast** Rain is expected Saturday along middle Atlantic coast, interior New York and Pennsylvania, Florida, upper Michigan and in northwest Pacific states. Snow is due in northern Plains and Rockies. It will be fair elsewhere with warmer weather from Oklahoma northeast to mid-West; cooler weather in upper Ohio Valley and most of western two-thirds of U.S. (AP Wirephoto Map.)

**WRONG PARTY**  
 CHEYENNE, Wyo. (AP)—Asked to move a pushcart load of files to Room 214 of the Majestic building for use by the Wyoming state Republican central committee, a Cheyenne hotel busboy got mixed up. He took the files to Room 214 of the Hynds building—just across the street. That room is occupied by a former Laramie county Democratic chairman.
