

Ed Machen In Week's Top Battle

By JACK HAND
The Associated Press

Following in the wake of the Archie Moore-Floyd Patterson heavyweight title match, the big men dominate the week's boxing program with Eddie Machen, unbeaten Redding, Calif., prospect, making his first eastern start.

Machen, unbeaten in 18 pro fights with 14 knockouts, is matched with Johnny Summerlin of Detroit in a 10-rounder at the Syracuse, N.Y., War Memorial Auditorium on the Wednesday television series. The 34-year-old Californian has impressed many fans as the best bet for the future among the contenders.

Man Last Victim
In his last start, Oct. 24, Machen knocked out Johnny Hoffman, his seventh straight in 1958. Among his victims this year were Nino Valdes and Julio Mederos, each twice. Summerlin, 34, dropped his last two to Bob Satterfield and Harold Carter after beating Carter in May.

Wayne Bethea, a New York heavyweight who is elbowing into the top ratings, takes on Zora Foley of Phoenix in the Monday show at St. Nicholas Arena in New York. Bethea has won his last seven while Foley upset Valdes in his home town, Sept. 23.

Tony Anthony of New York and Gordon Wallace of Toronto are paired in a 10-round light heavyweight match Friday at Madison Square Garden, Wallace is the British Empire light heavy king and Anthony is a fast-rising young prospect.

Oregon State won its second straight, edging Wyoming 68-64.
West Virginia, Southern Conference title defender, got away to a flying start over VMI 71-47. North Carolina warmed up by a 70-57 victory over Wake Forest in the Atlantic Coast Conference chase by downing the semipro McCary Eagles 94-10.

In games involving Big 10 teams Minnesota squeaked by Vanderbilt 68-63, Purdue edged Evansville 75-68, Michigan trounced Detroit 79-68. Northwestern routed Western Michigan 94-68, and Ohio State trounced Butler 95-82. But darkhorse contender Michigan State bowed to Iowa State 69-53 and Wisconsin 60-52.

Oklahoma's football magic failed to extend to the basketball court and Arkansas whipped the Somers 64-53. UCLA registered its second victory in as many slugs over Nevada, this time by 78-69.

In the far west, Brigham Young dumped highly rated Washington 75-68, promising Seattle trounced Utah State 66-52 and Idaho rode by Montana 79-55.

Idaho Vandals Spill Montana Club, 72-56
MISSOULA, Mont., Dec. 1 (U)—Idaho's better shooting and ball handling tonight brought the Vandals a 72-56 basketball victory over Montana in the season's opener for both schools.

The Vandals hit 67 per cent of their shots in the first half to take a 28-25 lead over the Grizzlies.

Gary Simmons, smallest Vandal on the floor, sank six field goals and four free throws for 22 points. He got good support from Jim Brannaman and Bill Wilson, who added a total of 22 points.

One other change which seems to be working well is the cutting down on the duck calling. Normally it is best to keep calling until the ducks are ready to let down. However, there seems to be no set rule on this and of late just the opposite seems to hold. We are inclined to believe that the dead, clear air which is a bit colder than normal helps to carry an echo off the water which is alarming to the birds rather than enticing.

Texas Christian was awarded the Southwest Conference berth last week, but Syracuse which lost to Pittsburgh during the regular season, had to await the outcome of this week's Army-Navy game.

Syracuse ended its season two weeks ago. Navy was given top consideration for the visitors slot, but an invite was turned down after the Middies had fought back to tie Army 7-7.

The Gator Bowl will be a replay of last year's Sugar game in which Georgia Tech defeated Pitt's Panther, 7-0. It marks the sixth consecutive bowl for the Yellowjackets.

Bruins Triumph Over Cornhuskers 78 to 60

LOS ANGELES, Dec. 1 (U)—The UCLA Bruins hit the Nebraska Cornhuskers with an impressive 78-60 victory tonight in the last game of a two-game intercollegiate series.

The Bruins followed up their 66-36 victory of last night with a lead they grabbed in the first minutes of play and held for the route.

Even Don Smith's 18 points in the final 15 minutes couldn't pull the visitors out of the hole.

NAT DUMP KNICKS
SYRACUSE, N. Y., Dec. 1 (U)—The Syracuse Nationals grabbed an eight-point lead with an 11-point spree in the second period and raced on to a slump-stopping 110-100 victory over the New York Knickerbockers tonight.

Weekend College Games
The weekend collegiate picture looks like this:

Texas, Portland U., Oregon and Oregon State get together at Corvallis Friday night and at Eugene Saturday for doubleheaders. Olympic is at Linfield Friday night, Central Washington is at Lewis & Clark, Pacific at College of Puget Sound, Whitman at Gonzaga, OCE at Seattle Pacific, Eastern Oregon at Nevada, Arizona State at California, Wyoming at Southern Cal, Montana State at Idaho, Washington at Oklahoma A&M and Montana at Washington State.

On Saturday, Willamette opens up with Central Washington here today.

JACKSONVILLE, Fla., Dec. 3 (U)—Frank Shaughnessy was re-elected president of the International League for the next two years and Jack Kent Cooke, owner of the Toronto club, was named vice president during the annual meeting of the Triple A League today.

Olympic Track Team Slates 'Duel' Meet

MELBOURNE, Dec. 2 (U)—The United States track and field team, perhaps the greatest aggregation of runners and jumpers and throwers of heavy objects ever assembled, makes a final joint effort Wednesday in a meet against the British Commonwealth of Nations at Sydney.

America's mens team, which won 15 gold medals—the greatest number ever collected by one team in the Olympics—will return to the United States after the meet and disband.

Against the British Commonwealth team, the Americans will be facing combined efforts of selected athletes from Great Britain, Australia, New Zealand, India, South Africa, Pakistan, Jamaica, Trinidad, Nigeria, Kenya, and Singapore.

Eighteenth Enjoyed
Most of the American track and field men fled from the Olympic village for sightseeing in Melbourne after the long grind of training and competition.

Geoff Dyson, coach of the British track team, today called the American outfit "the mightiest team I have ever seen."

American coach Jim Kelly, supremely happy, was receiving his admiratives. He just said today, "I'm very happy. I couldn't be more satisfied."

Open to Criticism
Kelly obviously took some personal pride in the accomplishments. He said, "If they hadn't done all that they did, I was not up to be a real patsey." He was referring to criticism made after a practice meet held in Berkeley, Calif., just before the American team left for Australia. The Berkeley performances were far from sensational and some held that the U. S. selections had been made too early and that it would be impossible to get them in shape for the games in November.

In Sydney, the Americans will meet the British Commonwealth nations in 22 events. Four of these will be for women.

Vois. Sooners Among 17 Undefeated Teams
By THE ASSOCIATED PRESS
Seventeen teams, including Sugar Bowl bound Tennessee and top-ranked Oklahoma, finished the 1958 college football season with undefeated records.

The Volunteers, who will meet Baylor in New Orleans New Year's day, whipped Vanderbilt 27-7 Saturday for its 10th straight while Oklahoma also picked up its 10th triumph of the year and 40th in a row, 53-0 over Oklahoma A&M.

PCC Asks More Help To Athletes

(Cont. from preceding page) all were in the form of recommendations to the faculty representatives who take official action for the conference. The presidents asked a joint special meeting with these representatives to discuss their proposals.

This meeting can be expected about Jan. 1 to coincide with the Rose Bowl game. The present recommendations, now in session at Beverly Hills, is not expected to take action on the proposals.

Proposals Listed
Recommendations of the President Council included:

1. Easing of the round robin football schedule to require each member institution to play at least five conference games each season instead of the present seven. This probably could not take effect until 1960 due to present commitments.

2. An aid to athletes program providing assistance on a basis of need. During the season in which he participates, an athlete would be required to work a minimum of four hours a week.

3. An athlete should have a virtual "C" average and not be on academic probation.

4. Conference procedures be changed so that penalties or sanctions for institutional violations, as distinct from individual violations, not become effective until after reference to and approval by the Council of Presidents.

5. Individual institutions keep financial and academic records on athletes and make them available, on a confidential basis, to other conference schools upon request.

6. The role of the commissioner be examined in the light of such report requirements.

Dr. Sprout said the abolition of the commissioner's office was not discussed. He added, however, that the presidents were requesting a greater degree of responsibility by the individual institutions.

Giants Rap Skins 28-14

(Continued from preceding page) running of Frank Gifford and the passing of Chuck Conery spelled the end of Washington's five-game winning streak. Gifford scored three touchdowns and threw a 29-yard touchdown pass to Ken Macafee for New York's first score.

Rate's pivotal touchdown was his third of the game and came shortly after the Cardinals had taken the lead on a 60-yard scoring drive. The Cards took a 14-3 halftime lead but Green Bay put over two touchdowns in the third period with a big boost from Rate's aerials.

Len Green's 37-yard field goal with 22 seconds left gave Cleveland its triumph over the Eagles. The rough contest picked up where a post-game fight between the teams left off two weeks ago. Philadelphia's quarterback Bobby Thomson suffered a broken nose on the last play of the first period yesterday and the officials had to break up several player scuffles.

Billy Wilson capped a 77-yard touchdown play in the final quarter for San Francisco's third victory in 10 games. Baltimore held a 17-14 lead when Wilson took a 17-yard pass from Y. A. Tittle on the dead run, sprinted to midfield and without breaking stride raced into the end zone.

The Steelers trailed the Rams 6-0 after one quarter but shot in front 10-4 at the half on Jack Scarbath's TD pass to Eddie Nickel and Sid Watson's 19-yard field goal. Los Angeles again took a brief lead in the third period but Pittsburgh then took over, picking up a third period score and two more in the final session.

Yanks Lead In Diving
(Cont. from preceding page) and Hoyle, Miss Cone and Miss Murphy qualified for the United States but Miss Marchionni didn't qualify. The other qualifiers were Miss Barber of Canada, Miss Schmidt of Germany and Miss Beckett of Australia.

Cycling, gymnastics, yachting and Greco Roman wrestling also were on the program and the United States did surprisingly well in all of these but gymnastics.

Jack Disney, U.S. national champion from Pasadena, Calif., easily won his heat in the 1,000 meter spring cycling race and qualified for the quarter-finals.

The American 8.5 meter yacht, Bush IV, sailed by Ferdinand Schoettle of Philadelphia, won the fifth race of the seven in this class and Eugene Walet Jr., of New Orleans sailed Spirit III to third place in today's dragon class race.

Yank Grapples Wins
Flyweight wrestler Johnny Wilson of Washington, Pa., won his first match in Greco Roman wrestling—a style unfamiliar to most American grapplers—but featherweight Alan Rice of New York was beaten.
