**Burns Kill Coconut Grove Fire Survivor**

BOSTON, Dec. 20 (AP)—Clifford Johnson, 34, the most terribly burned survivor of the Coconut Grove nightclub fire that took 492 lives in 1942, was burned to death yesterday at Jefferson City, Mo., when his truck crashed into a ditch and caught fire.

Nearly 60 per cent of his skin surface was burned in the night spot holocaust and 45 per cent of the body had third degree burns. Doctors said no person before him had ever survived more than 20 per cent third degree burns.

After 24 operations, including 18 skin graftings, intravenous feeding for more than a year and more than 100 blood transfusions, he walked out of Boston City Hospital 3 years, 7 months and 19 days after the fire.

He fell in love with, and married, his nurse, the former Marion A. Donovan.

His case history filled five volumes. Doctors said knowledge gained in treating his case has aided thousands of other persons.

**Artists Boycott Reds**

BUDAPEST, Dec. 20 (AP)—Members of a Hungarian army folk-song and dance ensemble who recently returned home from Red China via Moscow told friends that they had refused to perform in the Soviet capital because of the Russian army attack on Hungary.
