

Furgol Snares Caliente Open Playoff Match

By BOB MYERS

TIJUANA, Mexico, Jan. 20 (AP) — Big Ed Furgol, a killer in sudden-death playoff play, knocked off tall Al Besselink on the second hole of a dramatic 18-hole duel late today to capture the \$15,000 Caliente Open golf tournament.

The former United States Open Champion and Besselink had fought each other to a standstill for the last seven holes of the regular 72-hole round and wound up all even at 280.

Cal, UCLA Still Lead PCC Chase

Washington State	1	4.2000	309	367
Idaho	1	4.1430	420	430

By The Associated Press

Until Friday, at least, California's Golden Bears will continue to lead the Pacific Coast Conference basketball race, chiefly because they don't play their next conference game until then against Stanford.

California and UCLA remain the only undefeated teams, but the Bears have one more victory than the Bruins.

Washington split two games with Stanford last week, Stanford won Friday, 70-63, and Washington Saturday, 68-64. The Huskies had a hard time winning. They led at the half, 33-31, but late in the game Stanford was on top, 62-58.

Oregon Divides Pair

Oregon and Idaho divided a pair, Idaho won Friday, 64-46, and Oregon Saturday, 50-48. Oregon got (Continued page 9, col. 2)

OSC Wins Swim Meet

PORTLAND, Jan. 20 (AP) — An Oregon State College team overpowered all opposition to take the men's championship in the Oregon AAU indoor swimming championships which ended here today.

The OSC squad rolled up a total of 197 points in the two-day meet.

Multnomah Club of Portland, as expected, dominated the women's division with a total of 286 points.

Aero Club of Portland was second in the men's division with 96 points. Then came Multnomah Athletic Club, 60, and Oregon State College Rooks, 27.

Columbia Athletic Club, Portland, was second in the women's competition with 11, followed by Northeast Y, Portland, 6.

A number of meet records were topped at the meet.

BOWLING! Hits & Bits

By Bob Schwartz

Another try at the headpin and we'll see if we can come up with a strike of two in this week's column. Last week saw a lot of action in the trundling houses and a lot of new names and faces were made known to this rotund writer.

HITS — The big hit this last week was the 701 series rolled by Ellsworth Hartwell. Rolling in the Mixed Foursome League at the Capitol, "Pinky" had games of 215-235-231 to give him the season's top mark. The same night he bowled in the Major League and had games of 228-191-235 for 654.

Quite a night. He was only second in the Major League as Chet Boyce had 664 on games of 203-267-214. Chet, who's been mighty torrid the last few weeks, had 218-192-259 for a 660 series in the Mixed Foursomes.

Walt Hart banged out a 233 in the State House League at Cherry City this past week. Since he's a 140 average roller, that's not bad.

Was told he couldn't get his hat on afterwards. In the same league, Tom Stacer of the Legal Eagles had a triplicate series of 163-163-163. Must've been in a rut.

The Highway Right of Way team is running away with the State House League. Out of a possible 36 points, they have 33. Must have the right of way on the lanes too.

The girls had a pretty fair week as Phyllis Curry had a 233 game and 578 series to help her team, Chuck's Steak House, capture a new team series high of 2802 in the Ladies Classic at the Cherry Bowl. Alice Loken had an even 200 for her first in league play. Helen Glott had 212 in the Mixed Foursome at the Capitol Lanes. Wonder what happened as the Merchants No. 1 at the Cherry Bowl ended and Shryock's Mens came from behind to take the win. Pink Elephant finished second after leading by a game, but lost four the last night to the Mens Wear group.

BITS — Harry Haugen had 10 big splits last week in the Major, but five were in the last game. Another with 10 was Joe Parish in the Red Crown League.

Kid Bowlers Getting Big Scores

Some of the fems in the Monday night Major League at the Cherry Bowl have accused us of slighting them. This is my apology, but would like a little help from the gals themselves for the info. Just turn it in to the desk, we'll print it.

The juniors will bear watching as some of them make it kind of rough on their elders sometimes. Young John Lucas had a 206 while rolling in the Stayton Junior League at the U-Bowl. Jim Lebold took down the honors in the sweater following the state play Saturday and the last couple of weeks it's been Arvie Whitman in the same sweaters. Money mad, these gals.

The old steady Millard Pekar rolled the first ball in the 1957 state tourney, but this wasn't the first time. In 1935, the first year of the class, he also rolled the first ball. He's still going strong as he had a 225 game in league last week.

Lots of kids at the Statesman-Cherry City Bowl clinic. Last Monday we even had one that was just four weeks old. The women are also in good hands as Dick Phlips and Bob Ryan are showing (Cont. page 9, col. 1)

Kiddies Have Fun at Hostess House Too

Women who are participating in The Statesman Hostess House all-free bowling clinic at Cherry City Bowl find the baby-sitting problem well in hand. Mrs. Sam Ramp (center-rear) and Mrs. Bert Osborne (rear-right) watch over this group of tots in the Bowl's special nursery as their moms learn how to bowl in the spacious room next door. The second of the three-week clinic starts today, at 10 a.m.

Portlanders Top Bowling Record

By BOB SCHWARTZ Statesman Sports Writer

The third week of the Oregon State Bowling Tournament came to a close last night with a flurry of action for positions. One new all-time record was rung up in the class "D" doubles as the Portland duo of Lyle Brothers and Rich Dennis knocked over 1,118 pins for the new mark.

In class "A" singles Charles Huston of Albany is still the pace setter with 641. Hal Weeks of Portland took over sixth with 611 and eight spot was captured by C. F. Preece of Grants Pass with 606. A 603 series gives Tom Lomon of Portland, tenth place.

An Astoria kegger, Marvin Taylor, grabbed top spot in "B" class with 634. Gordon Schultz of Medford gained a tie for sixth with 598 and Harry Marquardt of Portland took over tenth with 594. The only change in class "C" was eighth with 571 by Lavern Hess of Cottage Grove.

Class D Shakeup — Class "D" had a real shaking up. First spot was taken down by Alvin Billsborough of Prineville with 583 and third by Dean Rich of Portland with 570. A Delake bowler, Gus Adams, clutched fourth with 563 and a Cottage Grover, Palmer Johnson, fifth with 556. Ted Courson from Portland, tied for sixth with 553 and ninth and tenth was a tie with 546 by Harry Mathis of Grants Pass and Herman Harms of Prineville.

In doubles play, class "A" leadership was booked by Frank Cass-Del Allen of Portland with 1150 and another Portland duo, Hal Weeks-Cliff Sellin, had second place with 1135. Tenth spot was gained by Elmer Fitzlaff-Ervin Clohes of Hillsboro with 1083. The only class "B" doubles change was in the top spot as Angelo Conti and Ugo Mazzer came up from Klamath Falls to roll 1158.

Class "C" also had a new top pair as the Hood River boys, Koe Nishimoto and Robert Adams rolled 1175. Eighth spots was also changed by the Klamath Falls air of Andy Anderson-Ed Murphy with 1065.

J's Still in Lead — Again it was the "D" class that had the most changes. The new record set by Brothers and Dennison of 1118 was tops while second was a tie between Ted Courson-Ron Bradshaw of Portland and Leroy Smith-Avin Bilborough of Prineville with 1074. Bob Rohde and Frank Kline of Grants Pass were fifth with 1054 and seventh place belonged to an Astoria duo, Marvin Hille-Frank Schaub, with 1039. Cottage Grove had tenth as Dave Garman and Hadley Arthur rolled 1026.

In the team events, class "A" is still being led by J's Drive In of Salem with 2782. Alter's Shell Service of Hillsboro is still pacing class "B." Saturday's last squad saw the Veterans of Foreign Wars from Hood River take over the class "C" lead with 2571. In class "D" the lead changed twice with the top finally going to Hudspeth Pines, a Prineville team, with 2515. Second spot is being held down by the Outlaws of Cottage Grove with 2464.

State action resumes on Friday night with singles and doubles followed by team play. Saturday the play starts at noon and Sunday at 8 a.m. Next weekend's action will mark the halfway point in the eight-week event. At the present time scorekeepers are at a premium. Anyone wishing to keep score on any of the next five weekends may contact Jay or Ardath Gould or leave word at the Cherry City Bowl.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids in case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in a suppository or ointment form under the name Preparation H.* At your druggist. Money back guarantee.

Upsets Show Defense Used

By MURRAY ROSE

Just in case you believe there's no such thing as defense in basketball any more, take a look at what Iowa State and Don Medsker are doing out in Big Seven Conference territory.

The Cyclones and the 6-8 Medsker made big basketball news last Monday night by throttling Kansas and Wilt Chamberlain, 39-

37. Medsker and Co. proved the value of defense again Saturday night by whipping Oklahoma 74-54.

Medsker, who held the 7-foot Chamberlain to 17 points, put the pressure on Oklahoma's Joe King, holding the conference's leading scorer to a measly eight points. King scored five more points on Medsker's replacement, John Kro-

chski. The two wins made it three straight for the ninth-rated Cyclones who appear headed for a promotion in the next Associated Press rankings. Iowa State now has an 11-2 record overall and 2-1 in the conference for a tie with Nebraska, but a bit behind Kansas (3-1).

Kansas' first loss of the year figures to cause more shufflings in the rankings. Second ranked North Carolina was idle after beating N.C. State 63-57 Tuesday and now is the only ranking team with a perfect record (15-0).

Only seven of the top 20 teams saw action in the limited program Saturday night. Kentucky (4), Louisville (5), Iowa State (9), Van-

North Salem's Vikings play their return match with the Dallas Dragons at Dallas Tuesday night, and Sweet Home is at Lebanon for the lone District B A-1 clash of the evening.

Two Tuesday collegiate outings find Washington State at Idaho for their return Coast Conference fray, and Oregon Tech at Southern Oregon in an Oregon Collegiate Conference mix.

The Salem City League operates both Wednesday and Thursday nights at Leslie Junior High, starting at seven o'clock.

The overall action picks up considerably Friday in the prep class, like this:

District B A-1—Sweet Home at North Salem, Albany at South Salem and Lebanon at Corvallis.

(Continued page 9, col. 6)

Chiefs Nip Bulldogs 77 to 76

By AL LIGHTNER Statesman Sports Editor

Even though both the District B A-1 and Capital Conference squads will for the most part be idle Tuesday night, members of the Yam-

waha, Marion County B and Willamette Valley Leagues will again be up 'n 'em in more basketball games.

Dayton is at Salem Academy, Sheridan at Philomath, Sherwood at Banks and Yamhill at Amity in the Yamawa round, and Sandy is at Canby and Molalla at Estacada in the WVL. A trio of Minor Division games in the Marion B whirl find Oregon School for the Deaf at McLaren, St. Paul at Chemawa and Perrydale at Falls City. Sublimity is at Colton and Jefferson at Scio in the Major Division.

Morris Plans Another Year

By DON HARGER

Weather still hampers the steelhead as well as the steelhead angler. Most streams report low water temperatures and un-cooperative fish. Some streams even report low water with not enough to cover a "job" of salmon eggs.

Last season saw too much water for good fishing and the current season has given us too little water for most of the season to date. None of us can do anything about the weather but we can still take advantage of it.

With steelheading rated poor and the travel to and from the coast rated worse than poor, we can do much in our spare Sunday time to get prepared for the coming trout season which is scheduled to get under way late in April.

Those of us who may enjoy tying our own trout flies can take the winter hours to fill our fly boxes with our favorite patterns. We can fashion our tapered fly leaders to our designs. In fact there are many things to do in preparation for the trout fishing months to come.

Huskies Top PCC Scorers

The University of Washington's 10-inch hookshooting whiz Bruno Boie is now out in front of the individual scoring race with 118 points, for a 19.7 average. And in second place, with 107 points and a 17.8 average is teammate Doug Smart.

California's Larry Friend is third with 95, and then in order are Bill Bond, Stanford, 86; Larry Beck, WSC, 82; Danny Rogers, USC, 78; Dave Gambee, Oregon State, 76; Paul Neumann, Stanford, 68; Earl Robinson, California, 60; and Gary McEwan, Idaho, 58.

Now Is Time to Repair Those Rods

Some of us own and enjoy bamboo fly rods or spinning rods. They may need an overhaul job. Chances are that many of the rods, bamboo as well as glass, will need new guides and many will need a complete new refinishing job. Now is the time to do it yourself or have it done for you.

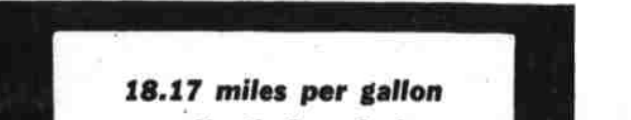

To refinish your own rod you need a minimum of material and very little time. A small amount of varnish remover is needed to remove the old wrappings and guides. Some double "00" steel wool will smooth down the rod without injuring the outer layer of the bamboo.

Check all of the line guides and replace with new ones where needed. Replace the guides for re-wrapping by fastening one "leg" of the guide to the rod with Scotch tape. Choose your desired color of wrapping thread and go to work. Use a couple of coats of color preserver to be certain that the wrappings will not change color with the application of varnish. When it comes time for the varnish job be certain to do it in a room with a temperature around 70 degrees.

Varnish goes on best with just your finger top being used for a (Cont. page 9, col. 3)

18.17 miles per gallon on North America's toughest truck run!

That's the gas mileage reported by the Cameo Carrier after covering the entire length of the Alcan Highway in less than 45 hours! All six new Task-Force trucks that made the run turned in top scores for performance and economy!

Supervised and certified by the AAA.

New Task-Force 57 Chevrolet Trucks

Six heavily loaded Chevy trucks ran all the way up the rugged Alcan Highway in less than 45 hours! That's cutting more than a full day off the normal running time! They ran right around the clock, stopping only to refuel.

But the important fact about this run was that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to

prove their power up high-climbing grades and through washouts. Frames and suspensions flexed their muscles over axle-deep ruts and miles of pounding gravel. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its ironclad ability to stay on the job! Stop by; we'll talk about it.

Proved on the Alcan Highway Champs of every weight class!
