# Lions, Truax, Jay's Win B Loop Games

## Young Mike Mills Tosses No-Hitter

Salem's Downtown Lions Truax Oil, Jay's Drive-In and Rotary Club won Junior B League baseball games yesterday in the city.

The Lions dumped Master Services Stations, 7-4. Truax spilled Four Corners, 14-0. Jay's spanked Vista Market, 11-2, behind the no-hit hurling of Mike Mills, and Rotary won by forfeit over Berg's when the latter team didn't show up for the contest.

The Lions jumped off to a four-run first inning lead over Master on two hits and the wild slants of Ned Darling, who in the course of the game walked seven and hit two. Pat Loy led the winners attack with a 3-for-2 day, both singles. Darling led his team at the plate with a pair of singles.

Dan Bevens and Jim Gettis combined for Truax to set down Four Corners with one hit, that yielded by Bevens who later gave way to Gettis. Stan Nelson got the loser's only bingle.

Big stick for Truax was Larry Redinger with two doubles. He also scored three times.

Mills struck out 11 and walked five in hurling his no-hitter for Jay's over Vista. Don Waller, Doug McCormack and Dick Hill each cracked a double for the winners.

# Rosburg in Golf Lead

## Touch on Greens Paces Flint Open

FLINT, Mich., June 20 (AP)—Bob Rosburg's deadly delicate touch around the greens vaulted him in to the first-round lead of the $37,000 Flint Open golf tournament today with a six-under par 65.

The 30-year-old California professional described his putting and chipping as "miraculous — just plain phenomenal" as he captured a two-stroke lead over the 6,825-yard layout at the Flint Golf Club.

Four others—Akron Open winner Arnold Palmer, Johnny Pott of Shreveport, La., along with Canadians Stan Leonard and Al Balding—were bunched in a tie for second place. Each had a 67.

**All Stroke Behind**

Another stroke behind with 68s were Gardner Dickinson, Jr., long hitting George Bayer, Mike Fetchick, Jimmy Clark, Doug Sanders and Bob Keller.

Rosburg collected seven birdies, touring the front nine in 33 strokes and the back nine in 32. The chunky San Franciscan got a birdie-three on the 335-yard No. 15 hole and at that point was seven under par. He just missed another birdie on No. 16 when his 25-footer rimmed the cup.

Rosburg was over par only on No. 17 when he misread the green and missed a putt from five feet.

**Sub-par Performances**

In all nearly 30 players turned in sub-par performances for the 36-35—71 tour in the first round of the four-day, 72-hole medal play test that offers $5,700 in first prize money.

Rosburg needed only 22 putts in his first round.

It was simply miraculous—just plain phenomenal. I've been putting terribly for the last couple of months, but I couldn't do anything wrong today.

Rosburg, whose only victory this year came in the non-PGA Mexican Open in March, started with a birdie on No. 1 when he sank a 15-foot putt. He holed a 70-foot chip shot for a birdie two on the next hole.

# Ems Pound Bears, 11-2

YAKIMA, June 20 (AP)—Eugene piled up the hits and Yakima the errors while Berlyn Hodges was pitching a two hitter tonight for an 11-2 win by the Emeralds over the home towners in a Northwest League baseball game.

Eugene collected 16 hits, only two for extra bases, but five Bear bobbies helped run up the score with five unearned runs.

Eugene was not exactly sharp in the field, either, committing three errors which led to both Yakima's unearned runs.

Don Orwiler, charged with the loss, was relieved in the five-run seventh inning by Lucio Celis who put out the fire—too late.

# Cards Top N.L. Race

(Continued from page 29)

Orioles scored two in the first and two in the second off rookie Bill Fischer. Singles by Bob Boyd, Al Pilarcik and Jim Busby counted the first-inning runs.

A triple by Gail Harris and a sacrifice fly by Johnny Antonelli off reliever Taylor Phillips did it for the sixth-place Giants, who have won seven of their last nine. Antonelli, winning his fourth in relief, Danny O'Connell and Bobby Thomson — all ex-Braves — each drove in a run while Milwaukee out-hit New York 14-12 but left 14 runners stranded.

The Cardinals bagged it with three runs in the third off ex-mate Luis Arroyo as 40-year-old Murry Dickson won his fourth, allowing only four hits before he tired and gave way to reliever Lloyd Merritt following Bill Virdon's solo home run in the eighth. The Birds, scoring their first three on RBI singles by Al Dark and Ken Boyer and a doubleplay, added two in the fifth on a walk and two errors, then iced it with two more in the sixth.

**Musial Extends Streak**

Stan Musial, who brought home a Card run with a fly ball, extended his hitting streak to 20 games.

The Redlegs, hitless for three innings against Roger Craig, jammed five runs across in the fourth, capped by Wally Post's grand-slam home run. Gus Bell has opened the frame with a homer. Brooks Lawrence won his sixth with an eight-hitter, giving up a home run to Duke Snider in the first inning.

Gran Hamner smacked a bases-loaded triple in a four-run sixth-inning that iced it for the Phils. Southpaw Harsey Haddix, who drove in two runs, won his fifth, striking out seven and walking but one in a seven-hitter. Ernie Banks hit his 13th home run, his third in two days, for the Cubs.

**Sisler Adds 6th Win**

Bill Klaus, Jackie Jensen and Sammy White each drove in two runs for the Red Sox as Dave Sisler, with relief help, gained his sixth victory in seven lifetime decisions against the Indians. Sisler, returning from a two-week bout with the grippe, now is 5-3 for the season. Early Wynn lost his eighth.

The Senators came from behind with five runs in the seventh with Art Schult hitting a two-run pinch double and Pete Runnells lining a single for two. Pete Ramos won his fifth, with relief help, after falling behind 4-3 on loser Maury McDermott's home run—the 18th off Ramos in the last 49 innings. The young righthander leads the majors with 23 gopher balls.

# Coe Nears Links Title

## Trans-Mississippi Meet Sees Upsets

DALLAS, Tex., June 20 (AP)—Charley Coe stayed on the trail to his second straight Trans-Mississippi Golf championship and fellow Walker Cupper Rex Baxter also won, but the tournament medalist tumbled in a mild wave of upsets today.

Coe shot 1-over-par 72 in taking out Frank Redman of El Paso, 2 up. Baxter the University of Houston star, beat his fellow townsman from Amarillo, Tex., John Farquhar, 3 and 2.

Jack Moore, talkative Oklahoma University sophomore who was the tournament medalist with a 68 and sailed through the first round yesterday was eliminated by 38-year old Bob Willits of Kansas City, a veteran of the Trans-Mississippi, 1 up on 19 holes.

There was a lot of youth represented by eight collegians among the 16 players who emerged from today's battling, including two boys just out of high school — Rocky Thompson of Wichita Falls, Tex., and Buzz Carvin, who finished at Cherry Hills High School of Denver this year.

Coe runs into one of the enthusiastic youngsters in the third round tomorrow when he meets Jim Hiskey, also a University of Houston star, who had a 3-under-par 69 today in erasing Herb Durham, Dallas, 2 and 1.

Thompson whipped Fred L. Cone Jr. of Wichita Falls 4 and 3 while Garvin won over Walter Emery of Tulsa by the same margin.

# Kolb Gains Golf Finals

PORTLAND, June 20 (AP)—Bill Lovett of Portland and Jerry Mowlds of Vancouver, Wash., today gained the finals of the Oregon Junior Golf Tournament at the Riverside Golf Club here.

In the division for boys 12 to 16, defending champion David Munro, Portland, won a finals berth by defeating medalist Doug Ragan, Oswego, 3 and 2. The other finalist is Ivan Yturri, Ontario, who downed Daril Winn, Eugene, 2 and 1.

June Robinson from Tillamook and Joy Rubenstein, Eugene, are the finalists in the girls division. Miss Robinson, 16, beat Pam Stacey, Medford, 8 and 4, and Miss Rubenstein, 15, defeated Marcia Lessing, Portland, 7 and 5.

Championship matches in all divisions will be played tomorrow.

In the sixth flight of the boys' division, Mike Kolb, Salem, defeated Dick Hopper, Portland, 4 and 3. Kolb will meet Eddie Marges, Albany, in tomorrow's final for this flight.

# Drivers Aim at Track Record Saturday Night

If any of the midget auto racing drivers are up to herding their mounts around the Hollywood Bowl oval in less than 13.85 seconds Saturday night in the time trials, they'll pack up a crisp $100 bill from Valley Sports promoter Ron Ail.

Ail told yesterday he will "give any driver a $100 bill Saturday night if he can top the local track record in the time trials."

The track record of 13.85 has been standing since 1948 when "Barefoot Bob" Gregg sipped around the quarter-mile oval in that time. Others have come very close to it, but none ever topped it.

With such a handsome award awaiting he who accomplishes it, all entries in Saturday night's first midget program of the local season can be expected to take their best shots at the record.

**GREGG FLYING IN**

**Bob Gregg, for many years a top midget race driver in the Northwest and more recently a top-notcher in the Eastern circuits, will be flown in for Saturday night's Hollywood Bowl card. It was announced last night by Ron Ail, Valley Sports promoter. Gregg holds the local track record and will drive Bill Ryde's "hot" 97 car here Saturday. Ail is footing the bill for Gregg's special visit and the driving star will return to the East Sunday.**

**Trials Start at 7:30**

Over 20 of the mighty mites of the speed tracks will go at it Saturday with the trials starting at 7:30 o'clock. Trophy dashes, heat romps and main events will follow.

All entries will be powered by Ford-60 motors, which should make for keen competition in each of the events.

Pogo" Lundquist and his No. 17 car, a topnotcher in any midget race, will be one of the combos to keep an eye on in the quest for the new record. So will Paul Pold and Smokey Blake of Seattle, who are also among the foremost midget racers in the Northwest.

★ ★ ★ ★ ★ ★

Jerry (Pogo) Lundquist, above, midget racing ace in the Northwest will be among those shooting for a new track record (and the $100 award) here Saturday night.

# Frick Cites Ball Loss

## Solons Told Clubs Might Go Broke

(Continued from page 28)

in the National League.

Rep. McCulloch (R-Ohio) cited the Dodgers' profit in questioning whether the cost of lawsuits would drive a ball club out of business.

Frick testified bankruptcy was a threat as the subcommittee continued its inquiry into professional sports enterprises.

Frick told the subcommittee there are exaggerated ideas about how many players major league teams control through working arrangements owned farm clubs and other devices in addition to the formal reserve clause.

The New York Yankees he said in response to a question, probably control "over 100" in all, but nothing like "the 600 or so that has been mentioned."

As Frick completed his testimony, Celler and others congratulated him on "an excellent presentation of your point of view and straightforward replies which have been very helpful."

Rep. Miller (R-NY) told Frick "I would take your judgment, in view of your years of experience in baseball, over that of Judge Hansen (Assistant Attorney General Victor Hansen). I think you people in baseball have done a splendid job of protecting the integrity of the game."

# Bums Clear Most Money in Majors

WASHINGTON, June 20 (AP)—The Brooklyn Dodgers were the biggest money-makers among major league baseball teams in the past five seasons.

Never failing to turn in a handy profit each year, the Dodgers totaled $1,888,744 to come out the Milwaukee Braves for money honors. The Braves five-season net was $1,857,402—but it reflected a $450,000 loss while the Braves still called Boston home.

The New York Yankees also showing a profit each season, accumulated $1,304,320.

The melancholy title of heaviest loser went to Pittsburgh in the National League. Finishing every season in the red, the Pirates sank $1,527,203.

All these figures were compiled from balance sheets submitted to the House subcommittee now studying the antitrust status of baseball and other professional team sports.

Of the 16 major league clubs, only five did not show a loss at the end of at least one of the past five seasons.

By teams, the profit or loss figures for the years 1952, 1953, 1954, 1955 and 1956 in the American League were:
