Senators Blanked by Spokane; Open At Tri-City Tonight; Home on Friday

SPOKANE, Aug. 5 (AP) — The semi-pro Spokane Orioles collected 15 hits off four pitchers tonight as they blanked the Salem Senators of the Northwest League 11-0 in an exhibition baseball tilt.

It was the first win for the Orioles in five tries against a Northwest League club.

Pitcher Ted Falk, making his first start against a professional team, gave up only one hit, a single by Harvey Koepf in the fourth inning with two away.

The Senators got only five men on base all night and none of them got beyond first.

Koepf, who started the tilt as a catcher, showed up later in the lineup as a pitcher and again as a third baseman. On the mound, Koepf held the Orioles scoreless and gave up just three hits and a walk.

The Senators tonight open a three-game series at Kennewick with the Tri-City Braves, and Mgr. Bill Brenner likely will send Tom Gibson to the mound for the Salems. His record is 10 wins, 12 losses.

Salem may be without the services of first baseman Karl Kuehl for a spell, as a pulled groin muscle suffered in the opening game at Lewiston last Friday night has become progressively

worse and the club's leading hitter may have to rest it with idleness.

Following the series at Tri-City, the Salems return to Waters Field for six games at home, starting with Yakima Friday night. The Yaks will be here Friday, Saturday and Sunday, and then after a Monday off Salem tangles with Tri-City in a two-game s'ries Aug. ust 13-14.

Pack-the-Park Friday

Friday night is to be "Pack The Park Night," an everybody-in-for-free effort by the management to load up the stands with at least 5,000 fans. There are to be specialties on Saturday and Sunday also. Saturday night is to be East Salem Lions Night, with prizes and entertainment for boys and girls attending the game. The annual "Picnic Day" is tabbed for Sunday, between games of the doubleheader. This is the one during which fans brings their picnic lunches and are allowed to go onto the field to visit with players, take pictures, secure autographs, etc.

The August 14 game with Tri-City is to be the annual "Shrine Night."

Senator attendance is now at the 47,141 level, and with but 13 more chances remaining on the home schedule, a decided surge of park customers is needed if the club is to approach the 72,000 gate total of last season.

Cleveland Downs Yankees

Win Taken By Dodgers

Brooks Now Only 2½ Games Behind Cards

NEW YORK, Aug. 5 (AP)—Cleveland belted the New York Yankees 7-2, and Brooklyn handed the New York Giants a 5-2 loss in the only games played in the majors today.

The Dodgers scored a tie-breaking, fifth-inning run without a hit and went on to defeat New York tonight despite a one-man show by Willie Mays, who had four hits and drove in both Giant runs with his 25th homer.

The Giant centerfielder was a bit of a goat, too, however—with his error giving the Brooks an unearned run and boucing out to end the game with two men on base.

The third place Dodgers moved within 2½ games of the National League lead and within two games of second place.

Crone's 34th Lose in Row

Righthander Ray Crone, who lost his fifth in a row for a 4-6 record, gave up his only walk to leadoff man Junior Gilliam in the payoff fifth inning. Junior stole second, went to third as Mays made a great run into left to grab Gino Cimoli's long fly, and then hustled home on Elmer Vale's high infield chopper.

The Brooks wrapped it up for good with two in the seventh as young Don Drysdale gained a 9-6 record with his third victory in a row. The tall righthander gave way to Clem Labine, who nailed Mays on a 3-2 pitch, after Don Mueller's pinch infield single and Danny O'Connell's single to left in the ninth.

Garcia Beats Yanks

Mike Garcia beat the New York Yankees for the first time in over two years today as Cleveland broke the league leaders' eight-game winning streak. The defeat cut the Yanks' margin over idle Chicago to six games.

Don Larsen, who never has downed the Indians in his major league career, was the victim of the Tribe's eight-hit attack which included a three-run homer by Gene Woodling in the eighth. The former Yankee drove in five runs with his 10th homer and a second-inning single.

Not since Aug. 3, 1955 had Garcia won over the Yanks and this was only his third complete game in 17 starts. The husky righthander allowed nine hits, pitching out of trouble in the seventh when he struck out Mickey Mantle and retired Yogi Berra. The Yanks had loaded the bases with only one out.

Puts Down Threat

Seals Top LA Angels; Keep Lead

Portland Rained Out In Opener With Padres

PORTLAND, Aug. 5 (AP) — The Pacific Coast League series opener between the Portland Beavers and the San Diego Padres here tonight was postponed because of rain. A doubleheader will be played tomorrow.

In other games around the league:

Los Angeles - San Francisco

Young Bill Prout fanned 10 Los Angeles Angels tonight as the league leading San Francisco Seals beat the Angels 6-2. Big Steve Bilko, Pacific Coast League home run leader with 34, struck out three times in a row. Bill Renna slammed a long two-run homer for the Seals.

Prout, 18-year-old lefthander who came to the Seals straight out of Downey, Calif., high school, allowed seven hits in winning his fourth against three losses in the PCL.

Renna drove in Marty Keough and Frank Kellert with San Francisco's first two scores in the opening inning with a sharp single. In the next inning Renna clouted his powerful homer after Grady Hatton had doubled.

Seattle-Hollywood

Hollywood's George Vico pinch hit a double with none out in the ninth inning but the Stars couldn't score and Seattle won the Pacific Coast League series opener 4-3 tonight.

Bob Thurman, who joined Seattle from Cincinnati only last Friday, opened the proceedings with his fourth homer in five games in the first inning.

Eddie Basinski homered in the third and Hal Bevan led off with a round-tripper in the fourth. Also in the fourth Maury Wills walked and scored on Ray Orteig's double.

Meantime, Hollywood counted twice in the third as Tony Bartirome got aboard on a force play, Dick Smith singled and both were sent home when Jim Baumer doubled to deep center.

The Stars' third run came in the fourth on Carlos Bernier's triple and Bill Hall's single.

Hollywood in trying to catch the Rainiers had runners on first and second with one out in the eighth but couldn't score off winner Charlie Rabe. Bill Kennedy put out the Hollywood fire in the ninth.

The Rainiers' 2-run effort in the fourth drove starter and loser Ben Wade from the mound. He was replaced by Hugh Pepper.

Sacramento - Vancouver

Vancouver Mounties hammered two Sacramento pitchers for 10 hits and 7-1 victory tonight in a Pacific Coast League baseball game before 5,038 fans.

The Mounties opened up on Roger Bowman in the first inning to score three runs on four hits. Two of the hits were of the infield variety.

Buddy Peterson started with a walk and Spider Jorgensen and Jim Marshall reached base safely on infield hits. Cal Segrist then punched a single to left, scoring Peterson and Jorgensen. Marshall scored the third run when Bob Hale singled to right.

In gaining his sixth victory, Mel Held struck out six and didn't issue a single base on balls.

Harry Bright hit safely three times for the Solons to lead their unsuccessful batting attack.

De Vicenzo Nabs All-American Title

By CHARLES CHAMBERLAIN

CHICAGO, Aug. 5 (AP) — Roberto de Vicenzo of Buenos Aires today played the last round in a close-to-the-vest 70 for a 72-hole total of 273 to win the $25,000 All-American golf crown by four strokes.

The victory, Roberto's second in five tournament starts this year, was worth $3,500. It set up the 220-pound pro who now registers from Mexico City, among the favorites in the $101,200 "World" championship starting at Tam O'Shanter Thursday.

The 34-year-old De Vicenzo, who had hauled away more than $13,000 in his five appearances at Tam and finished third twice, had a cool 36-34 final round. He hooked his 70 to previous trips of 69-64-70 for the 15-under-par 273. It was the second lowest 72-hole tally since the meet was inaugurated, matching the 273 of Ted Kroll's "World" card last year and Ben Hogan's "World" effort of 1951.

Locke Last Foreign Victor

The record, however, is 269 by Byron Nelson in the 1945 All-American.

De Vicenzo became the first foreign player to win any of Tam's titles since South African Bobby Locke's victories in 1948 and 1950. Locke hasn't competed here since.

Roberto's triumph was slightly overshadowed by the closing round of 63 by Gene Littler who took second money of $2,300.

Sam Snead rolled into third place with a final 36-35—71 for 278 and $1,800. Paul Harney of Worcester, Mass., among the non-exempt pros who had to qualify for the tourney, finished fourth with 35-36—71 for 279, worth $1,500.

CHICAGO, Aug. 5 (AP)—Veteran Patty Berg won the All-American women's pro title for the fifth time today with a closing 1-under-par 38-37—75 to edge out Jackie Pung by two strokes for the $1,500 first prize. Her tally was 302.

Mrs. Pung entered the final round as the leader but finished with 78 and 304.

CHICAGO, Aug. 5 (AP)—Despite a rash of bogeys on the last nine, crooner Don Cherry today salvaged a 3-over-par 75 to beat out Howard Everitt by one stroke to win the All-American men's amateur golf title with a 72-hole tally of 295.

CHICAGO, Aug. 5 (AP)—Clifford Ann Creed fired a 40-39—79 today for a 72-hole total of 320 to win the All-American women's amateur golf crown by a 12-stroke margin.

Bragan Inks Ball Contract

PITTSBURGH, Aug. 5 (AP) —Bobby Bragan, who lost his job as field manager of the Pittsburgh Pirates Saturday, today signed a contract for a similar post with the Almendares Club in the Cuban Winter League.

Bragan met with Julio Arcos Jr., general manager of the Cuban Club, and discussed the contract terms before signing. The pact reportedly calls for Bragan to receive $10,000.

The former Pirate manager will leave Friday with his family for their permanent home at Fort Worth, Tex. He is scheduled to join Almendares in October.

Pete Arrives For Training

SEATTLE, Aug. 5 (AP) — Pete Rademacher, the amateur who aspires to become world heavyweight champion in one jump, arrived today from Georgia to finish getting ready for his Aug. 22 title fight with Floyd Patterson.

Rademacher was met at the airport by 20 carloads of supporters from Issaquah, his training site 15 miles east of here.

The caravan motored through downtown Seattle, with the smiling, confident challenger perched on the rear of a decorated convertible.

At Issaquah, the Olympic Games champ received a gold key to the city from Mrs. Buck Lee, wife of the town's mayor, and then inspected his training quarters. He will start road and gymnasium work tomorrow.

Rademacher flew here from Columbus, Ga., where he had been training at nearby Lake Huston. With him were his trainer, George Chemeres of Seattle; sparring partner, Clarence Hinnant, ninth-ranked light heavyweight; two assistant trainers and a cook.

The big, balding former Yakima Valley farm boy from Grandview, Wash., said again he thinks his chances are good against Patterson, the world champion.

New Coach Arrives

PORTLAND, Aug. 5 (AP) — Les Leggett, Portland State College's new football coach, arrived here today and announced that practice will start Sept. 2.

Leggett has been assistant coach at Whitman College in Walla Walla the past two years.

College All-Stars Nurse Grid Hurts

Odds Favor Pro Champions; Lambeau Mum on His Lineup

By JERRY LISKA

CHICAGO, Aug. 5 (AP)—The College All-Stars nursed practice wounds today, but were encouraged by reports that favoritism of the New York Giants was slipping for the All-Star football game at Soldier Field Friday night.

The odds reportedly dropped from 13 points, to 11, to 10½, to 10 against the All-Stars.

Heavy work is through for the 48-player, All-Star squad, coached by former pro mentor, Curly Lambeau, and the battered collegians certainly need an easy pace. No fewer than nine players have been injured in practice and several of those may see little or no service Friday night.

Lambeau conducted an all-out scrimmage Saturday and such stars were banged up as fullback Don Shinnick of UCLA, Jon Arnett, Southern California halfback, Bill Ray Barnes, Wake Forest back; Jim Ridlon, Syracuse back, Ron Underwood, Arkansas back, Del Shoener, Baylor back, and Paige Cothren, Mississippi fullback.

Mum on Starting Lineup

Coach Lambeau has kept mum on his intended starting offensive and defensive units, but it appears likely the starting offensive backfield will include sharp-passing John Brodie of Stanford at quarterback, 220-pound Jim Brown of Syracuse and fleet Abe Woodson of Illinois at halfback and hard-smashing Don Bossler of Miami (Fla.) at fullback.

This would give the All-Stars perhaps their greatest potential through the air and on the ground. The All-Stars are expected to use a straight T, with Notre Dame's Paul Hornung likely to replace Brodie, if the quarterback keep-it play needs trying. Hornung is a fine runner and won't hesitate to take off if the Giants solve the collegiate pass patterns.

K.C. Hints Ousting of Boudreau

KANSAS CITY, Aug. 5 (AP)—Whether Lou Boudreau will be fired as manager of the parachuting Kansas City Athletics is to be decided this week, the Kansas City Star said today.

The club, riding a 7-game losing streak into the American League cellar, moved into Chicago for a 3-game stint starting tomorrow and finishes its road trip with three more at Cleveland ending Sunday.

"Before the trip is over, a decision either for or against Manager Lou Boudreau will be made," wrote Sports Editor Ernie Mehl of the Kansas City Star.

Mehl, who was instrumental in bringing the club here from Philadelphia in 1954 and is close to President Arnold Johnson, quoted the club owner as saying:

Better Club Than Shows

"I can't help but feel that we have a better ball club than it has shown on the field. But weather the fault lies with the manager is something we must carefully consider. We haven't come to a definite conclusion yet but that doesn't mean we won't because we will."

Johnson was back at his office in Chicago today.

Since trading their left-handed slugger Harry Simpson to New York June 15, the A's have won only 13 games while losing 34. Star baseball writer Joe McGuff, who is accompanying the team, wrote from Chicago that the club's playing in recent days was "so inept that they resemble something you might expect to find on a sandlot" and said the players are "going through their duties as if in a daze."

General Confusion Exists

Business Manager Parke Carroll who returned yesterday from Baltimore where he watched the club drop a series, reported "general confusion existing on the club."

"This is bad," Johnson commented. "I can't believe it, really. It certainly indicates something is wrong and we must do something about that something."

Mehl said the latest rumor is that Boudreau and George Selkirk, director of player personnel for the athletics, would change places. Mehl said a "better guess might be that if a change were made Harry Craft, one of the coaches, would step into the job."

Both Selkirk and Craft at one time managed the old Kansas City Blues, Yankee farm club in the American Assn., that preceded the A's here.

Dodger Park Talk Delayed

NEW YORK, Aug. 5 (AP)—The so-called "day of decision" on whether the Dodgers will be able to get their new ball park in downtown Brooklyn turned out to be a day of "indecision" today since the persons most concerned were out of town.

However, the vacationing chairman of the Brooklyn Sports Center Authority, Charles Mylod, is expected in town tomorrow morning for a special meeting of Deputy Mayor John Theobald's special improvement committee.

Theobald, and authority member Chester Allen, did get copies of an engineering firm's estimate on the cost of a new ball park and concurrent improvement of the neighborhood, but both refused to comment.

Wagner Also Out of Town

Mayor Robert F. Wagner was also out of town on an extended weekend and is expected to get briefed on the report by Theobald when he returns to his desk tomorrow. Another authority member, Robert Blum, was also on vacation.

Reports circulated last month placed the entire cost at double the figure authorized by the state legislature for bond issue. The authority has been empowered to sell $30 million worth of tax-free bonds for both the cost of the ball park and renovation of the neighborhood.

The estimate figures supposedly range from $11 to $20 million for a new ball park, and from $30 to $50 million for neighborhood improvement.

Ibbotson Victor In Two-Mile Test

LONDON, Aug. 5 (AP) — Derek Ibbotson of Britain, the world's fastest miler, won a special invitation two-mile event today in 8 minutes, 44 seconds despite a blistered foot.

Ibbotson, whose 3:57.2 mile has been offered for world recognition, didn't seriously challenge the two-mile mark of 8:33.4 set by Sandor Iharos of Hungary here in 1955.

The British distance star beat K. Zimny of Poland, who was second in 8:46.8 and V. Mugosa of Yugoslavia, who was third in 8:58.8.

Ken Wood, another four-minute miler, won the special mile race in 4:02. Graham Everett of Britain was second in 4:06 and Alan Gordon of Britain third in 4:06.8.

Jaycee Meet Starts Today

Oregon representatives Roger Stewart of South Salem High, Harry Doyle of Grant High of Portland, Keith Baxter of Klamath Falls and Joe Harvey of Milwaukie are to commence firing today in the National Junior Chamber of Commerce tournament in Santa Monica, Cal.

The foursome is accompanied by Mr. and Mrs. Darrell Satter of Salem. Satter is the state's Jaycee tennis chairman. All were to have held final practice rounds at Santa Monica yesterday.

No announcement by tournament officials has been made concerning who the Oregonians play in their first matches or when they will be played in the week-long conclave.

Grid Officials' Clinic Tonight

The annual clinic and rules examination for high school football officials is slated for tonight, at eight o'clock, at North Salem High School in Room 100. It is reminded. All who expect to officiate in high school grid games during the 1957 season must take the examination that is to be administered by A. Oden Hawes, Oregon Schools Activities Association secretary who will be in charge of tonight's clinic.

The session is open to all who aspire to become officials.

Donovans Seek Tag Title in Armory Clash

The Donovan Brothers tonight get a chance to grab what they came back to the Northwest after, as the feature of matchmaker Elton Owen's Armory mat program. The Montana meanies, commonly known as Dirty Doug and Roughouse Red in mat circles, are after the Northwest tag championship. They'll attempt to snatch it from Herbie Freeman and Cowboy Carlson tonight.

Fans can figure on a rousing clash. The Donovans two weeks ago held the Freeman-Carlson duet to a draw in 45 minutes, and looked to be the better team in the process even though it used one argumentive method after another. Tonight's title go will be limited to one hour.

Freeman is particularly bent on retaining the championship as he already holds the Northwest heavy crown and intends to remain No. 1 boy on the wrestling totem pole in these parts.

Durango To Debute

The Mexican villian Ray (Durango) Duran is to make his debut on tonight's card in the special, facing former Navy "Frog Man" John Paul Henning. The once very popular Henning has been in Canada for a lengthy spell and is said to be trimmed down to a very capable 210 pounds. If Duran is all he's supposed to be, Henning's return to town will be a right rugged one for him.

The 8:30 o'clock opener, the only single-faller on the card, sends the flashy Leo Garibaldi against the whiskered and barefoot Japanese mat nasty, Haru Sasaki.

Qualifying Record Snapped Twice

SEATTLE, Aug. 5 (AP)—The Gold Cup qualifying record was broken twice today as the first of the 20 speedboats expected to enter Sunday's main event here began qualifying runs on Lake Washington.

Miro Slovak, a Czech airman who fled to the West and became a speedboat pilot, pushed the Miss Wahoo to a record of 112.344 miles an hour over a three-mile course.

But the record was shortlived. Two hours later Bill Stead drove W. T. Waggoner's Maverick at an average of 117.054 to top Slovak's mark.

The Wahoo, winner of the Lake Tahoe Mile High race last month, was the first of 20 unlimited hydroplanes to qualify for next Sunday's 50th running of the Gold Cup.

The time trial mark bettered the 108.160 set last year by Such Crust III on the Detroit River. Faster qualifying speeds have been set, however, on the old 3¾-mile Lake Washington course.

The big speedboats — six from Detroit, two from California and the rest Seattle-owned—have all week to earn a spot in the golden anniversary cup race. They must turn three laps of the three-mile oval at an average speed of not less than 95 miles an hour.

Kai Breaks Down

The Wahoo burned up the course after the Hawaii Kai, wheeled by little Jack Regas, flunked its attempt to become the first qualifier. The Kai, formerly owned by industrialist Edgar Kaiser who turned it over to the crew of the orchid-colored craft, broke down with blower trouble after half a lap.

The Gale VI, driven and owned by Lee Schoenith, warmed up but did not try to qualify.

The 20 racers expected to enter the Gold Cup have all week in which to qualify for Sunday's race. To enter the main event, each boat must run three laps of the 3-mile course at an average speed of 95 miles an hour.

Detroit Enters Six

Detroit has sent five boats here in addition to Schoenith's Gale VI. They are George Simon's Miss U.S. I and Miss U.S. II, Joe Schoenith's Gale V, Jack Schaefer's Such Crust III and Chuck Thompson's Short Circuit.

J. Philip Murphy of Piedmont, Calif. has entered the Breathless I and II. Other entries are Seattle-owned including Miss Thriftway, last year's winner.
