quartermaster pattern that led them to the championship last year. Don Heinrich will start the games, but when a productive rally is needed it will be of No. 42 (Covers) at quarterback.

Uncle Hugh Up to His Old Tricks

The Hugh Luby was up to his old tricks Sunday when he had little Brantley pitch both ends of the doubleheader against Tri-City. Hugh has tried it before as a means of luring patrons into the hall yard. Remember when he had Lewistown's big John. The "Haw" Marshall all primed and ready to pitch both games against Salem here one Sunday afternoon a few years ago. Luby was to have given the colorful Marshall \$25 for the deed. But he balked at a over the price the series before at Lewistown. Big Hugh was looking for the Bronces on a Thursday night, and both Luby and Marshall were giving one another the needle in the throne. It ended up in a roaring fight which which Marshall informed Hugh he'd never pitch a doubleheader for him in a million years.

Brantley has the distinction of being Luby's workhorse for this year, and joins a select fraternity that is made up of Bill Bevens (263 innings in 1951), Ted Edmunds (154 games and 190 innings in '52), Joe Nicholas (238 innings in '53), Johnny Briggs (255 innings in '54), Bill Dials (46 games and 168 innings in '55) and Jerry Cade (43 games and 233 innings) last year. In other words, when Luby gets one who can pitch, he pitches him.

Yakima Bears boss Hub Kittle, who'll not win any pennant this year, figures he may skip managing in the Mexican League following the current Northwest run. Hub has gone in Mexico for six campaigns and won the Mex version of the World Series year before last. He finished second last trip. Three kids and school likely will keep the barbeque chewing Kittle in Yakima the coming winter.
