Sugar Fortune Heir Sued by Vienna Model

REDWOOD CITY, Calif., Aug. 12 (AP)—A 35-year-old Viennese model today sued Claus Spreckels Jr. for \$750,000 damages, claiming he professed intent to get a divorce and marry her. She said he later promised to pay her \$5,000 but has only paid \$1,000.

Spreckels is the grandson of the late John D. Spreckels, sugar magnate.

An attorney for Ernestine Christine Bruckner filed the suit with the San Mateo County clerk.

Last March Miss Bruckner was found unconscious from an overdose of barbiturates in her San Mateo apartment.

On a table was a note saying "I only know I cannot bear the shame and humiliation any longer. What is the use of having you? I only know I could not have a child without a father."

Doctors said after Miss Bruckner recovered that examination showed she was not pregnant.

The suit charged that in January, 1956, she had an offer to go to India as a singer but that Spreckels, professing a desire to marry her, dissuaded her.

Miss Bruckner in a press conference, called in the office of lawyer Paul Eisler today was asked if she would marry Spreckels now if he should urge it.

"No, mostly definitely not," she said.

Nikita Hero Cult Forming In Reports

BERLIN, Aug. 12 (AP)—Westerners noted today the East German Communists are referring to Soviet Communist boss Nikita S. Khrushchev in terms reminiscent of the days of Stalin worship.

Close students of communism in this island inside the Soviet-ruled section of Germany say they see hints of a new cult arising in the Communist world—the cult of Khrushchev.

This speculation is based not only on Khrushchev's tendency during his whirlwind visit here to dominate the stage, but upon the awe and respect paid him by East German Communist leaders.

Walter Ulbricht, who for years has ruled East Germany like a carbon copy of Stalin, gave striking evidence of this in his speech at Leipzig in honor of the visitor.

According to the Communist newspaper Neues Deutschland, Ulbricht said communism would win in the world "under the leadership of the Communist party of the Soviet Union and under the Central Committee headed by Comrade Khrushchev."

This sounds much like the old days, when the Communist movement invariably was described as being under the leadership of the Soviet Central Committee "and Comrade Stalin."

Bard Still Popular

STRATFORD, Ont., Aug. 12 (AP)—Shakespeare continues to be a smash hit here. A new 2,176-seat theater for the Shakespeare Festival has been filled to 90 per cent capacity and performances for six weeks brought in a boxoffice of \$291,000 almost \$25,000 above a similar period last year.

Prizes will be awarded every hour to shoppers Wednesday through Saturday with a grand prize of any one thing in the store going to an individual at 3 p.m. Saturday.

Ten factory representatives will also be demonstrating various appliances, materials and products during re-opening days, manager Jorgensen said.

Murderer of Husband Freed In Court Rule

CHARLESTON, W. Va., Aug. 12 (AP)—Another military wife won her freedom today in U.S. Dist. Court from a murder conviction by an Army court-martial.

She is Mrs. Louise Elizabeth Crawford Smith, 23, Nashville, Tenn., serving a three-year sentence at the federal reformatory at Alderson for the fatal stabbing of her husband.

Judge Ben Moore granted the woman her petition on a writ of habeas corpus.

Mrs. Smith was free under \$1,000 personal bond after Judge Moore decided against a 30-day stay upon motion of government attorneys who want to appeal the case.

Mrs. Smith sought her freedom under a recent U.S. Supreme Court ruling that the wives of military men are not subject to military trial for crimes committed abroad.

She was convicted last May by an Army tribunal in Stuttgart, Germany. Her husband, Sgt. Morris C. Smith, also of Nashville, died of stab wounds in Germany last April 1.

The Supreme Court decision was returned in the case of Mrs. Dorothy Krueger Smith, convicted in 1953 by an Army court-martial in Japan for the fatal stabbing of her husband, Col. Aubrey Smith.

She was sentenced to life imprisonment at Alderson, but gained her freedom June 19 after the high court ordered her released. She cannot be tried again.

Twin Jet Flies to California From Hawaii in Record

ALAMEDA, Calif., Aug. 12 (AP)—A twin jet ASD Skywarrior flew from Hawaii to California today in 4 hours 12 minutes, a record for the eastward flight, the Navy announced.

Lt. Cmdr James P. Pruitt piloted the record-setting jet. A month ago he set a record of 4 hours 45 minutes in a westbound flight from Moffett Field, Calif., to Hawaii.

A Navy spokesman said the previous Hawaii-mainland record was 4 hours 52 minutes made by an Air Force B47 jet bomber in 1952.

Two other Skywarriors in today's flight registered an elapsed time of 4 hours 14 minutes from takeoff at Barber's Point Naval Air Station to their crossing over San Francisco International Airport. A fourth plane made it in 4 hours 18 minutes.

A Navy spokesman said the flight distance was 2,120 nautical miles or 2,430 statute miles.
