POLISH YOUR POISON OAK

Some time ago I met a man

who had a fascinating hobby, woodworking shop. The tools In his garage this man has a

that he had in his shop were no

different from those that I had

seen in many other shops. But

there was one thing that was

different.-That was the material

that he worked with. This man

had been polishing poison oak!

He showed me pieces of poisor

oak. He had a coffee table with

inlaid blocks of this poisonous

plant. I don't believe I have

even seen a more beautiful wood.

found out that he is probably

the only man in America who

works with this woodland pest.

Some time ago some of his friends, who knew that he liked

to work with unusual woods, de-

cided to play a prank upon this

man. They found an unusually

large poison oak vine. Very care-

fully the friends trimmed the

vine and then brought it to the

Instead of throwing the piece

of poison oak away my friend

decided he would accept the chal-

lenge and use the wood. At first

he neutralized the wood in am

monia and water. Then he bur-

ied it in sawdust for about nine
