25c per line per paper.

Classified ads will be run in both papers to give advertisers the advantage of the tremendous combined circulations.

*When an ad is ordered three or six times and a Sunday issue is included (for example Friday, Saturday, Sunday) the lower Sunday rates apply because only The Statesman publishes Sundays.

Classified ads will start in the morning Oregon Statesman, conclude in the evening Capi-tal Journal — but ads will be accepted for Sunday Statesman only.

The desdline for classified ads is 1:00 p.m. the day before publication except for Sunday when desdline is 5:30 p.m. Friday. Emergency ads and small line ads received after 1:00 p.m. weekdays and until 12 noon Saturday for Sunday may be placed in the "Too Late to Classify" column.

The Statesman - Journal News-papers assume no financial re-apponsibility for errors which may appear in advertisements published in its columns and in cases where this paper is at fault will reprint that part of an advertisement in which the typographical mistake oc-curs and is responsible for only one incorrect insertion.
