Jobless Claims In States Rise To Year's High

WASHINGTON, Dec. 20 (AP)—The government reported tonight initial claims for state unemployment benefits rose by 17,100 to a total of 413,200 during the week ended Dec. 14. It was the largest weekly claim volume this year.

Increased initial claims were reported in 25 states, the largest increases being in New York, Pennsylvania, New Jersey, Missouri and Ohio.

The increase was attributed to seasonal setbacks in apparel and food processing industries and effects of inclement weather on construction and other outdoor work.

The upturn in unemployment as reflected by the jobless benefit claim figures appeared to be the first wave in a sizeable job loss trend predicted by most economists for this winter and spring.

The Labor Department's Bureau of Employment Security also reported that insured unemployment under the jobless aid program rose by 154,800 to 1,876,700 during the week ended Dec. 7. This compared with 1,161,800 a year ago.

Insured unemployment represents the number of workers reporting a week's unemployment in seeking jobless benefits from the states.

Billy Eckstine Paternity Suit Pact Agreed

LOS ANGELES, Dec. 20 (AP)—An agreement under which singer Billy Eckstine promises to pay $750 a month for support of two sons born out of wedlock was approved by the court today.

The agreement was reached between the 43-year-old nightclub singer and Carolle Drake, 34, who filed a paternity suit 13 months ago in which she said Eckstine reneged on a promise to marry her after his divorce from Mrs. June Eckstine became final.

Eckstine acknowledged paternity of the boys, Edward, 4, and Guy, 17 months, but balked at Miss Drake's original demand for $1,500 a month.

Stocks Slump During Week

NEW YORK, Dec. 20 (AP) —A dismal pre-Christmas week ended for the stock market today with another slump on poor industrial news.

Stocks closed at their lows of the day with losses running from 1 to 2 points or more for the run of key stocks.

Chrysler fell almost 3 and hit another new low for 1957. The company had announced its Detroit area assembly plants are shutting down early next week until at least Jan. 2.

There also was news of cutbacks and layoffs in other industries. Wall Street was disappointed, too, that the Federal Reserve Board did not take some positive action, such as lowering reserve requirements of member banks, after Thursday's close.

The AP 60-stock average fell $1.30 to $152.70, showing a substantial loss for the week. The industrials were down $2.50, the rails 70 cents and the utilities 20 cents.

Volume was 2,500,000 shares compared with 2,740,000 yesterday.

Aircrafts resisted the downtrend. Good fractional gains were made by Boeing and United Aircraft.

Mother Gets Son's Help in Suicide Try

READING, England, Dex. 20 (AP) —An attractive young mother testified here today she tried to shoot herself after an unhappy love affair and got her 18-month-old son to help pull the trigger.

"I got a piece of string," said Mrs. Monica Edgar, 34, "and tied one end to the trigger of a rifle and the other to the door handle. I said to my little boy Lionel, 'Shut the door for Mummy, there's a good boy.'

"He was inside the room with me. The bullet hit me and I staggered out and I told a neighbor I had shot myself."

Mrs. Edgar pleaded guilty to a charge of attempted suicide. She was jailed for three weeks to await a medical report.

Missouri Cons to Play Santa Claus To Homeless Kids

JEFFERSON CITY, Mo., Dec. 20 (AP) — Convicts at the State Penitentiary are going to play Santa Claus this year to homeless children.

In lieu of a dash over the housetops in a sleigh, the convicts are sending $1,273 with Warden and Mrs. E. V. Nash to St. Louis to buy presents. The inmates saved the money from their spending allowances, earned in the prison.

The presents will be distributed Monday at St. Francis Home for Negro Girls and at the Methodist Home for Children. The Nashes will chip in with a sack of candy, nuts and fruit for each child.

Grain Prices Dip Slightly

CHICAGO, Dec. 20 (AP) — Paced by new crop wheat, grain futures ended mostly lower on the Board of Trade today.

Liquidation of new crop bread grain was pretty general most of the session with prices off more than 2 cents a bushel at the extreme. The decline attracted buying and losses were reduced somewhat at the close.

The nearby March wheat delivery, off more than a cent in early trading, recovered on late demand to end the session higher.

At the close wheat was 1⅞ lower to ⅜ higher, corn unchanged to ½ lower, oats unchanged to ¼ lower, rye unchanged to ¼ lower, soybeans ⅜ to 1⅛ higher, and lard was 18 to 23 cents a hundred pounds higher.

Liquidation of new crop wheat futures stemmed from a government estimate of the 1958 winter wheat crop, which was much larger than the trade expected.
