

Eugene Axemen, Warren Visit Tuesday; North Opposes South Friday; Lewis & Clark Next for Willamette '5'

By AL LIGHTNER
Statesman Sports Editor

A visit by the Eugene Axemen and the spectacular Charlie Warren, the first North vs. South "coming" game and the usual load of league and district battles highlight prep basketball action this week.

The collegians have nothing going until the weekend, when additional outings in the North-

west, Pacific Coast and Oregon Collegiate loops are booked.

The powerful Axemen and their high-scoring Warren are dated by the South Salem Saxons Tuesday night in the Sax Gym. North Salem's Vikes are idle, but will watch. They play South in the initial district clash Friday night, at South Salem.

Two leagues, the Yavama and Marion B Minor Division, get in additional ticks Tuesday night.

In the Yavama's Salem Academy at Dayton, Amity at Yavhill, Philomath at Sheridan and Banks at Sherwood. The B Leaguers have Chemawa at Perrydale, Deaf School at MacLaren, Valseeta at Falls City and St. Paul at Detroit.

Other Tuesday nights, none of which is a league or district center: Dallas at Albany, Central HI at Lebanon, Corvallis at

Springfield, Mt. Angel at Canby, Woodburn at Seilo, Cascade at Molalla, Santiam at Sandy and Jefferson at Harrisburg.

The local Junior High League takes the entire spotlight Thursday with three games. The Grays and Blues play at Pariah and the Warriors and Pioneers go at it at Leslie at 7 p.m., and the Golds face the

Future of Senators Looks Shaky

Making Yardage After Snaring Pass

LOS ANGELES, Jan. 12—End Billy Howton of the Green Bay Packers, playing for the West in today's Pro Bowl game, is off for six yards to the West 37 after gathering in a Y. A. Tittle pass in the first quarter. Closing in are Halfback Don Paul (left) of Cleveland and halfback Jerry Norton of the Philadelphia Eagles. (AP Wirephoto)

Salem Only NW Entry Not Ready for Season

By AL LIGHTNER
Statesman Sports Editor

PORTLAND, Jan. 12—(Special)—The immediate future of the Salem Senators Baseball Club was a topic of consternation here today during the annual winter meeting of the Northwest League. Salem is the only member of the six-team circuit not ready to operate during the 1958 season, and in view of the difficulties confronting the Senators, they may find it impossible to field a team.

Salem was well represented at the meeting, by Walter Zosel who acted as spokesman for the group, by Vern McMullen, Bill McMahon and Dr. Vern Miller, who have been members of the Senators' "official" staff the past year, and by Steve Brody, Don Fair and Al Lightner.

Zosel interrupted the session early to emphasize, "Salem is not yet ready to be a member of the league this year." He later explained to the circuit representatives and president Jim Fleishman that new operating partnership has not yet been formed, and that no real prospects are in line for either the chairmanship of the partnership or the general managership of the club.

There is little doubt that the new partnership can be formed this week, as almost 80 per cent of the necessary 100 per cent has already been pledged. But of equal importance is the filing of the two major positions on the ball club, one of which was held by George Paulus the last three years and the other of which was held by Bill Bremer last season.

Paulus has resigned and Bremer was released in October.

Despite efforts to find competent men to fill these berths, the small group of Salem enthusiasts have been unsuccessful.

The group is to meet again Friday night in Salem in another attempt to erase the difficulties. The principal aim will be to elect a chairman and board of directors, and to begin immediate negotiations with general manager Jim Fleishman.

For the most part, today's session was carried out with the assumption that Salem will be a part of the party when opening day arrives, on Thursday, April 24.

The league's 1957 directorship of Fleishman as president, Tom Merchant of Lewiston as first vice president and Frank Graham of Eugene as second vice president, was reelected by unanimous vote, the league schedule was discussed and turned into the hands of Eugene general manager Hugh Luby for completion, the Wilson baseball bureau of San Mateo, Calif., was again appointed league statistician.

Also, it was decided that the 1958 season be split, with first

Aggie Post In Turmoil Two After Job; One Contacted

COLLEGE STATION, Tex., Jan. 12 (AP)—Navy coach Eddie Erdelatz and Iowa State coach Jim Myers both appeared confident of the Texas A&M coaching job if they want it—but college officials denied knowing anything about Erdelatz being contacted.

Dr. C. H. Groneman, Texas A&M athletic council chairman, said "I don't know anything about Erdelatz being contacted except what I've read and heard over television. I don't know when the college board of directors will decide on a coach. No official contact has been made with Erdelatz."

Jack Finney of Greenville, Tex., a member of the board of directors and the athletic council, said of the Erdelatz reports, "We have no comment. All I can say at this time is that we will make our recommendation to the board of directors at 10 o'clock (CST) tomorrow morning."

Erdelatz was to fly to Texas A&M tomorrow and reportedly wasn't meet with Aggie officials until Tuesday.

Go in after 'em...

By DON HARGER

The current waterfowl season officially closes at sundown on this coming Tuesday, January 14. After that one may travel to the coast for an occasional shot at a black brant, but as far as the duck shooter is concerned, Tuesday does it.

As far as this would-be-gunner is concerned, the season closed yesterday, Sunday. We sat in the rain with Dr. Richard Springer and our dog Deek. We got wet through to the second layer of skin. In fact, our ever patient wife ran us twice through the clothes dryer before we could come in the house.

We watched many large bands of pintails headed south, and as usual they would rather fly than decoy and be shot. We close the season trying to figure out just how it is possible for a pintail to fly so high, so far, and for so long a time without coming down. If they (the pintails) act in other areas as they do around our vicinity, there will be ducks on this continent for years to come. Unless of course, they fly themselves to death.

Now, with our season closed, the fragments of the season have to be swept up. There is the scattershot to take apart and clean thoroughly. It has to be oiled lightly and placed in a gun rack for the months between now and September 1. We shall remember not to put our gun away in a gun case. We tried that once and sometime later discovered a very rusty fowling piece.

Decoys Put on Shelf in Shop

Our rubber boots and waders must be put away in a cool dry place where they will dry out and not rot from heat or sun. Our decoys will be placed on a shelf in the shop where they can dry so the paint will not have a tendency to peel off. Our duck calls can be put away for another spell. They haven't done too much good, anyway.

Our wonderful and understanding wife can now smile again and move about the house without stumbling over hunting gear. She won't have to chase elusive feathers around the rooms any longer. In fact, she may even reach the point where she is not frightened of the stranger at the back door any longer. After all, why should we be considered a stranger?

We can now catch up on our Sunday sleep and with a bit of luck we will be completely refreshed and ready to go about the time duck season opens again next fall. Of course, there is fishing but we don't want to get up in the middle of the night to find a fish. The fish we like bite better in the middle of the day.

Many Thanks to Land Owners

We want to thank all of the considerate landowners who allowed us so many pleasant hours in pursuit of our duck hunting joys. We trust that we will be forgiven for the bars we burned to keep warm. We hope that the missing fence sections which we used to build blinds from will not be missed. Nor will the tame geese be missed. They had no business walking in the same field with us anyway.

We had fun shooting cows and horses to watch them run. We had even more fun shooting windows from unoccupied farm houses. We didn't get much kick out of shooting the laying hens, though, as they couldn't fly. But, we haven't been at this hunting game very long and we may learn to enjoy even other harmless games. There were a few things we missed this year, but we'll try and get them done next season.

West Virginia Only One Undefeated in Top Ten

By DON WEISS
The Associated Press

Every once in awhile, the rambling wreck of Georgia Tech—better known for its engineers and football team—stirs itself up for a big game of basketball. When it does, something big and mighty winds up in a heap.

The wreck was stirred up Saturday night and previously unbeaten Mississippi State became the humbled heap, leaving top-rated West Virginia all alone in the perfect record class today among the college teams the pollsters consider the best in the nation.

While West Virginia was sweeping to its 15th straight victory and its 28th in a row in Southern Conference play, 50-46 over Georgia Washington, Georgia Tech snapped Mississippi State's 11-game winning streak, 78-61.

Mississippi State's loss was one of two reversals among the top 10 in the Associated Press poll. North Carolina's defending national champions, rated third but beaten previously by West Virginia, were licked by 11th-ranked Maryland, 74-61, in an Atlantic Coast Conference game watched by 15,000 at College Park.

Kansas State, ranked fourth, won its 10th in 11 starts by whipping Nebraska, 74-59, in its Big 8 opener as Jack Paar scored 20 points and grabbed 20 rebounds. Cincinnati, No. 7, set another school record while crushing North Texas, 127-57, as brilliant Oscar Robertson scored 43 points, picked off 22 rebounds and was credited with 12 assists. Robertson's showing boosted him into the national scoring leadership over Wilt Chamberlain of idle Kansas, with a 32.3 average to leading Wilt's 32.2.

Eighth-ranked Oklahoma State, on a 10-game streak since losing its opener to Kansas, beat Tulsa, 51-43, and Kentucky, No. 9, took over the undisputed lead in the Southeastern Conference (helped by Georgia Tech's upset of Miss.

Cox Inks LA Grid Contract

MINNEAPOLIS, Jan. 12 (AP)—Minnesota quarterback Bobby Cox said today he has signed a contract with the Los Angeles Rams of the National Football League.

Cox declined to elaborate on contract terms. He returned today from Mobile, Ala., where he played in the Senior Bowl game Saturday.

The 22-year-old quarterback, who quit Washington University after his sophomore season to enroll at Minnesota, was drafted by the Rams last year.

After sitting out the 1955 season because of the transfer rule, Cox nearly drove Minnesota to the Big Ten championship in 1956.

Ankle injuries slowed him in Minnesota's disappointing 1957 season, however. Cox will graduate this June.

The Rams are expected to give him a trial both at quarterback and as a defensive back. They are confronted with a problem at quarterback as a result of veteran Norm Van Brocklin's announced decision to quit football.

Martin Inks Pact

DETROIT, Jan. 12 (AP)—Billy Martin, the peppery ex-Yankee star, signed his 1958 contract with the Detroit Tigers today and promptly set sights on a share of world series money this summer.

"I believe this is the year the Tigers can win the pennant," Martin said in an interview. "And I'm going to do everything I can to help the Tigers win it."

Casper Snares Crosby Golf Go

Marr 2nd; Rosburg Blows to 10th

By JACK STEVENSON

PEBBLE BEACH, Calif. Jan. 12 (AP)—Big, casual, Bill Casper fired a fourth straight sub-par golf round today to capture the \$50,000 Bing Crosby Tournament by four strokes at 277.

The 26-year-old, 215-pound Californian from Apple Valley shot a one-under-par 71 over the picturesque Pebble Beach course along the Pacific. His steady round included an amazing eagle on the 11th hole when he sank an iron shot that traveled about 135 yards.

That shot insured the victory and he coasted in, "even giving myself a talk at the sixteenth so I wouldn't let down too much."

Second place went to youthful Dave Marr, a cousin of pro star Jackie Burke Jr. Marr, from Rumson, N. J., had a 281 total.

Casper's victory plus his second place in the pro-amateur category brought him a total check of \$5,200—with \$4,000 in the pro section and \$1,500 in the pro-am.

His fast finish proved too rapid for National Television planners as he completed his round and clinched the victory before the Crosby show went on the air. Films of his final play were shown instead.

Bob Rosburg of Napa, Calif., who led through 36 holes and shared the top spot with Casper going into today's final, blew an 8 and a 297 total. His score included a triple bogey on the tenth hole when his tee shot went into kelp and driftwood on the beach.

Deadlocked in third place were Burke, of Klamath Lake, N. Y.; Dow Finsterwald, Tequesta, Fla.; and Ken Venturi of San Francisco.

OSC Tops PCC Play

In Loop Chase Trojans Second

The Oregon State Beavers, out of action over the weekend, remain the only unbeaten team in the Pacific Coast Conference, but they found cause for alarm in the latest developments on the basketball courts.

The defending champion California Bears and the runner-up UCLA Bruins won both their weekend games and showed developing strength doing it, and Southern California continued its surprising showing with a strong Saturday night performance to gain a split.

The three California members are hunched right behind the Beavers in the standings, and Oregon State ventures into the Bears' den at Berkeley for a big game for both teams this Saturday. Another top struggle on tap this weekend is between USC and UCLA.

The Bruins played one of their best games of the season Saturday night in beating Idaho 64-56. The Vandals' high-scoring Gary Simmons was held to four points in the first half, and although he broke loose for 13 in the second half, by then it was too late.

All of Coach Johnny Wooden's regulars contributed generously to the scoring column, giving the Bruins probably the best balanced team in the conference.

The Trojans, stopped by Idaho Friday night for their first league loss, snapped back with a vengeance to down Oregon 73-52, for their fourth win, most in the conference.

The blend of sophomores and seniors on the team gives the Trojans a combination of seasoned skill and fiery enthusiasm that is going to make them tough all season.

Pete Newell's California Bears, putting the emphasis on defense, throttled both Washington and Washington State. Washington managed only 42 points Friday and the Cougars could come up with only 32 Saturday.

California wasn't exactly hot in the shooting department Saturday, hitting for 27 per cent in bagging 47 points, but the airtight defense

(Continued page 9, col. 3)

Baylor Hits 48

Chiefs Spill Portland U.

VANCOUVER, Wash., Jan. 12 (AP)—Elgin Baylor ran up 48 points as he led Seattle University to a 97-75 victory over Portland University today.

The 6-5 Baylor banged in 19 field goals, most of them on prodigious leaps around the basket as his team won its second straight from the Portlanders. He scored 31 points in a 77-47 victory yesterday.

Baylor was getting his hands above the basket so frequently that twice he was called for goaltending, giving Portland four points.

He went out of the game with 1 1/2 minutes to go. Seattle fans were rooting for 100 points and for Baylor to add to his score, but Seattle coach John Castellani did not send him back.

Portland took an early lead and still was in front after 12 minutes of play. But then Baylor tipped in a field goal to give Seattle a 25-24 edge. By halftime was in front 55-37.

Baylor was the whole show for Seattle. The next high Seattle scorer was Charley Brown with 23.

Lloyd Wins At Sun Valley

SUN VALLEY, Idaho, Jan. 12 (AP)—Kenny Lloyd of Mammoth Lake, Calif., won the Sun Valley Open ski meet today, placing second in the day's slalom event.

The second-placed finish, added to his victory in Saturday's downhill race, was enough to give him the Class A men's combined title.

Lloyd was shaded in the slalom by Dick Dorworth of Reno, Nev., whose time of 86.4 seconds in the two runs was a 4 seconds better than the Californian's.

Dorworth placed seventh in the downhill, giving him a third place in the combined.

Second place in the combined went to Robin Miller, Portland, Ore., who averaged 28.0 seconds in the slalom—third place to go with his fourth-place finish in yesterday's downhill event.

For the women, Beverly Anderson of McCall, Idaho, made it a clean sweep by winning the slalom. Her time was 94.4 seconds. She was also first in the downhill, giving her women's honors in the combined standings.

Mary Paget of Portland was second in the slalom and second in the combined. Third place in women's slalom—combined—went to Eloise Stevenson, White Salmon, Wash.

Cramer Tops Bowl Meet

MINNEAPOLIS, Jan. 23 (AP)—Morris Cramer, a thin, was sharpshooter from Albany, N. Y., shot into first place in the All-Star bowling tournament qualifying rounds here today.

On the fourth and final round of the day, the 32-year-old bowling proprietor bagged out a 1300 score on games of 186, 225, 216, 214, 210 and 269.

He collected 53 strikes and had only one open frame in 60, giving him a 12-game total of 2591.

Cramer clicked off eight straight strikes in his final game, only to be frustrated by a balky 10-pin in the ninth frame on what appeared to be a perfect hit.

Dick Selgo, Port Clinton, Ohio, the leader through the early rounds with 2532, was pushed into second place by the Cramer onslaught. Joe Joseph, Lansing, Mich., also was demoted, dropping from second to third with 2275.

The 192-member men's field faces two more days of qualifying rounds. At the conclusion of these preliminaries, the 94 scorers will be graduated to the semi-finals Wednesday.

Little Rock High After Football Tilt

LITTLE ROCK, Ark., Jan. 12 (AP)—Little Rock Central High is looking for a football team which wants a shot at a 33-game winning streak.

The Tigers, perennial Arkansas state champions, want to schedule an out-of-state school for an opening game here Sept. 11 or 12.

Coach Gene Hall said the Tigers would consider a road game if a strong school offers a 2-year contract.

West Clobbers East, 26-7, in Pro Bowl Game; McElhenny, Brito Star

By BOB MYERS

LOS ANGELES, Jan. 12 (AP)—Fullback Alan (the horse) Ameche cracked loose with a 66-yard run in the last moments of the first half to set the scene for a key score and the west rolled on to a 26-7 victory in the pro bowl football battle today.

The smashing run by the big Baltimore Colt star led to a field goal by his teammate, Bert Rechichar, that sent the West to a lead it never relinquished.

A record crowd of 66,834 sat under sunny skies to see this eighth game in a series that stars

First downs	8	14
Passing yardage	75	129
Rushing yardage	50	15-25
Passes intercepted by	1	1
Fumbles lost	0	2
Yards penalized	15	43

the pick of the Western Conference against the best of the Eastern of the National football league.

Recalling the scoring rule from a subcommittee, the football lawmakers voted to give two points for a conversion scored on a run or a pass and one point if scored on a kick.

This surprise move—designed to add drama to the dull conversion play—was the first change in football scoring rules since 1906.

Under the old rule only one point was awarded for a conversion, no matter how it was scored.

The football rules committee of the National Collegiate Athletic Assn. (NCAA) approved the scoring and substitution revisions by a unanimous vote.

The substitution change permits every player to re-enter a game during each quarter. For the past three seasons, only the 11 players who started a quarter could re-enter. Substitutes were allowed only one appearance.

(Continued page 9, col. 4)

Grid Rules Change in PAT Made

FORT LAUDERDALE, Fla., Jan. 12 (AP)—College football rule-makers adopted a revolutionary change in the game's scoring system and relaxed substitution barriers another notch today. Both take effect immediately.

Recalling the scoring rule from a subcommittee, the football lawmakers voted to give two points for a conversion scored on a run or a pass and one point if scored on a kick.

This surprise move—designed to add drama to the dull conversion play—was the first change in football scoring rules since 1906.

Under the old rule only one point was awarded for a conversion, no matter how it was scored.

The football rules committee of the National Collegiate Athletic Assn. (NCAA) approved the scoring and substitution revisions by a unanimous vote.

The substitution change permits every player to re-enter a game during each quarter. For the past three seasons, only the 11 players who started a quarter could re-enter. Substitutes were allowed only one appearance.

6 Make Ski Jump Team

ISHPEMING, Mich., Jan. 12 (AP)—Norway-born Anders Samuelstuen, rugged 35-year-old Art Tolle and four comparative youngsters today won places on the U. S. ski jumping team that will invade Europe for the world championship meet.

Others to qualify, as a field of 26 candidates finished the last three of a total nine jumps at Suicide Hill, were:

Dick Rahol, 23, a construction worker and a cutlery salesman from Iron Mountain, Mich.; Jim House, a 5 feet 4 1/2 inch 120-pounder who is a machinist at Iron Mountain; Willie Rasmussen, 27, iron mine worker at Ishpeping; and Rudy Maki, 22, who does forging work in an Ishpeping blacksmith shop.

Rahol and Maki were members of the 1956 U. S. Olympic team, and Tolle, registering from Lake Telemark in New Jersey, was on the 1952 Olympic squad.

The 25-year-old Samuelstuen, now living in Denver, came to the country under the NATO program in 1951, became an American citizen and was the national ski jumping title last year. The wiry, blond stylist who is an electrical technician, holds the U. S. distance record of 216 (Continued page 9, col. 7)

West Shrine Team Picked

PORTLAND, Jan. 12 (AP)—Tillamook Catholic dominated the West squad as players were picked here today for the Shrine East-West All-Star prep football game in Pendleton.

The game will be played next August. Only seniors from Class B schools were picked for the squads.

Tillamook landed three players on the team—Bob Mekkers and Butch Rolfe and back Denny Codd. Other West squad members include:

Ends—Wade Harrison, Westfir; Eldon Smith, Jacksonville.

Tackles—LeRoy Noffsinger, Yoncalla; Butch Hageman, Corbett; Troy Koozt, Brownsville.

Guards—Larry Edmundson, Elkton; Mickey Harris, Gaston; Phil Hochspeier, Jefferson; Mike Nimick, Days Creek.

Centers—Bob Drullinger, Loran.

Backs—Larry Nye, Monroe; Larry Guenther, St. Boniface; Jack Varner, Triangle Lake; Byron Baker, Camas Valley.

High Schools Not To Use New Rule

PORTLAND, Jan. 12 (AP)—Oregon high schools probably will not use the new rule on points after touchdowns next season, O. D. Haves, assistant secretary-treasurer of the Oregon School Activities Assn., said tonight.

"We just had a rules committee meeting in Lexington, Ky., and there were no important changes made. As you know, the national high school and college rules groups are completely divorced," Haves said.

Haves said the high school rules group probably will not take up the new rule—allowing two points for a conversion by pass or run—until after the next football season. He said the rules group then probably will decide on the matter in the light of what experience the colleges have had with the rule.

"It's a shame that the high schools and colleges can't have the same code," he said.

Ski Association Sets Meet Dates

SEATTLE, Jan. 12 (AP)—The junior committee of the Pacific Northwestern Ski Assn. said today four races would serve as qualifying meets for selection of a team to compete in the national title event.

The four include the Lilac Cup held last week out of Spokane; the Schwaegerl Cup Jan. 25-26 at White Pass; the Cranston Cup at Bogus Basin, Idaho, Feb. 1-2, and the Junior Silver Skis Feb. 15-16 at Mt. Hood.

Junior skiers wishing to be considered for the team must compete in two of these meets and in the PNSA junior championships March 8-9. The site for the latter will be named later.

Eight boys and four girls will be selected for the team.

MOORE TO MEET POMPEY

LONDON, Jan. 12 (AP)—British boxing promoter Jack Solomons said tonight he would match world light-heavyweight champion Archie Moore in a return bout with Yolande Pompey of Trinidad if he is staged at Kingston, Jamaica, early in March.

Pro Basketball Royals Belt Celtic Five

CINCINNATI, Jan. 12 (AP)—Boston's Celtics, minus stand-out Bill Russell, were a soft touch for Cincinnati's Royals tonight who won their first National Basketball Assn. victory over the Celtics this season, 115-97.

The Royals held a 22-point lead with less than two minutes to go.

EASTERN DIVISION				L	Pct.	GB
Boston	26	11	703			
Syracuse	23	17	375	1/4		
New York	19	23	487			
Philadelphia	16	19	487			

WESTERN DIVISION				W	L	Pct.	GB

Cincinnati	19	21	414				
Detroit	15	24	485	1/2			
Minneapolis	5	34	231	1/2			

The Royals held a 22-point lead with less than two minutes to go.

Wright 1st In Golf Go

SEA ISLAND, Ga., Jan. 12 (AP)—Young Mickey Wright faltered in the final round of the \$5,000 Sea Island Ladies Invitational Golf Tournament today but still emerged a three-stroke victor.

The plucky long-hitting San Diego, Calif., blonde was able to fade to an eight over par 80 and still triumph by virtue of a six-stroke lead as the third day's play began.

Strong breezes swept the sea-side Sea Island course and buffeted all of the 62 professionals and amateurs.

Miss Wright's 224 total bested a fast finish by Betsy Rawls of Spartanburg, S. C. Miss Rawls' 75 gave her 227 for the 54 holes.

Patty Berg, of St. Andrews, Ill., played steady golf for a 76 and third spot at 229. The runner-up yesterday, Louise Suggs of Sea Island, fell off to 231 with a dismal 83 final.
