

### Rosy Accent For Winter Time Foods

Winter is a time for cherries. They brighten the breakfast muffins, flavor and frost a snowy layer cake, fill a batch of dainty cookies. Not as noticeable, perhaps, but just as important in all these baked foods is the nutritional quality of the flour with which you make them. Be sure to buy enriched flour.

**CHERRY PUFFS**  
1 package yeast, compressed or dry  
1/2 cup lukewarm water  
1 cup milk  
1/4 cup shortening  
1/4 cup sugar  
1 teaspoon salt  
3 1/2 cups sifted enriched flour (about)  
1 egg, beaten  
1/2 cup chopped candied cherries  
Granulated sugar

Soften yeast in water. Scald milk and add shortening, sugar and salt. Cool to lukewarm. Add 1/2 cups flour and mix well. Add softened yeast and egg. Beat well. Add more flour to make a stiff batter. Beat thoroughly until smooth. Cover and let rise until bubbly (about 1 hour). Stir down and add cherries. Mix well. Drop by spoonfuls into greased muffin pans. Sprinkle with sugar. Let rise until doubled (about 30 minutes). Bake in moderate oven (375 degrees) 20 to 25 minutes. Makes 1 1/2 dozen 3-inch sweet rolls.

Cherry Surprise Cake is a dish you can bake for the entire family or, if you like, divide into individual party cupcakes.

**CHERRY SURPRISE CAKE**  
2 cups sifted enriched flour  
1 tablespoon baking powder  
1 teaspoon salt  
1 1/2 cups sugar  
1/2 cup hydrogenated shortening  
1 cup milk  
1 teaspoon vanilla extract  
3 egg whites (about 1/2 cup)  
1 cup drained-sour pitted cherries (unsweetened)  
Cherry Frosting

Sift together flour, baking powder, salt and sugar. Add shortening and 2-3 cup milk. Mix to blend. Beat 2 minutes at medium speed of electric mixer or 300 strokes by hand. Add remaining milk, vanilla extract and egg whites. Mix to blend. Beat 2 minutes or 300 strokes longer. Fold in cherries. Bake in 2 greased paper-lined 8-inch round pans or greased 2-inch muffin pans, filling 2-3 full. Bake in moderate oven 350 degrees 30 to 35 minutes. Frost with Cherry Frosting. Makes 2 8-inch layers or 3 dozen 2-inch cupcakes.

**CHERRY FROSTING**  
1 1/2 cups sugar  
6 tablespoons unsweetened cherry juice  
1 tablespoon corn syrup  
2 egg whites  
1 teaspoon vanilla extract  
Few drops red food coloring

Combine all ingredients except vanilla extract and food coloring in top of double boiler. Mix well. Place over boiling water. Beat constantly with rotary beater until mixture holds its shape. Remove from heat, add vanilla extract and food coloring. Beat until cool. Frost sides and tops of cakes. Makes frosting for 2 8-inch layers or 3 dozen cupcakes.

# OLD FASHIONED VALUES AT IGA

Bargains Galore in Every IGA Store That Remind You of the Good Old Days

Here's what folks are thinking about when they talk about the good old days . . . Mighty fine foods at prices that won't strain your family budget . . . Prices that make it easy to recall those good old days . . . You'll like the old fashioned courtesy at these friendly IGA stores, too.
