Dallas Goes for Crown Clinch in WVL Tonight

Molalla Hi Court Foe

Crucial Contest On Dragon Floor

The most important game on the Dallas High basketball schedule rolls forth on the Dragons home court tonight at eight o'clock, when coach Gordy Kunke's squad takes on the Molalla Indians.

A win for Dallas will practically assure the Dragons the Willamette Valley League championship and its accompanying berth in the St te V2 tournament here next month.

Dallas goes into the ba.. one with a spotless league record of seven straight wins. Molalla has a 6-1 mark, and the lone loss was to Dallas, at Molall., by a 49-42 score in an overtime thriller on January 31.

Since Dallas has only Central Hi and Sandy to play in final league games, while Molalla hooks Sandy and Estacada, the Indians cannot afford to lose again tonight.

While this major issue is being settled at Dallas tonight, other WVL games find Estacada (0-7) at Central Hi (3-4) and Sandy (4-3) at Canby (1-6).

Probable starters in the Molalla-Dallas game will be Gary Henry (6-3), Murline Fast (6-1), Claude McLean (6-5), Tom Parsons (5-6) and Bob Wall (6-0) for the Dragons, and Gary Larson (6-2), Judd Browne (6-3), Gerald Parker (6-3), Dave Brock (6-0) and John Marson (5-11) for coach Ralph Capasso's Indians.

Marion B Clubs Complete Play Tonight, Eye Berths

Both the Marion B League Major and Minor Divisions complete their regular loop basketball schedules tonight, and then put their staunchest representatives into a myriad of playoff games to determine which one goes to the State B tournament at Pendleton next month.

Tonight's slate in the Major Division, which has already been won by the Jefferson Lions: Santiam (14) at Jefferson (5-0) and Colton (3-2) at Sublimity (1-4).

The night's schedule in the Minor Division, which has been won by Falls City: Oregon School for Deaf (7-6) at Chemawa (5-8), St. Paul (10-3) at Valsetz (3-10), Perrydale (4-9) at Detroit (2-11) and Falls City (12-1) at MacLaren (9-4).

Jefferson and Colton, as 1-2 teams in the Major Division, and Falls City, as Minor Division champ, have already clinched league playoff berths. However, the No. 2 finisher in the Minor Division, which very likely will be St. Paul, must meet Siletz High next Tuesday night in a game at Jefferson to see which one becomes the fourth entry in the playoffs.

These playoffs are to be held at Mill City's Santiam High starting late next week, a double elimination affair that will produce the district representative for the state finals at Pendleton.

Since MacLaren is reportedly ineligible for post-season playoffs, a possible final league tie for second place with St. Paul will do the Hawks no good.

The first round pairings for the district tournament at Mill City will be announced later by league officials.

Season records for the teams to be involved in the playoffs: Falls City 16-2, Jefferson 16-3, Colton 12-3, St. Paul 12-6 and Siletz 12-8.

4,000th Win Circle Crashed by Arcaro

ARCADIA, Calif., Feb. 20 (AP)—Jockey Eddie Arcaro rode into the fabled 4,000-winner circle today.

The nation's leading stakes winner became the third rider in the world to score 4,000 or more victories when he brought in Ban to win the eighth race at Santa Anita Park.

A crowd of 21,000 gave Arcaro a big round of applause as he brought his mount into the familiar surroundings of the winner's enclosure.

Two days ago the horse players had expressed displeasure when Eddie lost out in five trips to the post, three of them favorites, and scored on only one, also a favorite. Yesterday he missed in three tries.

The 4,000 club is headed by Johnny (Moneybags) Longden, who at the age of 48 is still going strong here and whose lifetime total is 5,092 winners.

The other member of the select lodge is England's Sir Gordon Richards, who retired several years ago with 4,870 to his credit.

Arcaro's first win came at Mexico's historic Caliente race track. The date was Jan. 14, 1932. He rode a long since forgotten horse named Eagle Bird.

Eddie was a stringbean sprite not quite 16 years old.

While today's milestone was worthy of a place in the history of horse racing, it was in a sense just another race to Arcaro.

The eighth race was the third and last chance of the day for Arcaro to score a win. He finished out of the money in the second race on Palace Court and on Bounty Bay in the featured seventh. Bounty Bay was the second betting choice, but was left at the gate and was never a serious threat.

Arcaro's unchallenged claim as the stakes king of the country is based on a total of some 443 victories in such events. His mounts have earned more than 23 million dollars.

Twice Eddie has been the rider of triple crown champions, Calumet Farm's Whirlaway in 1941 and its mighty Citation in 1948.

Six times Arcaro has won the famed Preakness and he has won the Belmont stakes, third jewel in the triple crown, six times.

BOSTON, Feb. 20 (AP)—Big Bill Russell scored on a driving layup with 20 seconds remaining for Boston's tense 94-92 victory over Cincinnati today at the garden.

Philadelphia rookie Woody Saulsberry, formerly with the Harlem Globetrotters, accounted for 34 points as the Warriors defeated cold shooting Syracuse 110-97 in the opener of the unusual midweek afternoon National Basketball Assn. doubleheader.

The winning shot by the 6-10 former Olympic star gave the Celtics a 94-90 bulge and Clyde Lovellette's last moment bucket for the Royals was too late.

The Boston victory and Syracuse loss made the magic number three for the Celtics to clinch their second straight Eastern Division championship. Any combination of Boston victories or Syracuse defeats adding up to three will wrap up the regional crown for the defending world champions.

Jack Riley of Linfield, who added 25 points to his total as the first-place Wildcats edged Lewis and Clark Tuesday, now leads Northwest Conference basketball scorers with an average of 21.2 points per game.

The 5-foot-7-inch Riley, a sophomore guard from Portland's Grant high school, has racked up 212 points in 10 games. This gives him a slight margin over last week's leader, forward Jerry Kalapus of Pacific, whose average is 20.9, from 188 points in nine appearances.

Vic Backlund, Willamette forward, ranks third, with an average of 18 points, followed by his teammate, guard Eddie Grossenbacher, at 17.6, and Roycee McDaniel, Lewis and Clark guard, with 17.3. McDaniel is second in total points, with 208.

Grossenbacher of Willamette has moved into the free throw accuracy lead with a fine .862 mark, the result of 50 conversions in 58 attempts. Robin Beck, Whitman, has .828; Roger Fleck, Lewis and Clark, .824, and Tom Johns, Willamette, .805.

Max Johnson, springy Whitman forward, continues to set the pace in rebounds, with an average of 14, based on 168 in 12 games. Kalapus, possessing an average of 13, is a close second.

Team wise, Willamette leads in all offensive categories, with an average of 76.7 points per game, a field shooting average of .419 and a free throw mark of .735. College of Idaho has proved stingiest, limiting opponents to an average of 62.9 points. Linfield is a close second to Willamette in team offense, with a 74.7 average.

now and then, the coastal angling remains on the poor side. Continued high waters have made it possible for steelhead to keep dribbling in all through the season without interruption. They have had little or no trouble continuing right on through to the spawning grounds above the deadlines.

To give the die-hards a bit longer to suffer it out, the Alsea river will remain open until the end of March. This extra month of fishing on the Alsea is to aid in the study of the return of marked steelhead. Fin clipped steelhead in the 6 to 8 inch class were released in the Alsea and the Game Commission is interested in learning the return habits.

Possible to Restore Fly Line . . .

We were asked not long ago, if it were possible to restore life to an old and "tacky" fly line. It is possible. If the line is not worn out and appears in good condition except for stickiness caused by being left on the reel all winter, one may refinish the line so that it will give a few more seasons of casting.

Stretch the line out in either attic or basement and rub thoroughly with kerosene. Kerosene is used because it contains oil and will no dry the line out as will cleaning solvents. After the line is cleaned of all grit and tackiness, use a mixture of 4 parts boiled linseed oil to 1 part varnish, and apply it over the line with your fingers. Rub it into the line well and then let dry. Once the line is dry you may polish with a soft rag and the line will be serviceable again.

Indecent Exposure . . .

Bouchee Enters Plea Of Guilty to Charges

SPOKANE, Wash., Feb. 20 (AP)—Ed Bouchee, first baseman for the Philadelphia Phillies, pleaded guilty today to two counts of indecent exposure involving girls aged 6 and 10.

Superior Court Judge Ralph P. Edgerton ordered a presentence investigation. He tentatively set March 5 for sentencing.

Bouchee, 24-year-old rookie batting star last year will remain free under $2,500 bond while the investigation is made by the State Probation and Parole Office.

Bouchee was asked how he wanted to plead to each charge.

"Guilty," he said, and then sat down.

Indecent exposure involving children is a felony in Washington. Maximum sentences are set at not more than a year in county jail or not more than 20 years in the state penitentiary.

Prosecutor John Lally said Bouchee had admitted enticing the 6-year-old girl into his car at an amusement park here Dec. 31, showing her indecent pictures and exposing himself. He was charged originally in this case. An amended information filed later included the second count.

Bouchee's arrest followed more than two months of child-molesting reports.

Bouchee, married and the father of one child, worked here in a department store and as a car salesman during the off season.

Bouchee batted .293 and hit 17 home runs for the Phillies. The club had sent him a 1958 contract with a substantial pay increase, but has had no comment since his arrest.

Junior High Play

Full Round Set Today

With a full round of games on tap today the Junior High hoop loop could windup its championship race for all practical purposes. The league leading Parrish Grays boasting a perfect 7-0 mark, are slated to tangle with the last place Parrish Pioneers (1-7), and a win will give the John Dalke coached Grays the circuit toga with two games yet to play.

Today's games: Golds vs. Blues at Leslie (4 p.m.); Warriors vs. Cards at Parrish (4 p.m.); Grays vs. Pioneers at Parrish (8 p.m.).

The second place Parrish Cards (5-3) are to tangle with the fourth place Leslie Warriors (3-4) in a 4 p.m. go on the Parrish floor. The other game finds Leslie the scene of another 4 o'clock clash between the Leslie Golds and Blues. The Golds are currently in third place with a 4-3 record, while the Blues are in fifth with 2-5. The Grays-Pioneers clash is billed for 8 p.m. at Parrish.

One of the main reasons the Grays are making a runaway of the league is the proficient point making of Pat Loy. The high scoring Loy is far out in front in the individual point race with 172 tallies in his seven games for a 24.55 average per outing.

Way back in second place with 73 points is Steve Stewart of the Golds. Dale Meyers of the Blues is third with 65, and another Gray, Jack Holstad, is in fourth place with 51.

The remainder of the top ten are as follows: LeRoy Haven, Warriors, 49; Larry Haskell, Pioneers, 46; Lonnie Dockter, Cards, 45; Gary Edwards, Warriors, 44; Ed Maerz, Warriors, 43; Jimmy Gettis, Pioneers, 37.

Valdes Set For Miteff

NEW YORK, Feb. 20 (AP)—Big Nino Valdes, a highly ranked heavyweight for many years, takes on 22-year-old Alex Miteff, a newcomer with only 15 pro fights, tomorrow night at Madison Square Garden.

Although the hulking Cuban knocked out Joe Erskine, the British champion in one round a year ago, and Miteff was stopped in one by Mike de John of Syracuse, N.Y., the 10-round match is a "pick 'em" fight.

The first heavyweight bout in the Garden since 1956 will be carried on network (NBC) radio and television, starting at 7 p.m. (PST). As usual, two judges and a referee will score by rounds, using a supplementary point system in case of even rounds.

Canadiens in Hockey Win

MONTREAL, Feb. 20 (AP)—Maurice (The Rocket) Richard returned to action tonight after being sidelined by an injury for more than three months and scored two goals in leading the Montreal Canadiens to a 4-0 National Hockey Leagues victory over the Boston Bruins.

The incomparable Rocket, who suffered a skate cut on his heel early in November, showed a season record crowd of 14,528 that he has lost none of his wizardry. He picked up his first goal at 12:21 of the first period after Claude Provost had sent the league leading Canadiens off in front at 6:12.

The Rocket added his second goal at 5:32 of the second period. In both of his goals he was assisted by his younger brother, Henri, and Dickie Moore. The other Montreal tally came at 18:05 of the third session by Jean Beliveau as goalie Jacquer Plante posted his ninth shutout.

OTI Paces Statistics in OCC Play

Winters Leads Point Parade

PORTLAND, Feb. 20 (Special)—Portland State's John Winters is still the individual leader in the point derby in the Oregon Collegiate Conference. Winters has hit for 225 points in 13 games for a 17.3 average.

Bill Hollingsworth of Southern Oregon is second with 257 points in 15 games for a 17.1 average. Hollingsworth is the total point leader.

There were no major changes among the OCC statistical departments during the past week. This was mainly due to Oregon Tech, leading in six of eight departments, having an idle week in conference play.

The biggest move up the ladder was by OCE's Rex Brown who jumped from nowhere to second place in field goal accuracy. Brown hit 12 of 15 shots from the field against Eastern Oregon last week end in Monmouth to hike his shooting average 99 points over the previous week. His .508 percentage is only 29 behind OTI's Truman Williams.

Johansson Favored to Defeat Erskine in Mix

GOTEBORG, Sweden, Feb. 20 (AP)—Ingemar Johansson, Sweden's undefeated European heavyweight champion, was favored today to defeat Joe Erskine in a title defense tomorrow night and blast the Welshman's hopes for a world championship bout.

Erskine, 24-year-old British Empire ruler, is virtually set to get a crack at Floyd Patterson's world title in London this June if he defeats Johansson.

The 25-year-old Swede, undefeated in 18 professional fights, unofficially was held the 2-1 choice to win the 15-rounder in the Goteborg Fair Hall. Bookmaking is illegal in Sweden.

The hall's 5,500 seats long have been sold out although promoter Edwin Ahlquist has charged $15— a record high for Scandinavia—for the best seats. The gross gate will amount to approximately $50,000. Johansson, who is managed by promoter Ahlquist, will collect about $15,000. Erskine will receive about $6,000.

Starting time for the bout is 8:15 p.m. (3:15 p.m., EST).

Neither is rated a strong puncher and the bout is expected to go the route. If it does, the decision will be made by the three judges. The referee, Germany's Herbert Tomser, will not vote. The Olympic point system will be employed. The winner of each round will receive 20 points, the loser 19 or less.

Johansson's record of 18-0 includes 10 knockouts, most of the technical variety. He is 25, 6-foot, 1-inch, and weighs about 200 pounds. Erskine's record is 32-1-1, including 10 knockouts.
