HILLMAN MINX BREAKS ALCAN HIGHWAY RECORD

New Record Officially Timed 5,000 miles in less than 5 Days

The experts said it couldn't be done - no car could travel the ruinous 5,000-mile round trip between Vancouver, B. C., and Fairbanks, Alaska, without breakdowns and delays that would stretch the trip well into the second week. But this stock Hillman amazed these experts recently when it

MADE THE TORTUOUS 5,000-MILE TRIP IN 4 DAYS AND 22 HOURS, AVERAGING OVER 42 M.P.H. WITHOUT A SINGLE MECHANICAL FAILURE!

THEN THIS SAME HILLMAN AVERAGED 35.7 MILES PER GALLON FOR 6,222 MILES - FROM VANCOUVER, B. C., VIA NEW YORK TO MIAMI, FLORIDA!

That's PROOF, right here at home, of Hillman's incredible stamina! And economy! A stock Hillman, identical to the ones in your dealer's showroom, couldn't be stopped by the twisting ruts, jagged rocks, swirling dust and blinding rain that foul the roughest roads in North America. Yet this stylish family car has grace as well as guts, with beauty and roomy comfort that make its low, low price hard to believe. Road-test a Hillman today!
