National YW Week Events Announced

The Young Women's Christian Association of Salem announced today it will join with YWCAs in more than 1,600 communities in the United States to observe National YWCA Week, April 21 through April 26.

During the week, the YWCA will center its program around the national theme, "A Bigger World for You—Join the YWCA," according to Mrs. Carolyn Cocking, executive director.

To help the community learn about its many activities, the Y is scheduling several events during this week. Exhibits will be on display in the lobby of the Y, of work done in the following classes: oil painting, textile painting, copper enameling, millinery, landscape gardening and flower arranging. There will also be pictures of various classes in action, plus pictures of activities of clubs sponsored by the Y.

Tuesday noon the Campus Y group of Willamette University will hold a luncheon meeting at which time Mrs. William Crothers, recently elected to the national YWCA board, will speak on "To Be a Woman."

Open House Tuesday The open house, emphasizing "New Friends Day for the YWCA," will be held on Tuesday from 3 to 7 o'clock, to which the public is invited. During this open house there will be tours of the building, including the residence, plus the opportunity to view the exhibits and to meet new people and enjoy refreshments. Free child care will be provided from 3 to 5 o'clock for the use of mothers attending the function.

On Thursday morning there will be a Morning Matinee at which Mrs. George Rhoten will show colored pictures of her travels to Hong Kong, Thailand, Singapore and the Philippines. Coffee will be served from 10 to 10:30, followed by the program. This will be a benefit for the Expansion Fund of the Y.

While the YWCA throughout the year seeks to offer program that will help girls and young women enrich their lives, National YWCA Week is the time when Associations in all parts of the United States concentrate on giving the entire community a fuller understanding of the role of the YWCA, not only in this country but in the 69 others where the YWCA is at work today.
