

LA Uproar Continues

'Political Boss' Charge Hurdled

LOS ANGELES (AP)—Controversy over the Los Angeles Dodgers-Chavez Ravine deal hit another peak Tuesday, with councilman John Holland accusing Dodger president Walter O'Malley of trying to become a political boss.

O'Malley in reply accused Holland, arch enemy of the Chavez Ravine deal, with trying to throw a "red herring" into the issue.

There was an uproar, when television cameras centered on Holland and his council associate, Pat McGee. Other councilmen, who have voted for the Chavez Ravine deal, demanded to know why the TV cameras had been tipped off in advance of the meeting of the council.

Holland introduced two photographs of documents purporting to show that O'Malley had vetoed a press release issued jointly by the city attorney and county counsel May 2, 1957. Holland said this picture of O'Malley as appearing to become "a political boss and censor."

O'Malley, from his office, declared: "This is a red herring, and an old one."

He explained that the May 2 release was not approved by him "because on that date we were considering ways and means of bringing major league baseball to Los Angeles and not specifically the Brooklyn Dodgers."

"The Dodger ownership at that time was not ready to give up efforts being made to keep the franchise there," O'Malley said.

Council members James C. Corman, Rosalind Wyman and John S. Gibson were among those who criticized what they called Holland's insinuations.

They said city attorney Roger Arnebergh, county counsel Hal Kennedy and O'Malley should have been invited to the meeting to answer the accusations.

"Holland's interpretation is ridiculous," Arnebergh said later.

Moore Signs To Meet King

SACRAMENTO, Calif.—Venerable light heavyweight champion Archie Moore agreed Tuesday to fight Howard King of Reno, Nev., in a 10-rounder here June 8.

Moore, who needs only one more knockout to become even more of a boxing legend, has beaten King three times, all in 10-round decisions.

Co-promoter Jackie King quoted King as saying: "If he hasn't knocked me out in 30 rounds, he isn't going to. Time is running out for Mr. Moore. By law of averages I should win this time."

Moore is tied with the late heavyweight young stribling for the record of 128 knockouts. The most for any boxer regardless of weight class.

Ballots Sent Musial Vies For Award

CINCINNATI (AP)—Stan Musial made his 3,000th major league hit during the month of May but he doesn't figure to be a show-in for the National League's first player-of-the-month award.

Such players as San Francisco's Willie Mays and Mike McCormick; Pittsburgh's Frank Thomas and Ronnie Kline and Chicago's Taylor Phillips may give him a battle.

Starting this month, the National League will present a trophy to the player chosen by a representative group of baseball writers and broadcasters as the player-of-the-month.

Ballots for the first award went out Tuesday from National League headquarters. Along with them went a list of 17 players who, off the cold, matter-of-fact average for the month figure to receive consideration.

Dave Grote, service director for the league, made it plain that the list did not constitute nominations. He said it was sent along from figures compiled for the month just to help the writers and broadcasters make their selection.

Votes will be sent in after games of May 31 and the first winner will be announced June 3.

Jap Horse Flown Here

INGLEWOOD, Calif.—Japan's leading thoroughbred, Hakuchikara, arrived on a private chartered plane from Tokyo Tuesday pointing for three rich stakes at Hollywood Park.

The 5-year-old chestnut stallion was accompanied by his regular jockey, Takayoshi Yasuda, and Keiichi Ishida of the Nosawa Limited Bloodstock Agency of Japan.

Through an interpreter, the jockey said Hakuchikara shipped excellently and arrived in top shape. The horse, said to be the greatest in Japanese racing history, wore special knee, shin and head guards to prevent possible injury in rough flying weather.

Public trainer Bob Wheeler, who handles such stables as the C. V. Whitney string, Old Pueblo and others, will take over conditioning.

Hakuchikara is nominated for the \$100,000 added Hollywood Gold Cup and probably will also be nominated for the \$50,000 added American and \$100,000 Sunset handicaps in July.

\$100 Each Fight Brings Three Fines

PITTSBURGH (AP)—The Pittsburgh Pirates announced Tuesday that manager Danny Murtaugh has been fined \$100 by National League President Warren Giles for his part in a fracas Sunday in the first game of a doubleheader with the San Francisco Giants here.

Later, in Philadelphia, Giant pitcher Ruben Gomez and first baseman Orlando Cepeda revealed they had been fined the same amount for their part in the melee.

In a telegram to Murtaugh, Giles stated that the disturbance "could have been avoided had you not come off the bench when the umpire was going to talk with your pitcher just as he did with (Ruben) Gomez. For your conduct you are fined \$100."

Here's what happened Sunday: Gomez hit Bill Mazeroski with a pitched ball in the fourth inning. Gomez had to dodge a pitch by Vernon Law in the next inning.

When umpire Frank Dascoli walked out to warn Law, Murtaugh charged off the bench. While "doing so, he exchanged words with Gomez and the fracas was on. Cepeda, coming to the aid of Gomez, his roommate, had to be restrained by Willie Mays, who tackled Cepeda from behind.

The melee lasted 15 minutes, involving managers, players and coaches from both clubs.

Riled by what he termed a "disgraceful, uncalled for brawl," Joe L. Brown, Pirates' general manager, filed a strong verbal telephone protest with Giles Monday.

Campy Up in Wheelchair

NEW YORK (AP)—Roy Campanella, Los Angeles Dodger catcher who suffered a broken neck and paralysis in an automobile accident Jan. 28, now is about to sit up in a wheelchair, a hospital spokesman said Tuesday.

He sat up for the first time Monday, and again Tuesday. Plans call for him to be up in the mornings and afternoons for increasingly long periods. He had his lunch sitting up today and then was taken on a wheelchair tour of the hospital.

Campanella is sitting up better in bed now, and watches ball games. He was particularly pleased to see the Dodgers defeat the Philadelphia Phillies Monday night.

U.S. Women Win Tennis Matches

SURBITON, England (AP)—Althea Gibson of New York and her U. S. Wimbledon Cup teammate, Mimi Arnold of Redwood City, Calif., won matches Tuesday in the Surrey Lawn Tennis championships, a tuneup for Wimbledon.

Miss Gibson, holder of the Wimbledon and U.S. titles, walked onto the court a few hours after arriving from America and brushed aside Mrs. Gertrude Preston of England 6-2, 6-1.

PORTLAND, Ore.—The Portland Beavers of the Pacific Coast League Tuesday announced the trade of Ray Bauer to San Diego for Vic Lombardi. Both are left-handed pitchers.

Newcombe Says Campy's Loss Responsible for Dodgers' Slump

By JOE REICHLER

PHILADELPHIA (AP)—Don Newcombe tells you in two words what he thinks is mostly wrong with the Dodgers.

"No Campanella."

"What's the use of kidding," said the huge Los Angeles pitcher Tuesday before the team left for Pittsburgh. "You can talk all you want about the Coliseum, about old age that's catching up with the team, about the failure of the guys to hit."

"But the real truth is that without Roy Campanella we're just another ball club. He was the heart and soul of the team. He was the difference. Everybody on the club knows it. You just can't take the best catcher in baseball off a team and be the same."

Newcombe is off to the worst start of his career. He has started five games and he has been knocked out in all of them. His record is 0-4. He hurt his shoulder in his first start of the season, in San Francisco. It was thought at the time the injury was a pulled muscle, but only recently Newcombe learned the muscle had been torn.

"It is all right now," Newcombe says.

"With due respect to our catchers," Don said, "I'm sure my record would be much better if Campy were behind the plate. In fact, the other pitchers' records would be better, too. Take Don Drysdale, for instance. I think he misses Roy the most."

"Campy nursed Don along practically from the first day he joined the club. He knows more about Drysdale than Don knows himself. The kid was his personal protégé. He watched him like a baby. He knew how to get the most out of him. I'll bet if Campy were catching him he'd have won three or four more games." (Drysdale's record is 2-7.)

Newcombe emphasized he had no wish to belittle the Dodgers' current catching trio.

"They just don't know," he said.

Final Yank Netters Lose

PARIS (AP)—Maria Ester Bueno, Brazil's 19-year-old sensation, scored an upset quarter-final victory over Mrs. Dorothy Head Knode of Forest Hills, N.Y., Tuesday 6-2, 8-6, and thus eliminated the last American in the French International Tennis Championships.

Budge Patty of Los Angeles and Paris, previously beaten in the doubles when he and Jaroslav Drobny of Egypt bowed to a pair of lightly regarded Spaniards, Luis Arilla and Andres Gimeno. The scores were 4-6, 6-2, 1-6, 7-5.

The fifth-seeded Patty previously had fallen in men's singles, losing to young Robert Haillet of France. Haillet in turn was ousted in a quarter-final match Tuesday by Luis Ayala of Chile 6-0, 7-5, 6-4.

Ayala was joined in the semifinals by a pair of Australians, top-seeded Ashley Cooper and lefty Mervyn Rose. Cooper, the Australian champion, was forced to come from behind to defeat Giuseppe Merlo of Italy 7-9, 6-2, 7-9, 6-3. Rose turned back Pierre Darmon of France 6-4, 8-10, 6-3.

Cooper next plays Ayala and Rose faces Jackie Brichant of Belgium, who advanced earlier.

Red Sox Ink Idaho Star

MOSCOW, Idaho (AP)—Newt Westergren, captain and third baseman of the University of Idaho baseball team, signed a contract Tuesday with the Boston Red Sox organization.

He will report June 16 to Allentown, Pa., the Red Sox farm club in the Class A, Eastern League.

Earl Johnson, Northwest scout for Boston, signed Westergren at a "substantial bonus" but neither would give details. Westergren will be graduated with a degree in economics from Idaho June 8 and will return to his home at Twin Falls before reporting to Allentown.

Westergren led the Northern Division of the Pacific Coast Conference in batting last season and hit slightly over .300 this year.

Adams to Scout

LOS ANGELES (AP)—Former pitcher Dwight (Red) Adams, who spent 14 years in the Pacific Coast League, Tuesday was signed as a scout for the Los Angeles Dodgers.

Adams, 36, spent seven years with Los Angeles, six at Portland and one at San Diego. He was voted the most valuable player with Los Angeles in 1945, when he won 21 games and batted .349.

Russ Marks Out Group Bans Jump Shoe

LONDON (AP)—The elevated high jumping shoe—used by Russians to break an American athletic monopoly—was declared illegal Tuesday and banned throughout the world.

The International Amateur Athletics Federation (IAAF) banning came as a complete surprise. No action was expected on the controversial thick soled shoe until August when the IAAF meets in Stockholm.

The move means that Soviet high jumpers Yuri Stepanov, Vladimir Sitkin and Igor Kashkarov cannot use the shoes Russian officials devised for them during the United States-Soviet track union dual track and field meet in Moscow July 27-28.

Use of the shoe sometimes gave Russian jumpers as much as a one-inch advantage.

The shoe not only started them off one inch higher than other jumpers but helped ease the shock when the foot pounded against the ground on the take off.

Stepanov made the world's highest recorded leap July 13, 1957 in Leningrad wearing a built-up shoe. He cleared 7 feet 1 1/2 inches.

Sitkin jumped 7 feet 1/2 inches in Odessa and Kashkarov cleared 7 feet 1/2 inch in Moscow.

The Russian light athletics section of the Soviet government offered Stepanov's jump as a world record. It was never ratified and action was delayed until the IAAF could consider the shoe.

Failure to accept Stepanov's jump leaves Charlie Dumas of the United States still in possession of the world record. Dumas was the first man in history to clear seven feet. His record jump was seven feet, one-half inch in Los Angeles on June 23, 1956.

Dumas and other leading American jumpers used ordinary sole shoes.

Until the Russian trio began topping seven feet the high jump event at big international meets was usually an all-American affair. However, last year the best eight jumps were all by Russians wearing the illegal shoe.

Marathon Pin Tourny Set

By BOB SCHWARTZ

Statesman Sports Writer

Marathon bowling, a sport in the class of flag pole sitting, six-day bike racing and the marathon dancing contests of the roaring twenties, will take the sports spotlight in Salem starting at midnight June 6.

Cherry City Bowl, managed by Dick Phipps, is putting on a Marathon tournament and a good size entry list is expected. Among the entries already in is Bus Eston, the Roseburg trundler who started the current craze.

Rules have been set up so the men or women must bowl and not just toss the ball. ABC regulation ball must be used; a normal delivery is a must; six games per hour or over must be averaged; and a bowler is eliminated after 12 gutter balls. Rest periods will be allowed.

An entry fee of \$50 will be charged, but will be refunded if the bowler rolls 500 lines.

Round Table Top-Weighted

INGLEWOOD (AP)—Top impost of 132 pounds went to Round Table Tuesday for the \$100,000 added Hollywood Gold Cup at 1 1/4 miles July 12.

Racing secretary John Maluvis assigned Gallant Man 130 and gave the Japanese champion, Hakuchikara, 122 pounds.

The Irish-bred Seaneen, who beat Round Table last week when the Table had 130 and Seaneen packed only 100, will have to carry 118 in the Gold Cup, as will Terrang, the star of the Poltex Stable of Dallas.

Porterhouse was given 117, Social Climber 116.

Altogether, there were 58 weight assignments for Hollywood Park's big race.

California Colt Wins Third

INGLEWOOD (AP)—The 2-year-old California sensation, Tommy Lee, won his third victory in as many starts by capturing the 23.650 Haggin Stakes Tuesday at Hollywood Park.

He dashed five furlongs in 57 4/5 seconds, the best time of the meet, and won by eight lengths from Jungle Dancer. Willie Shoemaker got the English colt off well, had him in front at the quarter pole, and the son of Tudor Minstrel-Auld Alliance drew out and was eased near the end.
