Gives Order Breather Granted By Judge

day on page 4.

LITTLE ROCK, Ark. (AP) -"In the public interest, including the interest of both Negro and white students," U.S. Dist. Judge Harry J. Lemley of Hope Saturday granted Central High School a breathing spell from racial integration.

The veteran Arkansas jurist granted a school board request for a 21/2-year suspension of its gradual plan for public school de

Under Lemley's ruling, the seven Negro students still enrolled at Central at the end of the past school year would be barred from the 2,000-pupil high school this September.

Wiley Branton of Pine Bluff, attorney for the National Assn., for the Advancement of Colored Peo-ple, filed notice of appeal here and asked in a motion that Lemley grant a stay of execution of his order until the appeal is heard

Branton said that if Lemley re-

'Action Outrageous'

In Washington, Chairman Eman-uel Celler (D-NY) of the House lister, associate justice of Oregon Judiciary Committee called Lem ley's action outrageous. He said a subcommittee he heads will start hearings next Wednesday on civil rights, adding: "I shall cause care-ful scrutiny to be made of the conditions out of which this decision arises."

The school board last Feb. 28 asked the federal district court to suspend integration at Central High School until mid-Semester fair and warm, little change in 1961, on the grounds that incidents and tensions stemming from the presence of the Negro students had adversely affected the educa-

The board said it could see no improvement in the situation if the Negroes were permitted to re-

Lemley, 74, heard the case here June 3-5. In reaching his decision,

Lemley wrote in a 35-page opin "The importance of maintaining

ducation standards today is certainly no less than it has been in prior years; in fact it is more urgent. And while the Negro students at Little Rock have a personal interest in being admitted criminatory basis as soon as practicable, that interest is only one be balanced against the public interest, including the interest of all students and potential stu-Eliminating Strife

"There is also another public interest involved, namely, that of eliminating, or at least ameliorat-ing, the unfortunate racial strife and tension which existed in Little Rock during the past year and still exists there." Lemley said the granting of the

board's petition did not constitut a yielding to unlawful force or vioence but that simply an exercise of equitable discretion and good judgment so as to allow a breathing spell in Little Rock and preserve education standards.

His decision was another chap-ter in the Little Rock crisis which began last September when, on the eve of the first year of integration at Central High, Gov. Fabus surrounded the school with national guardsmen.

On his orders, the state troops urned back nine Negro student who attempted to enroll at Central und = a federal court order ap-proving a plan for gradual inte-
