Fantastic Texans Set World Mark

440-Yard Relay Quarter Timed at 39.9 In Record Smashing Kansas Track Meet

By SKIPPER PATRICK

LAWRENCE, Kan., April 20 (AP)—Texas University's fantastic sprinters bettered their own world's record in winning the University quarter-mile relay in 39.9 seconds today, and set the tempo for an all-time high assault on standards in the 32nd annual Kansas relays.

The weather, wet and miserable yesterday, cooperated with bright sunshine, and little wind as records were set in 13 of the 27 university, college and junior college events before 13,500 spectators. Three of the marks were set by Texas' relay teams.

The Texas quarter-mile relay effort came a few minutes after a Kansas team had bettered the intercollegiate record for the 4-mile relay, winning the university class event in 16:57.8.

Whilden Runs Anchor

Texas' 440-yard baton team—Wally Wilson, Eddie Southern, Hollis Gainey and Bobby Whilden—was clocked three tenths of a second faster than the Longhorns' recognized world record of 40.2 seconds for the quarter mile. The mark was set in the California relays at Modesto in 1955.

A 40.1 effort by Texas in the event here last year still is up for approval as a world mark.

Hal Long, Tom Skutka, Jan Howell and Jerry McNeal were the Kansas runners who surpassed the intercollegiate 4-mile record of 17:08.6 set by Michigan in 1952. Unofficial breakdown for each mile gave Long a 4:12.0, Skutka 4:17.2, Howell 4:15.0 and McLean 4:12.7.

Upsets Numerous

Upsets were numerous in the individual events. Parry O'Brien, former Southern California athlete and world record holder in the shot put, was defeated in an exhibition by Kansas' Bill Nieder who made the best heave of his career, 62 feet 2 inches. O'Brien got only 59-1.

Orlando Hazley, Oklahoma A & M sophomore, upset Texas' Whilden in the open 100-yard dash in 9.5 seconds and came back to win a "special" century sprint in the same time.

Chamberlain Jumps 6'6"

Charles Hatch of Missouri pulled a mild surprise in the 120-yard high hurdles by defeating Southern of Texas in 14.1 seconds.

Gene O'Connor of Kansas State, who was shooting for his third straight victory here in the 400 meter hurdles, was beaten by Kansas freshman Cliff Cushman in 51.2.

Don Stewart, Southern Methodist's sensational sophomore high jumper, won with a jump of 6 feet 8 inches.

came in the sixth on successive singles by Ron Owings, Larry Maurer and Dick Nix.

Owings double behind a walk staked SOCE to a 1-0 lead in the first inning of the second game. The Wolves got it back in the fourth with two out as Ed Zurflueh's hump - back line single scored McKichan.

In the seventh, Sorenson had beat out an infield hit and Brandt had walked to set the stage for Adams' clutch hit.

Freshman Jack Weeks from Silverton kept three singles scattered after the first inning to pick up his first victory in the second game.

The Wolves are scheduled to play Willamette Wednesday afternoon at 2:30 at Salem.

getting the All-American football star into the mat game.

"He's big, fast and strong," Owen summarizes, "and he's nuts about wrestling—anxious to learn. He'll make a dandy when he's had some experience."

Big John Should Do Okeh in Mat Game

Witte's local debut last week wasn't bad for a beginner, and he learned that wrestlers don't wear leather-soled shoes. He slipped and fell numerous times. He'll go at it in the rubber-soled ring shoes hereafter.

Even a clout on the eye, delivered by Bull Montana, didn't do other than bring a big smile from the Oregon Stater after his Armory sortie. He suffered a "shiner" because of it, but laughed it off. He knows he'll get lots of those in the rugged mat game.

His ability to wrestle as well as play football has set quite a table for Witte in Canada next autumn. He has a contract that will permit him to both play for Saskatchewan and wrestle, and for his first year's work in the pay-for-play sports he'll haul down something like $22,000.

We'd take a few belts on the eye and wear glass-soled shoes for that kind of loot . . .

Three 'Local' Pilots Booked for '500'

Three of the gents slated to drive in today's midget auto racing meet at Portland's Jantzen Beach arena may be well up in the sports news a month from now, for Clark (Shorty) Templeman, "Barefoot Bob" Gregg and Len (Li'l Abner) Sutton, all well known to local Hollywood Bowl race regulars, have contracted to drive mounts in the Indianapolis "500". That is, if they can qualify . . . No reason to think they won't, for all three are very capable pilots . . .

Fistic whiz Carmen Basilio may not appear here in an exhibition after all, unless they can find him an open parking lot in which to fight. Promoter Tommy Moyer had the buzz-saw booked for a 4-rounder at the Armory May 9, the night after he's to be in Portland for the nationally televised Johnny Holman-Nino Valdes date. But the village Armory isn't available that night, and 'tis said the rental fee for the South Salem High Gym is much too much.

Basilio's Portland bout is set for May 16. You may have to catch him there, as nothing seems to be open here when he's available . . .

Al, Ed Do Fine Pinch-Hitting Job

How's this for a real civic gesture? Local Tidewater Associated dealers Al Loucks and Ed Lewis, hoping to get their company to install a new public address system at Waters Field, have taken it upon themselves to underwrite the complete overhauling of the antiquated "pee-ay" equipment at the park. The okeh for the new system has been delayed in getting here from the big brass of the Associated outfit. So rather than be caught short on opening night Thursday, Al and Ed insisted that they be allowed to put the system in top shape . . . A really fine gesture, that, and your Waters Field blah-blah over the pee-ay will be coming to you "through the courtesy of your Flying A dealer."

Which is a familiar phrase attached to many sportscasts . . .

He'll Be After Repeat

Ray Hiebert, above, of Dallas holds the Gov. Paul Patterson Memorial Trophy he won for his opening day victory at Hollywood Bowl last year, and will be out to repeat next Sunday when the 1957 auto racing season opens here. The Capital Auto Racing Association's stock hard tops are to be in action Sunday afternoon.

Local Auto Race Season Under Way Next Sunday

Auto racing, 1957, is scheduled to have its first whirl next Sunday afternoon at Hollywood Bowl, promoter Ron Ail of the Valley Sports organization announced yesterday. And taking over the bowl for the inaugural will be the Capital Auto Racing Association's stock hard tops, which provided speed fans with many thrill - packed shows last season.

The CARA has been meeting regularly in recent weeks, getting lined up for what association officials feel will be their "biggest and best" campaign. More new members have been added, motored mounts have been reconditioned and fans can be assured to large entry fields every time the CARA is booked for a racing card.

Sunday's meet likely will be the only afternoon program of the season. All plans to switch over the regular Saturday nights, as in the past, when the inaugural is completed.

Time trials will start at 1:30 p.m., with regular racing getting off at 2:30. The full field of entries will be announced later in the week.

Feature of the opener will be the Gov. Paul Patterson Memorial Trophy race, which was won last year by Ray Hiebert of Dallas. He will be back to defend his title.

Also, winner of the CARA's speed queen contest, which is now under way, will be announced and crowned during the Sunday ceremonies.

Wolves Beat Pilots 76-55

MONMOUTH, April 20 (Special) The University of Portland captured nine first places, including a "quadruple" by sprinter-hurdler George Hinkhouse, but the Oregon College of Education Wolves dominating the field events captured a 76-55 dual track meet victory over the Pilots here today.

The Wolves clinched the victory with a sweep in both the shot put and javelin.

Hinkhouse, scoring 20 points, took both hurdles races and the 100 and 220 yard dashes. The Pilots also had double winners in Jim Senko, in the 880 and mile, and Dave Hagan, in the discus and high jump.

John Carpenter tallied 15 points for the Wolves on five second places—100, 220, high and low hurdles, and broad jump.

Kelley Wins Marathon Go

By BOB HOOBING

BOSTON, April 20 (AP)—Confident Johnny Kelley conquered a powerful foreign delegation, the sun-baked hills and his own fears today to become America's first Boston A. A. marathon winner in 12 years.

Kelley was timed in 2:20.05 en route to a 1,000-yard triumph over Veikko Karvonen of Finland—regarded as the world's No. 1 marathoner.

The 26-year-old grammar school teacher from Groton, Conn., won the race on the series of three hills over which he lost to Finland's Antti Viskari a year ago.

It also was the same stretch up which Karvonen wore out Britain's favored Jim Peters for his 1954 victory.

Ran Own Race

Determined to run his own race today, Kelley refused to let the Finns dictate the tactics as a year ago.

Kelley took the lead near the 15-mile mark and was in command the rest of the way as he burned up the route in near 70-degree temperature.

He was the first American to win the event since his unrelated namesake — Johnny Kelley—won in 1945. The elder Kelley, a two-time winner, came in 13th today.

Karvonen was a distant second in 2:23:54. He wilted in the stretch run.

Ching Woo Lim of Korea was third in 2:24:55, followed by Olavi Manninon of Finland in 2:25:19. Soong Chil Han of Korea was three minutes back in fifth place. He was clocked in 2:28:14.

Littler 1-up In Vegas Golf Meet

By BOB MYERS

LAS VEGAS, Nev., April 20 (AP)—California's Gene Littler shot a 3-under par 69 and lodged a tremendous bid to capture his third straight $40,000 Tournament of Champions golf tournament this cold, windy day.

The 25-year-old professional from San Diego took command of the event with a total score of 215 for three rounds, and goes into the final round tomorrow at the Desert Inn Country Club with a one stroke lead.

One shot back at even par 216 for the distance was rookie pro Don January who shot an erratic 73.

Tied at 217 were Dick Mayer with a 60, and Billy Casper Jr. with a 72.

Two Others Close

Among the other leaders at 218 were two others still in contention, Jimmy Demaret with a 73, and Dow Finsterwald with a 70.

January, whose 5 gave him the lead yesterday, shot a 34 going out. Included was an eagle chip shot that traveled some 80 feet.

A back ailment began to hamper January, and it reflected mainly in his putting. He 3-putted three holes on the back nine to stagger in with a 39.

Littler, meanwhile, who won the $10,000 top money here in 1956 and 1955, moved up to challenge and then pass January.

Driving Improved

His driving slump apparently over, Gene made the tour in 33-36—69, with only one missed green and resultant bogey marring his round. His longest shot for a birdie deuce was a measured 64 feet.

Mayer got into the spirit with an eagle three on the 15th with a 30-foot shot from the edge of the green.

National Open champion Cary Middlecoff, the pre-tournament favorite, took a 73 for 220, and Masters champion Doug Ford's 74 gave him 223.

Four strokes off the pace were Ed Furgol, with a 70 for 219; Billy Maxwell, with a 69, and Arnold Palmer, co-leader with Furgol in the first round, with a 74.

Tomorrow's final round will be televised across the nation by the National Broadcasting Co. from 2 to 3 p.m. PST. This is the first time the event has been televised.

Cougars Belt Huskies 14-3

PULLMAN, Wash., April 20 (AP)—Washington State batters belted the long ball today in beating Washington 14-3 for a split of a two-game Northern Division baseball series.

Dick Windham started things off in the third inning with a 500-foot blast to left center that brought in three runs. Gary Whiting drove in four more runs in the fourth with a grand slam home run. Then a home run to right center by Joe Trembly drove in three more runs for the Cougars in the four-run seventh.

Owen Sees Wild Clash

Triple Tag Mix Set for Armory

"It will be a wild one—you can be assured of that."

Such are the words of matchmaker Elton Owen in describing the possibilities of his Armory mat mainer Tuesday night, one that will see Luther Lindsey, Luigi Macera and Herbie Freeman teamed against Gentleman Ed Francis, Wild Bill Savage and Joltin' Jack Bence in a triple tag affair.

The "triples" are usually riotous mat squabbles. This particular one should be one of the best, since it has three of the best in Lindsey, Macera and Freeman against three villainous hombres who are fearless.

Luther Interferred

Macera and Freeman faced Francis and Savage in a regular tag mix here last week, with the win going to the latter via disqualification when Lindsey bounced into the ring to help a harrassed Freeman. Never overlooking the possibility of a two-fisted match, Owen quickly added Lindsey and newcomer Bence to the rival teams, making for Tuesday's "triple".

So certain of a repeat win, Francis has offered to bet $100 with Lindsey on the outcome of the Tuesday fracas.

Owen had hoped to put Oregon State football All-American John Witte in a rematch with Bull Montana as a special event Tuesday, after Witte's disqualification win of last week, but won't be able to book the big grid star until next week. Witte has school commitments until then.

Montana After Him

Montana wants the return go, for he feels rather badly about finishing second best to the college star, who is a rookie in the pro game. Montana naturally wants a "no disqualification" mix, but it's doubtful he'll get it. The local commission probably wouldn't stand for it, with Witte being so inexperienced.

Montana will be on Tuesday's card, however, against the classy Tito Carreon, and in the 8:30 opener it will be Pierre DeGlane opposite Reg Parks.

Two referees will handle the rugged main event.

Aragon, Goldstein Fight Probable

LAS VEGAS, Nev., April 20 (AP)—Commissioner Jack Doyle of the Nevada Athletic Commission tonight said he believed the commission would approve a fight here between welterweights Art Aragon and Dick Goldstein, principals in a sensational fight fixing case, if the National Boxing Assn. sanctions it.

The reaction to such a proposed bout was varied in this gambling resort town. Some expressed violent opposition and others felt it could be steamed into first class attraction.

Doyle said that if the NBA, which has suspended Aragon pending the outcome of his appeal from conviction on a fight fixing charge involving Goldstein, would lift the ban against Aragon, Nevada would approve the proposed fight.

Aragon was convicted in Los Angeles on charges of attempting to fix a fight with Goldstein in San Antonio, Tex., and faces a prison term of one to five years. He is presently at liberty on bond pending an appeal that may take many months before a decision.

The fight in Texas never came off. Aragon pleaded illness the day of the bout. Aragon was accused of offering Goldstein $500 to lose.

Doyle said the Nevada commission would not risk losing its membership in the NBA. He also said Nevada had a working agreement with the California Athletic Commission. Aragon does not have a 1957 California license to fight. He has not applied for it.

Doyle said that talk of an Aragon-Goldstein fight has stirred up much political discussion in Nevada. He frankly admitted that public reaction would guide whatever official action the commission takes.

Earlier today promoter Mike Hirsch of Los Angeles said the Nevada commission would approve a proposed 12-round Aragon-Goldstein fight here in June, with part of the proceeds to go to charity.

Aragon, here watching the tournament of champions golf event, said he would be more than willing to fight Goldstein and Hirsch said Goldstein had assured the promoter he would meet Aragon.

Mrs. Hagge Keeps Lead

LAWTON, Okla., April 20 (AP)—Marlene Bauer Hagge, Delray Beach, Fla., held off a mild challenge by Bonnie Randolph of Naples, Fla., today and retained a 3-stroke lead after the second round of the $5,000 Lawton Open tournament.

Mrs. Hagge added a par 72 to her opening 70 for a 142 total. Miss Randolph made up one stroke by shooting a 1-under par 71 to match a 74 for 145.

Miss Randolph's round was the best of the day and left her in position to overhaul the leader in tomorrow's final round if she can come through with a subpar effort or should Mrs. Hagge lose complete control of her usual steady game.

In third place and given only an outside chance was the National Open champion Kathy Cornelius of Lake Worth, Fla. She shot a 73 today and was five strokes off the pace at 147.

Three were tied at 149. They were Jackie Pung of Honolulu, Betsy Rawls of Spartanburg, S.C., and Betty Jameson, San Antonio, Tex.
