THE LAST DAY

FOR MEN NOW IN THE ARMY
TO RETAIN THEIR PRESENT
GRADES BY REENLISTING...

Men now in the Army who reenlist before February 1 will be reenlisted in their present grade. Men who have been honorably discharged can reenlist within 20 days after discharge in the grade they held at the time of discharge, provided they reenlist before February 1, 1946.

There's a long list of attractive reenlistment privileges in the new Armed Forces Voluntary Recruitment Act of 1945. The ability to keep your present grade is only one of them, but this privilege expires on January 31.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you. If you'll read them carefully, you'll know why a job in the new peacetime Regular Army is being regarded as "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1, 2 or 3 years. (One-year enlistments permitted for men now in the Army with at least 6 months' service.)
2. Enlistment age, 17 to 34 inclusive, except for men now in Army, who may reenlist at any age, and for former service men, depending on length of service.
3. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before February 1, 1946.
4. The best pay scale, medical care, food, quarters and clothing in the history of our Army.
5. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
6. Up to 90 days' paid furlough, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.
7. A 30-day furlough every year at full pay.
8. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
9. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.
10. Benefits under the GI Bill of Rights.
11. Family allowances for the term of enlistment for dependents of men who enlist before July 1, 1946.
12. Opportunity to learn one or more of 200 skills and trades taught in Army schools in U. S. or occupied countries.
13. Choice of branch of service and overseas theater in the Air, Ground or Service Forces on 3-year enlistments.
14. Privilege of benefits of National Service Life Insurance.
15. Reserve and A.U.S. commissioned officers who are released from active duty may be enlisted in Grade 1 (Master Sergeant) and still retain their reserve commissions.
