Sgt. Donald B. Eshleman

Sgt. Eshleman Back From Prison Camp

Sgt. Donald B. Eshleman, who was captured by the Japanese in Corrigidor in 1942 and remained a prisoner until after V-J day, is on a 90-day rehabilitation leave visiting his parents, Mr. and Mrs. S. B. Eshleman of 494 S. Winter st., Salem.

The sergeant, who enlisted in the marine corps after being graduated from Salem high school in 1939, first served with the Sixth and Eighth regiments of the fleet marine force at San Diego, later served as a volunteer with the Fourth regiment at Shanghai, and went to the Philippines when the marines were ordered out of China.

When first captured, Eshleman was interned at Cabanatuan prison camp on Luzon, and in 1944 was taken to Japan where he learned to mine coal the Japanese way. He said his most exciting experience comprised a flight of B-29s flying over his prison camp, dropping food and cigarettes to liberated Americans.

The sergeant is to be discharged from the marine corps at the expiration of his leave and intends to resume his schooling.
