

Monmouth's Clothes Drive Is Planned

Committee Completes Arrangements for Place, Time, System Collection

MONMOUTH, Jan. 17—(Special)—Arrangements for the Victory clothing drive are complete, it is announced by the civic club defense committee. Beginning Tuesday morning, January 22, the reception center in the Gordon and Gray building will be open from 10 to 12 and from 1 to 5 p. m. The owners have turned over the space next door to Dr. Bowersox's office, for the use of the committee for collection and packing.

Eight different civic organizations will serve one day each at the reception center, and will assist in preparing the clothes for packing. The organizations represented will be: Civic club, Monmouth grange, PTA, Book club, Legion auxiliary, and groups from the Christian, Evangelical and Baptist churches.

People are urged to make a definite effort to take their clothing to the center during the period of January 22 to 31 inclusive, at the hours specified, as late contributions will greatly increase the work of the committee and may not be accepted. Everyone is also urged to write that note of friendly greeting to attach to the clothing he brings. Make it short and in simple words, not patronizing and not over-emotional.

These suggested items may help in making your bundle: coats, suits, trousers, skirts, dresses, shirts, knitwear, underwear, night clothes, shoes and rubber foot wear, sweaters, blankets, bedding and piece goods, remnants and draperies. It is not necessary to have things dry cleaned, but cotton things should be washed and not ironed. Add buttons and make repairs yourself if possible. In special cases, call Mrs. Clares Powell who will see that your bundle is picked up.

Funds Short To Pay Bill For Sheep

ALBANY, Jan. 17—(Special)—Funds to pay only 59 per cent of losses to farmers for sheep, goats and turkeys during 1945 are on hand according to a report from the office of the Linn county clerk. These losses are said to have been caused by dogs. Claims totaled \$2028.90, and only 1197.06 are in the fund.

Receipts from dog licenses are used to cover these losses but the

total of fees obtained from this source is said to have been insufficient to reimburse farmers' claim in full for several years past.

The largest individual loss approved by the court is that of E. R. Pedersen, route 2, Scio, whose claim for 36 birds valued by him at \$108 and approved by the court for \$72. However Pedersen received only \$42.48.

Leigh Crossan, route 2, Lebanon, reported 16 sheep killed by dogs. He asked \$128, was allowed \$96 and received only \$56.64. Mike Rose owned all eight goats, reported killed, and for which claims were filed. Rose also is a resident of the Lebanon community.
