**O**H, what most of the human race would give to be in your shoes!

Clothing that you may consider old can bring new life to some suffering person to whom war brought despair and destitution.

Goal of the Victory Clothing Collection is 100,000,000 garments, plus shoes and bedding. If your contribution seems negligible, bear this in mind: *Every garment you give means one more human being saved from cold or sickness or possibly death.*

**Where Clothing Will Go**

About 25,000,000 people overseas received clothing collected from Americans last spring. But for every person clothed so

far, a dozen more remain virtually threadbare. Your spare clothing will be distributed free, without discrimination, to victims of Nazi and Jap oppression in Europe, the Philippines, and the Far East.

**Old Clothes—New Friends**

In most any town or city overseas there is someone who can translate English. You can help build international friendship by writing a simple, friendly letter to pin to the clothing you contribute. Trade your old clothes for new friends!

Dig into your attics, trunks, and closets *today*... dig out all the serviceable clothing you can possibly spare... take it to your local collection depot *now*. If you doubt the need for it overseas, ask the boys who've been there!
