Cold In Head, Chest or Throat?
RUB Musterole well into your chest and throat—almost instantly you feel easier. Repeat the Musterole rub once an hour for five hours... what a glorious relief!

Those good old-fashioned cold remedies—oil of mustard, menthol, camphor—are mixed with other valuable ingredients in Musterole to make it what doctors call a "counter-irritant" because it gets action and is not just a salve.

It penetrates and stimulates blood circulation and helps to draw out infection and pain. Used by millions for 20 years. Recommended by many doctors and nurses. Keep Musterole handy—jars, tubes. All druggists.

To Mothers—Musterole is also made in milder form for babies and small children. Ask for Children's Musterole.

Dear Friend:
I've noticed that babies are a lot like the rest of us. They're always pretty fussy when they're hungry, and they always feel a whole lot better after they've had their ham and eggs, or whatever it is babies eat.

While we're on the subject I might mention our line of Baby Cups and Baby Spoons—Honesty, we have some of the cutest little spoons you ever saw.

Mothers tell us, too, that a baby spoon for the baby is one of the nicest gifts there is.

Mr. Skeels will be glad to show you the different patterns we carry in the line of baby spoons.

Mrs. Crowe, Last Survivor Of Lost Train, Dies at 79

Mrs. Martha Crowe, last survivor of the immigrant train that became lost in the Willamette pass region in 1833, died early Wednesday at her home at Cottage Grove. She was 79 years of age.

Mrs. Crowe was born in Missouri Jan. 28, 1852, the daughter of Mr. and Mrs. Cyrus Landreth. She crossed the plains to Oregon with her parents in 1855, and in the late summer of that year their wagon was in a train of 20 which attempted to reach the Willamette valley by the then little known Willamette pass.

The party became lost in the mountains, where there was little water and practically no food for either the men or the animals. For six weeks the train wandered, during which time the food supplies ran entirely out and many of the animals were slaughtered. Finally the travelers were found by a relief party which went up the river on the west side of the mountains.

The Landreth family lived for a time on Spencer creek, later locating on Coyote creek in what is now Lane county. Later they moved to Coos county.

Mrs. Crowe was married to the late J. Hardy Crowe in 1871, and since that time made her home at Cottage Grove. She was a member of the Methodist Episcopal church for over 60 years and was an active participant in the work of the church at Cottage Grove until her last illness.

The funeral will be held at the Mills chapel, Cottage Grove, Friday afternoon at 2 o'clock with Rev. Duncan P. Cameron, pastor of the Presbyterian church there, officiating. Interment will take place at the Grove L. O. O. F. cemetery.

John McGuire, 70, Dies Suddenly Here

John McGuire, a resident of Eugene for the past 20 years, died suddenly Wednesday at his home at 1836 Harris street. He was 70 years of age.

Mr. McGuire was born at Dundee, Scotland, February 6, 1861. He came to the United States in 1875, living at Methuen, Massachusetts, until 1903, when he moved to Riverside, California. He came to Eugene in 1911.

Mr. McGuire was a member of the St. Mary's Catholic church, the Knights of Columbus, and the Woodmen of the World. He operated a barber shop at Eleventh avenue east and Alder streets until 1927, when he retired.

He is survived by two sons, John E. McGuire of Seattle and James T. McGuire of Eugene, and by one daughter, Mrs. Bertha Burghardt of Eugene. He also was survived by two sisters, Mrs. Frank Wilder, Malden, Massachusetts; and Mrs. B. Brown, Riverside, California. Funeral announcements will be made later from the Veatch chapel.

RARE COFFEE WINS COUNTLESS NEW USERS BY FLAVOR

Amazing Popularity of Hills Bros. Coffee Tribute to Roasting Process

Years of experiment by Hills Bros. have resulted in the origination and perfection of the only Controlled Roasting process in use today.

By Hills Bros.' patented process, the degree of roast is positively controlled. The quantity of coffee passing into the roaster—about three pounds at a time—does not vary. The speed of the flow and the temperature remain the same, with the result that Hills Bros. Coffee is absolutely uniform. This roasting method is to a large degree responsible for the frequent question, "Why is Hills Bros. Coffee always the same?"

Comparisons show that Hills Bros. Coffee has a flavor no other coffee has. The ordinary method of roasting in bulk cannot insure a uniform roast because there is a lack of control.

The vacuum can, in which Hills Bros. Coffee is packed, keeps the coffee fresh. Air, which destroys the flavor of coffee, is completely removed from the can and kept out. Coffee does not stay fresh in ordinary cans, even if air-tight. Ask for Hills Bros. Coffee by name and look for the Arab—the trade mark—on the can. Sold by grocers everywhere.

CLEVER ACTS ON HEILIG PROGRAM

The third of the Joe Daniels' Varieties stage shows will come to the Heilig theater for a three day engagement Thursday.

The inimitable comedian, Will Aubrey, is the headliner. He will bring an offering that is not only different from any other but is as clean a cut comedy turn as there is in show business. Aubrey's talents are not confined to comedy as he is also a competent musician and his burlesque of the old-time minstrel show parade is a masterpiece.

Eddie Brown and Newell Thornton, a boy and girl singing, talking and dancing act take second honors with Eddie also handling the master of ceremony work on the unit. Brown is one of the most popular M. C.'s in both theaters and night clubs of Los Angeles, while Miss Thornton is a charming young miss whose dancing is exceptional.

The Middlemen are a group of five young men composing a red hot jazz band with all the trimmings.

The vaudeville will support the feature picture, "Sit Tight," with Joe E. Brown and Winnie Lightner.

Notice that there are only three channels in the broadcast band where his Philco Superheterodyne-Plus did not bring him at least one station. This was done with only an inside aerial. And although radio reception is less favorable now because of warmer weather, Mr. Read is still getting Japanese stations regularly!
