

CONFISCATED AUTOS STOLEN IN MISSOURI

The automobiles confiscated by Lane officers when they arrested Russell Green and Phil Dadsman, were both stolen in Missouri, according to information sent District Attorney Alta King by Federal investigators.

Green and Dadsman, who were arrested on the highway the morning after a service station robbery at Cottage Grove, are being held on vagrancy charges. Their wives and a girl who were with them are also being held.

The federal department officers are expected to take over the case because of the alleged removal of a stolen automobile from one state to another. Mr. King said it was likely the three women would be held by the federal, and they probably will be released.

All have pleaded not guilty to the vagrancy charges.

Divorce Is Sought By William Benner

William Benner of Marcola filed suit for divorce from Marjorie Benner Tuesday, a few hours after a justice court jury had disagreed as to whether Benner was guilty of assault and battery charges preferred by his wife.

Benner alleged in his divorce complaint his wife threatened his life with a knife and gun, and otherwise subjected him to cruel and inhuman treatment. Mrs. Benner brought a divorce suit several months ago against Benner, but that case was dismissed.

The district attorney said the assault charges against Benner would be dismissed.

Simmons Team Is Winner in Game

The Simmons company baseball team squeaked out a victory to open the third week of play in the city playground ball industrial league Monday night.

Another pitcher's battle tells the entire story of the Simmons-Shell Oil game. Anderson of the Ford team had just enough edge to chalk up a 4-2 win over Stukie, veteran Shell hurler.

In the Underwood and Elliott-Standard Oil game neither was able to gain an advantage. The game ended with a score of 1-1. The tie will be played off next week at the University field.

"Y" CAMP MAY BE USED IN WINTER

The advisability of using the Y. M. C. A. camp site on Brice creek above Cottage Grove as headquarters for winter sports is being considered. It was announced at the city Y. M. C. A. office Tuesday.

The camp would be ideal for such purposes, it is stated, as there is always plenty of snow in that locality during the winter time and a good ski course exists near the camp site. The plan will be taken up later on and in case it is decided to use the site for this purpose some of the summer camp equipment will be left there.

The second period of the boys' summer camp will end Sunday and the youngsters will be brought home that day. The tents of most of them will go up after them while others will ride down on the trucks to be used in transporting the baggage and camp equipment.

The "Y" camp may be used a few days next week by the Four-H club boys for an outing but the matter has not yet been definitely arranged.

COLUMBIA SHIP SINKS IN RIVER

THE DALLES, Ore., July 21.—(AP)—The 110-foot river steamer Cowlitz rested in fifty feet of water five miles west here today the victim of one of the heaviest seas ever experienced on the Columbia river.

The ship sank yesterday after one huge wave flooded the engine room, and another caused the cargo of 700 tons of wheat to shift. Captain J. W. Exon, 68, and his crew of eleven men, were rescued. The cargo and ship was insured.

What turn salvage operations would take was a matter of conjecture today as the depth of the water rendered operations difficult. Captain Exon said he did not believe it possible to salvage the ship.

Walterville Lodge Springfield's Host

WALTERVILLE, July 21.—(Special)—The Neighbors of Woodcraft had a gala time Friday evening at their regular meeting night when they entertained Pine Circle Neighbors from Springfield. Twenty-eight members came out from Springfield.

The Neighbors held their regular lodge with their officers in the chairs and the guard team put on splendid work during the business session. Several talks were given by the visitors. After the business session the local Neighbors gave a program consisting of numbers by a three piece orchestra—accordion, mouth harp and organ by A. T. Easton, Gail Easton and Mrs. A. T. Easton, several selections were played during the program and also after supper. Readings were given by Mrs. O. L. Stacy and Mrs. C. R. COUNTY ROAD OILING PROGRAM FINISHED

The 1931 county road oiling program will come to a close this week with the placing of oil on Hansen lane, north of the city limits.

On Tuesday, the oiling crew was finishing up a four-mile section of the Clear Lake road, which extends west from Santa Clara across the Prairie road. This job virtually exhausted the oiling funds, and enough was saved to give Hansen lane a coat.

This summer's oiling program has been quite extensive, particularly with regard to new work. The amount of re-coating has been less than usual, according to Road Supervisor Ed Tullar.

The county has been putting on its oiling program from O and C funds.

ARMY PLANES STOP HERE OVER MONDAY

Three planes from Crissey field, San Francisco, carrying three officers and three mechanics, landed at the Eugene airport Monday evening about 5:45 o'clock.

They stayed over until Tuesday morning and are on their way to Pearson field, Vancouver, Wash. for maneuvers. The maneuvers at Vancouver are by the air corps reserve observation squadron and the three planes from Crissey field are from the regular army sent there to work in conjunction with the reserve.

Among the officers with the three planes here was Lieutenant H. B. Grew, a nephew of H. M. Cahoon of Eugene. Lieutenant Grew has been stationed at Crissey field since the first of last August, going there after his graduation from the flying school. He was among the fliers participating in the demonstration of 500 planes on the Atlantic coast in May.
