REMEMBER Last Year

Last year we had a successful Birthday Party --- This year we have made plans for an even Bigger One --- Instead of 8,000 birthday cakes we have 12,000 --- There will be more Bargains and Bigger Values than ever before --- Last year 20,000 people came to our Birthday Party --- This year we expect 30,000. Come help us celebrate.

We're big and healthy and we are telling the world about it. That's why we are having our Birthday Party Saturday and inviting everyone in Eugene and Lane county.

We think we have accomplished quite a little for a two year old—for instance—not only have we kept our current expenses paid up but we have also retired \$2,300.00 worth of bonds. And the first retirement isn't due until May of 1932!

That's another good reason why we are celebrating --- Come and help us --- and be sure to bring a big market basket.
